Welcome Letter from Athletic Director Billy Emerson

Welcome to the 2013-2014 Baseball Season! We are very excited and proud to have Head Coach Jeff Nolan and his outstanding coaching staff guiding our program (on and off the field) again this year. Across the board at PVI, we are blessed to have so many dedicated and decorated coaches leading our student-athletes. These are coaches who teach accountability, understand and encourage academic success, support each other's programs and work hard to build great teams based in faith. Coaches who are "teachers" and Christian leaders with character and integrity make a tremendous difference in the lives of our children. Teaching our student-athletes to be respectful and accountable is teaching them to be successful in life. We are also very fortunate to have such a strong network of support from our alumni, boosters, parents, school staff, and our overall community. No doubt about it. . . PVI is truly a special place.

It is critical to recognize the value that athletics have as an extremely important part of the educational process. More importantly, to recognize that our sports programs at PVI are an extension of our mission and our ministry. As a college-prep school we strive to run college-prep athletic programs so that our student-athletes who are able to combine the right amounts of ability and desire can move to the next level thanks to the PVI athletic experience. At the same time, a major focus of our athletic

program is to help our student-athletes to develop lasting life skills to use as they move on in college, in a career, as productive members of society, as husbands and wives, and as parents. When you surround a child with the gospel, discipline, integrity, and truth you can make a difference in his or her life forever. That is the core of our mission. It is easier to build boys and girls than it is to mend men and women.

Finally, I'd like to remind all of our spectators to be "good sports." Be a fan, but let the coaches coach and let the players play. Let's create a positive environment for all involved. One where student-athletes and parents get the most out of their experiences. One where winning isn't the only thing. One where opponents and officials are not taunted or humiliated. We want an environment where the emphasis is on positive relationships and learning important life lessons through hard work, competition and faith.

It is an honor and a privilege to serve as the Director of Athletics at PVI. I am humbled by our community's sense of togetherness. We are truly ONE TEAM! #TeamPVI

William H. Emerson III, RAA
Director of Athletics

From the Desk of Head Coach Jeff Nolan

The 2014 PVI baseball season promises to be exciting and we are glad to have you along. Our coaching staff and our players are honored to don the Black and Gold and represent the great Paul VI community. We're excited about the season and about the tests that lie ahead in what will be a most challenging WCAC conference race.

As I begin my 12th season at Paul VI, I can't help but reflect on the tremendous blessing it has been for me to be associated with such a wonderfully supportive school community, an administration that is second to none and such a great group of people here at Paul VI. I am particularly grateful to our principal, Mrs. Colwell, and our Athletic Director, Billy Emerson, for their trust and belief in me.

We are also proud of our rich tradition and the many players we have had a hand in helping move on to the college baseball ranks. In the last eleven years, some 61 players have graduated from our program to go on to play college baseball. Few programs can cite such an accomplishment. And although we have been blessed by a great deal of winning, the relationships that have been established with a decade's worth of young men and their families, relationships that remain and endure, are the rewards for which we are most proud and grateful. This year is a special one in that it marks the 10 year anniversary of the Class of 2004 State Championship. That group will be back to be honored and to celebrate in a reunion of sorts during our season.

Our program will continue to stress the importance of hard work, accountability, trust and belief. We will continue to use the game, a game which mirrors everyday living more than any other, to teach life lessons which our young men can carry with them for a lifetime. Our teams will hustle and play the game the right way. The game is special and we will honor it in our approach.

I hope all of you are as excited as our coaching staff and players about the potential of this year's team. Since mid-November our young men have been working hard in the classroom, on the track, in the weight room and in indoor facilities in an effort to attempt to compete for another WCAC and State Championship. This year's team is a young, enthusiastic bunch. It is a fun group to coach, a group very receptive to coaching, and hopefully their play will be fun for you to watch.

Our staff will continue tireless efforts within and outside of the PVI community and with parochial schools to let every young man know that PVI is the best baseball program in the WCAC and the area.

Thank you to all of the businesses and supporters who have so generously donated to our program through advertising and donations. I would also like to thank all of our alumni, alumni parents and former players who have been so supportive of me and our program through the years. Yours is a legacy of achievement! And a special thanks to the parents of current PVI baseball players for all of your time, consideration and hard work in helping to continue to make PVI Baseball great. Without your efforts, support and care, our program would be nowhere!

I would like to thank my outstanding assistant coaches. We have assembled a coaching staff that is the best with which I have ever been associated. Our players, their families and I are all so blessed to have these men doing the work they do so well. And, finally, I would like to thank my wife of 28 years, Greta, my daughter Lindsey (PVI '05) and my mom, Nadine, for their love and unwavering support as well as the many sacrifices they have made both during my time playing the game as well as throughout my coaching journey.

Thank you for coming and we hope to see you at the next game.

God Bless.

Jeff Nolan

History & Records

Paul VI Catholic High School opened in the fall of 1983 and fielded its first baseball team at the JV level in the spring of 1984. The Panthers played their first season of Varsity baseball the following year in spring of 1985.

PVI has competed in the highly regarded Washington Catholic Athletic Conference (WCAC) since 1986. The WCAC was formerly known as the Washington Metro Athletic Conference (WMAC) until the fall of 1993. The WCAC is now comprised of 10 Catholic High Schools from Washington DC, Maryland and Virginia. Three different WCAC baseball teams (including Paul VI) have been Nationally ranked in the past 6 seasons. The Conference used a divisional format (North and South) from 1998-2000 and from 2004-2005. The divisional format was dropped again in 2006 and the WCAC is now a straight 9-team conference.

