From the Desk of Head Coach Billy Emerson

Dear PVI Baseball Supporters,

Welcome to PVI Baseball 2018. My coaching staff and I are honored to coach at such a great school with a warm and caring community and staff. Personally I have been amazingly blessed to be a part of PVI for the last 16 years and I am looking forward to the continued success of our baseball program.

Over 16 years ago, we all set out to rebuild a great high school baseball program. Since that time, Paul VI Baseball has risen to area and national prominence. Players, parents, supporters and coaches alike have worked tirelessly to keep our dreams alive and to provide the best for our student-athletes. We have accomplished much of what was planned and built one of the top baseball programs in the Mid-Atlantic region.

After winning our first State Championship in a decade in 2004, we have been regularly atop area rankings, nationally ranked and a staple of the Virginia State rankings over the past 15 years. More recently, the 2009 Panthers became the first and only team to win the WCAC and State titles in the same season, followed by a repeat in 2012. Through 2017, PVI Baseball has won 14 championship titles in the last 14 years. Along the way, we have played and won more games than any team in the area, having compiled an astounding record of 315-134 (.702) over the past 15 seasons. Another byproduct of our progress is the collection of over 100 student-athletes who have continued their baseball careers in college. More will join the collegiate baseball ranks following this season and all of our alumni (college players or not) have enjoyed success in their post high school endeavors. We like to feel that we played a part in that success and that the life lessons learned on the diamond at PVI will forever be applied to our players' daily lives. We are very proud of our former players, their families and their contributions to our success.

The more we accomplish, the more driven we are to succeed. Our ultimate goal, just as it was in 2002, is to build the best high school baseball program in America with the best young men in America. Within our structure our players are held to higher standards in and out of school. One of our goals is to build quality human beings through the sport of baseball by stressing the importance of life skills.

I hope all of you are as excited as our players and staff about this season and the potential of this year's team. Since November, the players have

been working hard in the classroom, the weight room, on the track and at indoor baseball facilities to bring you a championship season. This year's group could be the best team PVI history!

In further strengthening our program, we will continue to foster strong relationships with the PVI community and parochial schools to let every young man know that PVI has the best baseball program not only in the WCAC, but also in the entire area.

Thank you to all the businesses and patrons who have donated to our program through advertising. I would also like to thank those of you who have put in so much effort to make our program great. From fieldwork, to donations, communications, event planning, media guides, scorekeeping, announcing and more . . . without the Parents of PVI Baseball, we'd be nowhere! Your involvement is greatly appreciated! I especially want to thank my wife Lisa, my two daughters Amanda & Haley, my son William IV, and my family. You all afford me the time and support to do my best.

Thanks for coming and we'll see you at the next game.

God Bless,
Billy Emerson

From the Desk of The Athletic Director

Welcome to the 2017-2018 Baseball Season!

Across the board at PVI, we are blessed to have so many dedicated and decorated coaches leading our student-athletes. These are coaches who teach accountability, understand and encourage academic success, support each other's programs and work hard to build great teams based in faith.

Coaches who are "teachers" and Christian leaders with character and integrity make a tremendous difference in the lives of our children. Teaching our student-athletes to be respectful and accountable is teaching them to be successful in life.

We are also very fortunate to have such a strong network of support from our alumni, boosters, parents, school staff, and our overall community. No doubt about it. . . PVI is truly a special place.

It is critical to recognize the value that athletics have as an extremely important part of the educational process. More importantly, to recognize that our sports programs at PVI are an extension of our mission and our ministry. As a college-prep school we strive to run college-prep athletic programs so that our student-athletes who are able to combine the right amounts of ability and desire can move to the next level thanks to the PVI athletic experience.

At the same time, a major focus of our athletic program is to help our student-athletes to develop lasting life skills to use as they move on in college, in a career, as productive members of society, as husbands and wives, and as parents. When you surround a child with the gospel, discipline, integrity, and truth you can make a difference in his or her life forever. That is the core of our mission. It is easier to build boys and girls than it is to mend men and women.

Finally, I'd like to remind all of our spectators to be "good sports." Be a fan, but let the coaches coach and let the players play. Let's create a positive environment for all involved. One where student-athletes and parents get the most out of their experiences. One where winning isn't the only thing. One where opponents and officials are not taunted or humiliated. We want an environment where the emphasis is on positive relationships and learning important life lessons through hard work, competition and faith.

