The Boosters general meeting was called to order at 6:35 pm.

### **General Topics**

- There have not been any updates to the VHSAL decision to conduct approved season and conditioning training. The belief is that the high school sports season will commence as long as our community remains in Phase 3 of the Governor's Reopening Plan.
- The revised 20-21 high school sports schedule is Winter (December-February), Fall (February-April), and Spring (April-June). State Championships will still occur for each sport season.
- Capacity at stadiums/events will be capped at 250 due to COVID-19 requirements. Consideration to be given to opportunities to increase attendance and revenue to these events by charging to live-stream in the parking lot (opportunity for a school spirit event) or sell sponsorships (NSHS network).
- A list of other active school clubs (meeting virtually) will be posted in an announcement by Mr. Nemerov.

### **Committee Reports**

- Patriot Card Program
  - This program is currently in limbo. Cannot guarantee a number of local merchants due to the current economic recovery.
  - Distribution of the cards is also an issue due to COVID-19 social distancing requirements.
  - Contacted a local vendor to discuss streaming service for advertisement, and is waiting for a return call.
- Spirit Wear
  - The upcoming Fall Festival/Spirit Sidewalk Sale event scheduled for 10/25/20 has 4 vendors.
  - There are 8-9 student volunteers that have committed to helping at this event.
  - One additional Booster Club membership has been purchased.

Meeting was adjourned at 7:00pm.