Beyond conference play, PVI competed for the Virginia Catholic High School League (VCHSL) Championship from 1985 to 1991. In 1992, The Virginia Independent Schools Baseball Association (VISBA) was formed to provide a State Championship for all private high schools in the State of Virginia. The VISBA changed its acronym to VISAA in 2006 which stands for Virginia Independent Schools Athletic Association. Today the VISAA includes almost 80 private schools throughout the State.

In 29 seasons of PVI Varsity Baseball the Panthers have captured fifteen titles including the WMAC Tournament/Conference Championship (1993), two WCAC South Division Championships (1999 & 2005), two VISBA State Championships (1994 & 2004), three VISAA State Championship (2008, 2009 & 2012), two Southeastern Baseball Classic Championship (2008 & 2009), two WCAC Regular Season Championships (2007 & 2008), and three WCAC Tournament 'Conference Championship' in 2007, 2009 & 2012. All 15 championships were won in the past 19 years including twelve in the past ten years.

Virginia Independent State Baseball Association of the VISAA

Virginia Independent State Baseball Association (VISBA) is comprised of approximately 80 different private high schools spanning the Commonwealth of Virginia. Schools are assigned to one of three different Divisions, based upon school size. Schools fielding VISBA Division I teams include:

Benedictine	Bishop Ireton	Bishop O'Connell
Bishop Sullivan Catholic	Blue Ridge School	Cape Henry Collegiate
Collegiate School	Episcopal High School	Flint Hill
Fork Union Military	Hargrave Military	Liberty Christian School
Nansemond- Suffolk Academy	Norfolk Academy	Paul VI
Pope John Paul the Great Catholic HS	Potomac School	Randolph Macon Academy
St. Anne's- Belfield School	St. Catherine's School	St. Christopher's School
St. Gertrude's School	St. Stephen's & St. Agnes	The Madeira School
Trinity Episcopal School	Woodberry Forest School	

The diversity of VISBA participation precludes organized conference-style play during the regular season. A polling process based on team record and opponents is used to establish the top teams in each Division at several points during the regular season. At the close of the regular season, a single elimination tournament is conducted for the top eight teams to determine the State Champion for each Division.

Washington Catholic Athletic Conference

Paul VI is a member of the Washington Catholic Athletic Conference (WCAC), widely regarded as one of the most competitive high school conferences in the Metro Area. WCAC teams regularly rank among the best in their sports, both locally and nationally. WCAC baseball is especially competitive, with multiple conference teams typically ranked among the area's finest. The ten high schools fielding WCAC baseball teams include:

Archbishop Carroll	Bishop Ireton
Bishop McNamara	Bishop O'Connell
DeMatha	Gonzaga
Good Counsel	Paul VI
Saint John's	Saint Mary's Ryken

Panthers in the Pros and College

Paul VI baseball has a rich history of sending players to the next level. Paul VI alumni have played in the SEC, the ACC and many other top conferences in the nation. Several have experienced the thrill of playing in the NCAA Regionals and three have been drafted by MLB Clubs and three have become pros. Few other high school programs send so many to the college level, and eventually to the pro level.

Panther Field

Baseball has been played at Panther Field since 1937, when the Fairfax High School Rebels first took the field at their newly built school. The construction of the campus was performed by the Works Progress Administration, providing badly needed jobs during the Great Depression. After World War II, the athletic complex was named “War Memorial Field” in honor of Fairfax graduates and other veterans lost during that conflict. The Fairfax staff developed a reputation during those years for thorough, careful maintenance of the baseball field, and it was used extensively for tournaments and other amateur play.

In the 1960s, when Fairfax High School moved to its current site, this facility was used as the North Campus of George Mason University. While the Patriots played here, fencing was improved and dugouts and batting cages installed. The dirt berm in left field that is a hallmark of the field—and the bane of many an outfielder over the years—was also installed to cover a low brick wall that had been a previous source of injuries.

The Diocese of Arlington purchased the facility in 1982, and the Paul VI Panthers first played here in the spring of 1983. Improvements from that period include the grandstand and lighting in left field, the pressbox, the flagpole, and the “Panther Pause” concession stand. The name “Panther Field” was added in 1999. Still recognized as one of the finest scholastic baseball venues in Northern Virginia and the WCAC, Panther Field continues its renewal process. A new scoreboard was installed in 2001; the playing surface underwent extensive rehabilitation in 2002, with installation of new dirt and sod in the infield and Bermuda grass in the outfield; and new netting was added above the backstop in 2003.

After completion of the new school gymnasium in the fall of 2003, the complex received a significant face lift entering the 2004 season. The dugouts were renovated and lengthened, and the press box was expanded to include clubhouse and locker facilities. 2005 saw improvements to the backstop netting and clubhouse interior, and a complete rebuild of the batting cages was completed in 2006. Significant portions of the year-to-year maintenance are performed on a volunteer basis by players, parents, and fans at two or three “Field Day” weekends in Late February and early March. The continuing generosity and hard work of the boosters, sponsors, and fans will permit Panthers Baseball to host opponents at one of the finest high school baseball facilities in the area for years to come. Truly a first-class field for a first-class program!

Paul VI is one of only two schools in the conference able to host a night game at all. Day games are great, but nothing beats the thrill and excitement of a game under the lights! Already the finest baseball facility in the metropolitan area, with the help of annual fundraising and dedicated volunteers, Panther Field will be one of the nation’s best in just a few short years.

