Michael Bishop, Principal

September 23, 2020

Dear Patriot Pioneer:

Recently, there was an article that inferred, as principal, I was not aware or did not support the actions of our Director of Student Activities, Mr. Qualls. This inference is completely inaccurate. Being principal, there are times you need to make decisions that some will not like. This happens to be one of those occasions.

I respect the work our coach has done over the past few years, but we needed to move in a different direction. I appreciate your support as we work to ensure the Patriot Baseball program has outstanding leadership that our student-athletes deserve, and as we work together to build a program of which we can all be proud.

Respectfully,

Michael E. Bishop, Ed.D.
Principal of Patriot High School