It is an honor and a privilege to serve as the Director of Athletics at PVI. I am humbled by our community's sense of togetherness. We are truly ONE TEAM! #TeamPVI

Often, the word “opportunity” is used in the context of a specific investment product or rate of return. At Washington Financial Group, we take a broader view of what opportunity really means for you and your family. We understand that while investment returns are important, they only represent one piece of the puzzle that may lead to overall financial well-being. We believe that opportunity is where knowledge and experience meet to support your goals and desires, and help you anticipate and overcome any challenges along the path to pursuing your goals.

History & Records

Paul VI Catholic High School opened in the fall of 1983 and fielded its first baseball team at the JV level in the spring of 1984. The Panthers played their first season of Varsity baseball the following year in spring of 1985.

PVI has competed in the highly regarded Washington Catholic Athletic Conference (WCAC) since 1986. The WCAC was formerly known as the Washington Metro Athletic Conference (WMAC) until the fall of 1993. The WCAC is now comprised of 10 Catholic high schools from Washington DC, Maryland and Virginia. Three different WCAC baseball teams (including Paul VI) have been Nationally ranked in the past 10 seasons. The Conference used a divisional format (North and South) from 1998-2000 and from 2004-2005. The divisional format was dropped again in 2006 and the WCAC is now a straight 9-team conference.

Beyond conference play, PVI competed for the Virginia Catholic High School League (VCHSL) Championship from 1985 to 1991. In 1992, The Virginia Independent Schools Baseball Association (VISBA) was formed to provide a State Championship for all private high schools in the State of Virginia. The VISBA changed its acronym to VISAA in 2006 which stands for Virginia Independent Schools Athletic Association. Today, the VISAA includes almost 80 private schools throughout the State.

In 33 seasons of PVI Varsity Baseball, the Panthers have captured seventeen titles including the WMAC Tournament/Conference Championship (1993), two WCAC South Division Championships (1999 & 2005), two VISBA State Championships (1994 & 2004), three VISAA State Championships (2008, 2009 & 2012), three Southeastern Baseball Classic Championships (2008, 2009 & 2016), the DC Sportsfan Challenge Championship (2010), two WCAC Regular Season Championships (2007 & 2008), and three WCAC Tournament 'Conference Championships' in 2007, 2009 & 2012. All 17 championships were won in the past 25 years, including fourteen in the past 14 years.

Thank you PVI Baseball for being a Kyle's Kamp Diamond Dreams Partner!

Kyle's Kamp was created in 2010 by Rob and Kieran Hahne after their lives changed forever—their young son, Kyle, was diagnosed with Leukemia on October 6th, 2010. What started as a website to update friends and family, from the hospital, has grown into so much more. Since 2012, Kyle's Kamp has raised more than \$2,100,000 for pediatric cancer research and care for Children's National Medical Center.

Kyle's Kamp uses sports as a vehicle to raise funds for pediatric cancer research. Participants in the KK baseball tournaments and Dream games are able to collect donations and share information about pediatric cancer. It's a simple approach of "kids helping kids". In addition, Kyle's Kamp partners with pediatric patients and survivors to serve as patient ambassadors. This partnership builds relationships and raises awareness.

Virginia Independent State Baseball Association of the VISAA

Virginia Independent State Baseball Association (VISBA) is comprised of approximately 80 different private high schools spanning the Commonwealth of Virginia. Schools are assigned to one of three different Divisions, based upon school size. Schools fielding VISBA Division I teams include:

Benedictine
Bishop Sullivan Catholic
Collegiate School
Fork Union Military
Nansemond- Suffolk Academy
Saint John Paul the Great Catholic HS
St. Anne's- Belfield School
St. Gertrude's School
Trinity Episcopal School

Bishop Ireton
Blue Ridge School
Episcopal High School
Hargrave Military
Norfolk Academy
Potomac School
St. Catherine's School
St. Stephen's & St. Agnes
Woodberry Forest School

Bishop O'Connell
Cape Henry Collegiate
Flint Hill
Liberty Christian School
Paul VI
Randolph Macon Academy
St. Christopher's School
The Madeira School

The diversity of VISBA participation precludes organized conference-style play during the regular season. A polling process based on team record and opponents is used to establish the top teams in each Division at several points during the regular season. At the close of the regular season, a single elimination tournament is conducted for the top eight teams to determine the State Champion for each Division.

Washington Catholic Athletic Conference

Paul VI is a member of the Washington Catholic Athletic Conference (WCAC), widely regarded as one of the most competitive high school conferences in the Metro Area. WCAC teams regularly rank among the best in their sports, both locally and nationally. WCAC baseball is especially competitive, with multiple conference teams typically ranked among the area's finest. The ten high schools fielding WCAC baseball teams include:

Archbishop Carroll	Bishop Ireton
Bishop McNamara	Bishop O'Connell
DeMatha	Gonzaga
Good Counsel	Paul VI
St. John's	St. Mary's Ryken

Panthers in the Pros

Paul VI baseball has a rich history of sending players to the next level. Paul VI alumni have played in the SEC, the ACC and many other top conferences in the nation. Several have experienced the thrill of playing in the NCAA Regionals. Three have been drafted by MLB clubs and three have become pros. PVI is proud to have sent so many players to the college level and beyond.