THE PANTHER FIELD BASEBALL COMPLEX INCLUDES:

- Fully enclosed, lighted, Major League size field with seating for over 2,500 fans.
- Professional grounds maintenance by Game Day Inc., providing the top playing surface in the area, along with RFK Stadium.
- Patriot Bermuda grass playing surface installed in 2005.
- State of the art, underground irrigation and drainage system.
- Major League quality batting practice “turtle” and array of professional screens.
- 1,600 square foot “press box & clubhouse” facility directly behind home plate with lockers, storage space and a coaches office.
- Upgraded sound system for announcing and music.
- Enlarged home dugout with new benches, bat rack, helmet rack and adequate equipment space.
- Two 90’ x 20’ artificial turf batting and pitching facilities.
- Multiple hitting stations set up to accommodate 20 hitters at one time.

Nellis Stadium at Panther Field is the only on-campus home field in the WCAC with lights!

Varsity Head Coach

Jeff Nolan

12th Year at PVI

A native Californian, Jeff Nolan served as the Associate Head Coach and Pitching Coach for a decade at Paul VI before becoming the Head Coach. Coach Nolan pitched in college at Cal Poly Pomona and was a member of a program that won both the 1980 and 1983 NCAA Division II National Championship. Nolan played under and is heavily influenced by legendary Coach John Scolinos at Cal Poly, who was voted Coach of the 20th Century by the College Baseball Hall of Fame, NCAA Baseball Coach of the Decade for the 1980s, and pitching coach for the 1984 U.S. Olympic team.

During his Cal Poly playing career, Nolan led the team in appearances and lowest earned run average and was voted Most Improved Player by the Cal Poly coaching staff in 1984. He participated in the California College Baseball summer league, Thoroughbred, where he went 22-2 on the mound over two seasons and was named Most Valuable Player, twice.

Upon graduating from Cal Poly, Jeff was invited to tryout with the Chicago Cubs and Kansas City Royals. He then taught American Government and World History at Pomona Catholic High School for a year before pursuing a business career having risen to the level of Chief Executive Officer. While in California he founded Nolan Baseball Academy in Upland California, providing player instruction and coaching clinics. Coach Nolan was the pitching coach at Mira Costa High School in Manhattan Beach, CA, prior to relocating to Northern Virginia in 1998. He has been coaching at the high school level and above for 28 years, having spent time in the Clark Griffith Collegiate Summer League as a pitching coach for the Fairfax Nationals as well.

From 2004-2008 PVI pitchers led the WCAC in fewest runs allowed. Coach Nolan has converted non-pitchers into pitchers who have gone on to earn Division I College scholarships. Paul VI has had more pitchers selected to the All WCAC First Team than any program in the conference under Coach Nolan's leadership. He is regarded as one of this area's most accomplished and knowledgeable authorities on pitching and is a sought after speaker on the local and regional baseball coaching clinic circuit. Nolan was selected as an assistant coach in the 2005, 2006, and 2007 Mid-Atlantic High School All-Star Game and had twice been named a finalist for District 2 Assistant Coach of the Year in 2007 and

2008 (District 2 is comprised of all high schools throughout Delaware, Maryland, Pennsylvania, West Virginia, DC and Virginia). In 2009 Nolan received the District 2 Assistant Coach of the Year Award at the National High School Baseball Coaches Association Annual Convention in Tucson, Arizona.

Coach Nolan has been married to his wife Greta for 28 years. The couple resides in Centreville, VA. Their daughter, Lindsey (PVI '05), graduated in 2009 with a BS degree in Business Administration from Loyola Marymount University in Los Angeles, CA and resides and works in Southern California. Nolan's father Bob pitched in the Cleveland Indians organization from 1950-53. Coach Nolan credits both Coach Scolinos and his dad for his successes and for his love of the game.

Varsity Assistant Coaches

TAD DAVIDOVICH

VARSITY ASSISTANT COACH (INFIELD)

12th Year at PVI

Originally from Chicago, Tad Davidovich was an all district infielder at nearby James Madison High School in Vienna, VA. Following a playing stint on the collegiate level at Division I Samford University in Alabama, he transferred to Mary Washington University where he received a Bachelor's Degree in Historic Preservation.

Davidovich began coaching as an assistant at Madison and as a head coach in AAU summer baseball with the Vienna Mustangs. His 18 and under Mustang teams regularly competed at the national level and won a bracket championship at the Cocoa Expo International Tournament in 1999. Coach Davidovich joined the Paul VI coaching staff in 2003 and has successfully coached defense and hitters in his 11 seasons with the Panthers. Under the guidance of Coach Davidovich, Paul VI has sent 13 infielders to play at the collegiate level in the last 11 years. In 2005 PVI set school records by fielding .965 as a team, committing just 29 errors in 31 games. The Panthers followed that performance in 2006 with a school record 25 double plays.

Davidovich was also selected as an assistant coach in the 2005 and 2007 Mid-Atlantic High School All-Star Game. From 2006-2007 he was an assistant coach for the Fairfax Nationals of the Clark C. Griffith Collegiate Baseball League (CGL). In 2007 the Nationals fielded .955 as a team and turned a league high 39 double plays.

Tad's brother Pete played in the Division III College World Series for Salisbury University. Tad is a life-long Chicago Cubs fan. The nephew of the Cubs former traveling secretary, his birth was announced on WGN during a Cubs game. In late 2013 Coach Davidovich started his own company, Hinsdale Design Build, LLC after working for Clark Construction for the past 13 years. He and his wife Donna reside in Vienna, VA along with their sons Ryan (4) and Tyler (1), perhaps a future Panther double-play combination.

What Coach Nolan has to say about Coach Davidovich: *"Coach D's knowledge and subtle teaching approach is invaluable to PVI baseball. He is judicious with his words but when he has something to say, it is routinely something of great value, which reflects Coach Davidovich's attention to detail and thoughtfulness. He has a very firm handle on how the game should be played. Coach D is a blessing to our program."*

JOHN RALSTON (PVI '07)

VARSITY ASSISTANT

3rd Year at PVI

John Ralston begins his third season back at his alma mater after finishing his collegiate career as a 4 year starting shortstop at Rider University. John led Rider to the conference playoffs all 4 years and won the 2008 and 2010 MAAC Championships. In 2011 he was named to the MAAC All Tournament Team. John also participated in 2 NCAA Regionals: 2008 Cal-State Fullerton (CSF, UCLA, UVA, Rider) and 2010 Austin (Univ. of Texas, Rice, Louisiana Lafayette, Rider).

At Rider John holds the record for most games played, in the top 15 for most hits, and 26th most RBI's in program history.

While at PVI John was a 3 year Varsity starter at SS, winning the 2004 State Championship and 2007 WCAC Championship. As a 3 year starter PVI had a record of 77-17 (.819). Individually he earned 2006 WCAC 2nd Team and All-Met Honorable Mention as well as 2007 2nd Team All-State.

John graduated from Rider University in May 2011 with a B.S. in accounting. He is a Business Analyst in the IT industry. His 3 siblings are also PVI alum. Sister Julia ('01) was a volleyball All American at Marymount University, brother Gabe ('03) played baseball and football at PVI and later Lebanon Valley College and sister Maria ('08) played volleyball at Ohio State. He currently resides in Annandale, VA.

What Coach Nolan has to say about Coach Ralston: *"Coach Ralston is an outstanding young coach who has a very bright future and is mature, beyond his years, in coaching and in his every day life. It's really no surprise as he was the same way as a player, never hesitating, always a "grinder" and mentally tough, a true leader. Coach Ralston is a great teacher and a true asset to our program and our young men."*

Varsity Assistant Coaches

Tim McCormick (PVI '08)

VARSITY ASSISTANT COACH, OUTFIELDERS

1st Year at PVI

Coach Tim McCormick starts his first season coaching after 5 years of playing college baseball at Florida Southern College, the 9 time Division II National Champions. Coach McCormick played all outfield positions for the Florida Southern Moccasins.

Coach McCormick is a 2008 graduate of PVI and while at PVI Coach McCormick was a three year varsity player, 2006, 2007, and 2008 which are the top 3 winningest seasons in PVI baseball history. The 2008 team went 27-3, a .900 winning percentage, and finished ranked 12th in the country. Coach McCormick and seven of his fellow seniors went on to Division I baseball, Coach McCormick started his collegiate career at St. Johns University where he played outfield for the Red Storm on a team that won the 2010 Big East Championship and went on to the NCAA Regional (UVA, VCU, Ole Miss, St John's) St. John's finished the season ranked 23rd in collegiate baseball poll.

Tim's younger sister Kelsey is a senior at PVI, a four-year varsity tennis player for the Panthers. Tim currently lives in Fairfax, VA.

What Coach Nolan has to say about Coach McCormick: *"Coach McCormick was a great player for us, with a ton of enthusiasm for the game. His passion showed when he played and he brings a wealth of knowledge concerning outfield techniques. He has been well coached and I am impressed by his ability to impart that knowledge to our players."*

MIKE McMENAMIN (PVI '08)

VARSITY ASSISTANT COACH

1st Year at PVI

Mike McMEnamin enters his first season as an assistant coach at Paul VI Catholic High School. Coach McMEnamin returns to his alma mater after spending five years at the Virginia Tech. During those five years Mike spent four years as the bullpen catcher for the Hokie baseball team and one year on the coaching staff. While serving as a coach, the Hokies and former Panther great Chad Morgan ('09) made history with two school firsts. They appeared in the 2013 ACC Championship game and hosted an NCAA Regional in Blacksburg (Oklahoma, Coastal Carolina, Connecticut, Virginia Tech). Along with the successful 2013 campaign, Coach McMEnamin also participated in the 2010 Colombia Regional (Bucknell, Citadel, Virginia Tech, South Carolina).

While at PVI Coach McMEnamin was a 3 year Varsity letterman while starting at catcher for two of those years. Coach McMEnamin was behind the plate when the Panthers captured the 2007 WCAC Championship and the 2008 VISAA State Championship. As a 2 year starter PVI had a record of 54-7 (.870) and finished the year nationally ranked (12th) in 2008. Individually, he earned 2007 WCAC Honorable Mention and was a 2008 WCAC 3rd Team selection as well as 2007 2nd Team All-State pick.

Coach McMEnamin graduated from Virginia Tech in May 2013 with a B.S. in Marketing. He does land development in the Real Estate industry. His older brother, Trey ('05), is also a PVI alum and member of the 2004 Paul VI State Championship team and played collegiately at Wingate College. Coach McMEnamin currently resides in Fairfax, VA.

What Coach Nolan has to say about Coach McMEnamin:

"Coach McMEnamin, the player, was a coach on the field. It gave us an advantage which is evident in the gaudy win loss record we achieved during his two years as a starter here. Coach McMEnamin has always had an extremely high baseball IQ and this serves him extremely well in his coaching. Having him return from the college coaching ranks is tremendously gratifying to me, personally, and an incredible addition to our staff."

Baseball's Words of Wisdom

Baseball is a game where a curve is an optical illusion, a screwball can be a pitch or a person, stealing is legal and you can spit anywhere you like except in the umpire's eye or on the ball.

Jim Murray

My motto was always to keep swinging. Whether I was in a slump or feeling badly or having trouble off the field, the only thing to do was keep swinging.

Hank Aaron

Any baseball is beautiful. No other small package comes as close to the ideal design and utility. It is a perfect object for a man's hand. Pick it up and it instantly suggests its purpose; it is meant to be thrown a considerable distance — thrown hard and with precision.

Roger Angell

You gotta be a man to play baseball for a living, but you gotta have a lot of little boy in you, too.

Roy Campanella

What are we at the park for except to win? I'd trip my mother. I'd help her up, brush her off, tell her I'm sorry. But mother don't make it to third.

Leo Durocher

People ask me what I do in winter when there's no baseball. I'll tell you what I do. I stare out the window and wait for spring.

Rogers Hornsby

I became a good pitcher when I stopped trying to make them miss the ball and started trying to make them hit it.

Sandy Koufax

The difference between the impossible and the possible lies in a man's determination

Tommy Lasorda

Just take the ball and throw it where you want to. Throw strikes. Home plate don't move.

Satchel Paige

I see great things in baseball. It's our game — the American game. It will take our people out-of-doors, fill them with oxygen, give them a larger physical stoicism. Tend to relieve us from being a nervous, dyspeptic set. Repair these losses, and be a blessing to us.

Walt Whitman

You see, you spend a good piece of your life gripping a baseball, and in the end it turns out that it was the other way around all the time.

Junior Varsity Coaches

JASON PAGE

JV HEAD COACH

2nd year at PVI

Jason Page enters his second season assisting the Paul VI Catholic High School baseball program. One year after working as the varsity 3rd base coach, Coach Page takes the reigns of the JV program in 2014. Coach Page began his coaching career at Northwest Rankin High School in Mississippi where in addition to working as a contract scout for the Tampa Bay Devil Rays, he coached infielders and hitters from 1996-1999 helping them to a 4A North State Championship and two 5A State semi-final appearances. He then moved to Division III Millsaps College where from 1999-2004 he was in charge of Team Defense and Infielders assisting Millsaps to one Western Division Championship, one SCAC Championship, and a NCAA Div. III Regional Birth. Coach Page then took a head coaching position at UMS-Wright Preparatory School in Mobile, Alabama. In 2 seasons, he guided the Bulldogs to an Area Championship and two State tournament appearances.

Coach Page is a 1995 graduate of University of Alabama, Birmingham (UAB), where he was a four-year starter at second base. Coach Page earned All-Great Midwest Conference honors in 1992 & 1995 and All-Tournament honors in '93 and '94. During his playing career, Page set single season team records for: games started (61) and Assists and holds the UAB career record for most times Hit by Pitch (53). Coach Page graduated from Potomac High School in Dumfries Virginia in 1991, where he played shortstop for Head Coach Jerry Gardziel.

Since 2008, he has served as an executive of SIG a small to midsized defense contracting company.

He is married to the former Jennifer Deitz of Birmingham, AL. They have seven children; Andrew (17), Madelyn (16), Jessica (13), Marilise (10), Anna Grace (8), Micah (6) and Brianna (3). Andy and Madelyn currently attend Paul VI Catholic High School where they play varsity baseball and volleyball, respectively.

What Coach Nolan has to say about Coach Page: "Coach Page is outstanding coaching all elements of the game and brings a fresh perspective to our program. His coaching resume is without equal and his ability as a teacher is simply outstanding. He is a tremendously talented coach."

BRETT MOORE (PVI '06)

JV ASSISTANT COACH

3rd Year at PVI

Coach Moore played 4 years of Varsity baseball while at PVI, pitching and playing every infield position. He was a member of the 2004 State Championship Team and was 1st Team all WCAC, 1st Team All-State, and All-Met Honorable Mention in 2006. Coach Moore holds several PVI hitting and pitching records.

Coach Moore began his collegiate career at Winthrop University pitching in 22 innings as a freshman weekend starter on the nationally ranked Division I team. After his freshman year, Brett transferred to Mount St. Mary's where he was a weekend starter and played 1st base. In 2008, Brett led Mount St. Mary's to the school's first ever conference playoff game win and won the 2008 NEC Championship. Brett was the Mount's starter in the 2008 NCAA Baseball Regional.

Coach Moore graduated in May 2011 from Mount St. Mary's with a Business Degree concentrating on Finance and Mathematics.

Coach Moore played two years of professional baseball, pitching in the Canadian-American (Can-Am) League, PECOS League, and North American League. He is one of 3 PVI graduates to go on to play professional baseball.

Coach Moore is in his third year coaching the JV pitching staff. He is also working at WC Moore Financial Services and studying at the College for Financial Planning to become a Certified Financial Planner.

All of Brett's siblings have attended PVI. Sister, Julia ('08), played softball and graduated from Harvard University. Sister, Kasey ('10), is at Mary Washington University and brother, Brady is currently a senior at PVI.

What Coach Nolan has to say about Coach Moore: "Brett was a student of the game when he played here and continues to be as a coach. Having a former player, who came up through our system and learned our pitching philosophy and approach is a tremendous asset to our program. Coach Moore is great with our young pitchers helping them understand what it takes to have success."

Because...life is not a dress rehearsal!

I wish continued success to Coach Nolan, Coach Rocky, Coach Farello, Mrs. Hanley, and all my former teammates, classmates, and teachers. While my stay at PVI was brief, I will always root for PVI to win every WCAC Championship, especially in baseball and basketball.

Best wishes,

Section 1

Paul VI Baseball Philosophy

The focus of the baseball program is not just winning and producing baseball players. The staff at PVI believes that the game of baseball can be used to develop successful and productive members of society. Life skills such as time management, teamwork and commitment are just a few of the lessons that are stressed to all players. PVI baseball players are held to a higher set of standards and are expected to be first-class citizens, students, and gentlemen. Along with those ideals, the PVI staff feels that the purpose of high school itself is to prepare kids for college, so the purpose of our high school baseball program is to also prepare kids for college baseball. A key philosophy in the PVI Baseball Program is that academic performance strengthens athletic performance. If a player “gets it done” in the classroom, baseball will take care of itself.

The basic goals of our coaching staff for our players are as follows:

- To have fun, while appreciating the gift and glory of every day.
- To produce high achieving, college bound students.
- To produce gentlemen who are respectful, successful and productive members of society.
- To help each student-athlete reach his maximum potential and play baseball at the next level.

Priorities for those who participate in our program are as follows (in order):

- 1) **Faith and Family**
- 2) **School and Baseball**
- 3) **Everything Else**

Section 2

Quality School, Quality Education

Pride **V**alues **I**ntegrity

Paul VI Catholic High School is unique and our staff recognizes the uniqueness of each student. To this end, we offer the opportunity of a Catholic Education to a broad spectrum of students. Our school has a positive and encouraging atmosphere, allowing our students to benefit and achieve. Located in the heart of Fairfax County, PVI is the only Catholic High School in Fairfax County. Since it's opening in 1983, PVI has made a commitment to a superb overall high school experience for young men just like you.

Paul VI is the place to be! Christian values are intertwined with academic excellence, enthusiastic spirit, championship athletics, award winning fine arts, enriching clubs and many other great activities.

Quality is better than quantity and the schedule at PVI is more conducive to overall success. PVI offers study halls during the school day, along with more student holidays and more half days than most other schools, thus making it easier to manage your time.

PVI is committed to excellence. We guide nearly 99% of our students to the best colleges in the nation. PVI graduates take **P**ride, **V**alues and **I**ntegrity to the next level. We are always striving to make our students and our school even greater. **By having you become a "Panther" we can do both!**

Nearly a dozen PVI baseball players have been selected to the ACADEMIC ALL-STATE team during Coach Nolan's tenure.

Section 3

Great Location

You must ask yourself, is it really worth hours of commuting every day to go to another school, when PVI has everything you want and need, right here in the middle of Northern Virginia?

Paul VI is near many major roads in Northern Virginia including routes 29, 50, 123 and 236. PVI is also less than 2 miles from I-66 and less than 5 miles from the Beltway.

Our central location is a great convenience to our students. As a high school athlete, there are many demands placed on your time all year long. Being at a school that is centrally located makes life easier by getting you home sooner. Being at PVI gives you the time you need for proper rest, family activities, homework, a social life and more.

Great Facilities

In 2004, Paul VI constructed a multi-million dollar, state of the art student activities center. The new building includes a new and larger gymnasium, new locker rooms and many other needed amenities. The addition of the new activities center gave PVI a second gym and a larger, upgraded weight room and fitness center, making the indoor facilities one of the area's best. Plans are in the works to upgrade the outdoor facilities in just a few short years.

Along with the changes to the school building, many recent improvements to Panther Field (the home of PVI baseball) have allowed Paul VI to provide the finest baseball facility in the area for its players, thus creating an exciting and professional environment to practice and play. **Home crowds regularly fill the bleachers around the complex!**

The Panther Field Baseball Complex includes:

- A fully enclosed Major League size field with seating for over 2500 fans.
- Professional grounds maintenance by *Game Day Inc.*, providing the top natural Bermuda grass and Camden Yards dirt playing surface in the area.
- A state of the art, underground irrigation and drainage system.
- Batting practice "turtle" and array of professional screens.
- A 1600 square foot "press box & clubhouse" facility directly behind home plate with lockers, storage space and a coaches office.
- An upgraded sound system for announcing and music.
- An enlarged home dugout with large benches, bat rack, helmet rack and adequate equipment space.
- Two 90' x 20' artificial turf batting and pitching facilities.
- Multiple hitting stations set up to accommodate 20 hitters at one time.

Panther Field is the only on-campus home field in the WCAC with lights!

Paul VI is one of only two schools in the conference able to host a night game. Already one of the finest baseball facilities in the metropolitan area, with the help of annual fundraising and dedicated volunteers, Panther Field will be one of the nation's best in just a few short years. **Plans for a reconfigured artificial turf facility are in the works!**

Panther Field: One of the Area's Best Natural Surfaces

A day game view of the Panthers in action at Panther Field from the right field foul line. Hundreds of fans regularly fill the bleachers behind home plate and in parts of the outfield, giving Paul VI Baseball one of the highest attendance rates in the area for high school baseball.

With the bleachers behind home plate already overflowing, PVI students fill the left field stands during a home match-up of perennial "Washington Post Top 10 Rivals": DeMatha and PVI. The Panthers eventually triumphed in front of an estimated crowd of 1250.

Section 4

More Games equals More Experience... On a Higher Level

The PVI Baseball Program plays as many games as any program in the area. Including scrimmages and post-season play, the Varsity team can play over 35 games every year. After the regular season, the Varsity plays in the WCAC Tournament at the University of Maryland's Shipley Field. Plus, if the Varsity finishes in the top eight of the Virginia Independent Schools Athletic Association (VISAA) Poll, they advance to the VA State Tournament for a chance to play at Richmond's historic Shepherd Stadium. **The Panthers have won 4 State Championships and 3 WCAC Titles in the past 10 seasons along with being nationally ranked in 2005, 2007, 2008, 2009 and 2010. PVI's astounding record of 237-96 (.712) is evidence that PVI has played and won more games than any other area program from 2003 to 2013.**

The J.V. team schedules at least 20 regular season contests per year (along with 3 to 4 scrimmages). That equates to at least seven more games than area public school J.V. will play. **The JV has played and won as many games as any other area JV team since 2003 with a record of 171-56.**

The quality of opponents at PVI is very high. As a member of the Washington Catholic Athletic Conference (WCAC), the Panthers always face a challenging conference schedule. PVI Baseball also schedules some of the best non-conference opponents from the Washington Metropolitan Area. **The varsity team travels to Florida and/or South Carolina during spring break for additional non-conference games. Our fundraising program covers the expense of our trip.**

Within the WCAC from 2003 to 2013:

- Seven of the WCAC's 10 teams have been ranked in the *Washington Post* Top 10.
- All Three WCAC Virginia teams have been ranked in the *VISAA* Top 5, PVI 10 years straight, O'Connell, 3 times, Ireton 2 times.
- Four WCAC teams have been Nationally Ranked by *USA Today*, *ESPN-RISE* and/or *Baseball America*, PVI, St. Johns, DeMatha and Good Counsel

The high level of competition not only makes you a better baseball player, it also draws the attention of college coaches and Major League scouts.

Other facts demonstrating our strength of schedule include:

- Multiple games (annually) against Nationally Ranked opponents.
- Multiple games (annually) against *Washington Post* Top 10 opponents.
- Every WCAC Varsity team has won at least 12 games and/or finished .500 since 2003.
- Over 60% of our opponents from 2003-2013 had a winning record.

The VISAA consists of over 70 private high school baseball teams within the State of Virginia.

The schools are grouped by size into three divisions. Paul VI plays at the most competitive, largest level... Division I
Teams are ranked weekly throughout the season, with the final top eight earning an at large bid to the State Tournament.

"The Way"

A Winning Approach

Playing baseball at Paul VI Catholic High School gives you the "total package". It's something we like to call "The PVI Way".

At PVI we make a year-round effort for our program and our players. Although the coaching staff encourages participation in other sports at PVI, there are opportunities for baseball players to improve all year through team baseball camps and baseball specific weight training & conditioning. In other words, we have all the camps you need. The staff also monitors the academic progress of baseball players throughout the school year. Our high school program is more like a college program. The idea is to prepare you for the next level. **Those who plan to participate in other sports, are not disadvantaged or looked down upon by missing off-season baseball activities. We encourage multi-sport athletes.**

Our off-season conditioning program runs from late November through the start of baseball season and focuses on flexibility, cardiovascular strength & endurance, muscular strength & endurance, speed, plyo-metric power and nutrition. The coaching staff is well educated in the latest techniques to improve athletic performance. From late November through late February the PVI Baseball Staff coordinates camps for the players at local indoor baseball facilities. Players have a chance to improve skills with the coaching staff and prepare themselves for the upcoming season. In the summer, the staff co-coordinates at least 1-2 weeks of baseball camps in order for players to once again improve skills in the presence of PVI coaches and college coaches. The staff also produces a master schedule of PVI players' summer teams and makes regular visits to summer games.

The staff monitors academic progress year round through communication with the Dean of Academics and regular checks by the head coach on the school's intranet grading system. Players are typically referred to tutors and teachers who provide assistance if necessary. A major emphasis is placed on the idea of academic performance strengthening athletic performance. Players often attend after-school study hall with the coaching staff throughout the course of the season. This not only gives the players extra-time for schoolwork, it also further emphasizes our philosophies. The Principal, the Dean of Students and the Dean of Academics also visit the players once a year during practice to make sure each student-athlete fully understands the expectations of the institution.

Coaches meet with players before the season to set roles and goals. Following the each season, players have a post season meeting with coaches to set new goals. The idea is to continue successes and improve upon weaknesses. Coaches also meet with players and parents to discuss college options. The coaching staff provides information on college recruiting, NCAA rules & standards and a realistic expectation for all interested players. The coaching staff is in constant contact with colleges throughout the country to ensure that every player who wants to go to the next level can get there.

"The PVI Way" takes high school baseball to a new level. The PVI coaching staff brings a collegiate approach and a professional approach to the program. The high standards, academic monitoring, personal interest in each player, study halls, off-season conditioning and organized practices mirror the protocol for college baseball. Players are told "If you want to be a pro, act like one now". On that accord, our coaching staff makes every effort to run a program on a professional level. Although well experienced, the coaching staff is always looking for professional development opportunities. By attending clinics and collaborating with other high school coaches, college coaches and professionals, the PVI Staff focuses on properly teaching fundamentals with the latest techniques and the finer nuances of the game.

Section 6

A Staff with Experience, Integrity & Connections

Now in his 12th year within the PVI Program, **Head Coach Jeff Nolan** and his staff have established PVI Baseball as one of the most successful and respected programs in America. He is highly respected, nationally and specifically for his work with pitchers, helping win 12 Championship Titles in the past 10 seasons and assisting 61 student-athletes to college baseball (31 NCAA Division I). Coach Nolan was named **Mid-Atlantic High School Assistant Coach of the Year in 2009 after being a finalist for the award twice previously**. Nolan has over 25 years of coaching experience following a playing career that ended with an NCAA National Championship under the "College Coach of the Century"; John Scolinos. Over the years, Coach Nolan has been heavily involved with college placement and has coached college summer wood bat baseball in the Clark Griffith League.

Paul VI has maintained assembled an amazing group of assistants for years. **Infield Coach Tad Davidovich (12th year)** has Division I playing experience, has coached on the National Level in AAU, and also collegiately. **Coach Jason Page (2nd Year)** has coached at the collegiate level as well and as a High School Head Coach. Coach Page returns to the staff this year as Coach Nolan's Junior Varsity Head Coach. Other assistants at the JV and Varsity levels bring years and years of high level playing and coaching experience to the program. Two members of the staff have been together for ten or more years. And the program features four alumni (former players) who have returned to coach at Paul VI after college and professional baseball careers. Mike McMenamin, (Class of 2008) a former All Conference (3rd Team) catcher and member of the Virginia Tech Coaching Staff a year ago, will coach the catchers, Tim McCormick, begins his first year coaching the Panthers' outfielders after completing his collegiate career as an outfielder at Florida Southern University. John Ralston (Class of 2007), Rider University Shortstop) joins the varsity staff as 3rd base coach after being the head coach of the Junior Varsity team. Brett Moore, (class of 2006), Mount St Mary's and Independent Professional Baseball Pitcher) leads the Junior Varsity pitching staff and acts as roving instructor with the Varsity team. **Consistency breeds success!**

The baseball staff is loaded with professionals who take their positions very seriously and realize the impact that their actions and decisions make on young lives. The staff also believes in the principles of a Catholic Education and focuses on using baseball as a tool to teach important life lessons. The coaches strongly believe in a wholesome, family atmosphere. Players at PVI aren't simply looked at as baseball players; they are members of a family and each member is just as important as the next. Success off the field is clearly evident as well. Grade point averages rise as rapidly as winning percentages and the Panthers have built a reputation as a dedicated, respectful and hard working group of young men.

The PVI Baseball Coaching Staff includes:

- 7 former college baseball players...1 former professional baseball player...1 major league scout as a consultant
- 6 college degrees.2 master's degrees.
- 2 certified strength and conditioning instructors...2 coaches certified in first aid, CPR and life saving techniques
- 3 coaches who are married with children...Over 100 years combined coaching and teaching experience

Paul VI baseball has a rich history of sending players to the next level. Since 2003, that tradition has simply grown stronger. Along with numerous "walk-on" invitees, **the PVI staff has helped 61 PVI players land a college roster spot** in the last decade. First and foremost, PVI baseball players will go on to college. Secondly, if the player is willing to find the "best fit", he will go on to play college baseball.

WHAT THEY'RE SAYING ABOUT PVI BASEBALL...

"Paul VI is the best baseball program I've ever been associated with. From the experience of our coaches, to the level of competition, to our off-season workouts; this is a high school program that rivals a top college program. I am very grateful for my experiences at PVI"

-Alex Gregory

Infielder, Class of 2005

All-Met in 2005, All-State in 2004 & 2005, All-WCAC in 2004 & 2005, Co-MVP 2005

Four Year Starter at Radford University. Drafted by the New York Mets, 17th Round, 2009.

"The positive impact of PVI Baseball's off-season program on my son has been remarkable. Since he began the program three months ago his physical condition has improved noticeably. Even better, his self-confidence is far above what it was at the beginning of last baseball season. His attitude toward his coaches and teammates has gone from positive to deeply respectful as he learns and works hard together with them. He can't wait for this season to begin— because he knows we have an edge and we're going to win"

-Bill Vogt

Father of Pete Vogt: First Baseman... Class of 2003

"Paul VI is a program that will continually produce good players, good students and good people. The coaching staff is well experienced in every aspect of running a high quality operation. I've seen the highs and lows of high school programs throughout the country and anyone who has the chance to play at PVI should feel blessed"

-Bill Buck

Regional Scout, Detroit Tigers

2002 Mid-Atlantic Scout of the Year

"It's a pleasure watching PVI play baseball. It's refreshing to go to a high school game where people do things the right way. PVI kids play hard, hustle and compete... all the qualities needed to be successful in life. Hats off to the coaching staff for being good mentors to young people and ambassadors of the game"

-Karl Kuhn

Pitching Coach, University of Virginia

2009 and 2011 College World Series Participant

Recruitment and the Transfer Rule

Active recruiting of pre-high school students is permitted by the WCAC. The coaching staff cannot approach a student who has already enrolled in high school unless the student or his parents have contacted the school or coaches first.

TRANSFER RULE- After August 15th prior to the student-athlete's sophomore year, any student who was previously enrolled in another high school DC, MD or VA will not be eligible to participate at the Varsity level for one calendar year. The student will be permitted to play JV if he is a junior or younger. The transfer rule does have an appeal/waiver process for extenuating circumstances.