PVI Baseball alumni who have played (or been drafted by) professional baseball:

Mike Venafro '91 - Texas Rangers 29th Round (from James Madison University 1995); Played in the Major Leagues for the Rangers '99-01, A's '02, Rays '03, Dodgers '04 and Rockies '06. Mentioned in the movie "Money Ball."

Alex Gregory '05 - New York Mets 17th Round (from Radford University 2009); Played in the Minor Leagues (NY-Penn & South Atlantic) for NY Mets affiliates; Brooklyn Cyclones in 2009 and Savannah Sand Gnats in 2010.

Brett Moore '06 - Undrafted (from Mount St. Mary's University 2012); Played in the Independent Minor Leagues (Can Am Assoc & Pecos League) for NTSI; Federals & Carlsbad Bats in 2011 and Santa Fe Fuego in 2012

Peter Verdin '08 - Washington Nationals 36th Round (from University of Georgia 2011); Did not sign and returned to UGA. Did not play professionally.

Ben Garner '11 - Los Angeles Angels Free Agent (from James Madison University 2016)

Mitch Aker '12 - Arizona Diamondbacks Free Agent (from William & Mary and Utica Unicorns/USPBL 2016). Now with Evansville Otters Frontier League.

Robbie Kidd '11 - Birmingham-Bloomfield Beavers/United Shore Professional Baseball League (USPBL). Free Agent 2016. Now playing for Sullivan Explorers Empire Professional Baseball League.

Matt Kianka '11 - Fargo Morehead Redhawks/American Association (from U. South Carolina Beaufort) Free Agent 2016

George Capen '13 - Seattle Mariners. Free Agent from Holy Cross.

Panthers in College

PVI Baseball alumni who are playing or played college baseball

NCAA Div. I

Michael Morgan '17 - James Madison University
Liam McDonnell '17 - James Madison University
Kevin Kelley '16 - James Madison University
Devon Adams '16 - Old Dominion University
Clayton Baine '16 - Radford University

Jon Wiltshire '14 - Millsaps College
Joe Salzano '13 - Catholic University of America
Tyler Alger '12 - Merchant Marine Academy
Alex Bryant '11 - St. Mary Washington University
Dan Savage '09 - Lynchburg College
Charles Beacom '09 - Ferrum College
Torey Mancari '09 - University of Mary Washington
Koji Marks '09 - Methodist University
Justin Puentes '09 - Lynchburg College
JD Polcari '06 - Salisbury University
JT Richardson '05 - Ferrum College
Brian Short '05 - Frostburg State University
Mike Geraghty '04 - Catholic University of America
Steve Grodek '03 - Mary Washington College
Aaron Ward '03 - Norwich University
Pat Commins '02 - Denison University
Steve Jones '02 - Ithaca College
Tim Bottomley '00 - Catholic University of America
Chris Bettini '98 - St. Mary's College

Multiple/Mixed/NAIA/NJCAA

Stephen Adamson - Mercyhurst North East (NJCAA)
Matt Herzog '15 - Louisburg College (NJCAA)
Lucas Martinez '13 - Cal State San Bernadino (NCAA Div. II, Vanguard University (NAIA)
Reed Bromley '08 - Tennessee Wesleyan College (NAIA), Catawaba Valley CC (NJCAA), Frederick CC (NJCAA)
Tim McCormick '08 - St. John's University (NCAA Div. I), Frederick CC (NJCAA)
Mike Mitchell '08 - St. John's University (NCAA Div. I), Frederick CC (NJCAA), University of Maryland Baltimore County (NCAA Div. I)
Drew Shaw '08 - Temple University (NCAA Div. I), Eastern University (NCAA Div. III)
Scott Eastment '05 - Georgetown University (NCAA Div. I), Frostburg State University (NCAA Div. III)
T.J. Guinan '04 - Catonsville C.C. of Balt. Co. (NJCAA Div. II), Lander University (NCAA Div. II)
Gabe Ralston '03 - Frederick C.C. (NJCAA Div. II), Lebanon Valley College (NCAA Div. III)

Panther Field

Baseball has been played at Panther Field since 1937, when the Fairfax High School Rebels first took the field at their newly built school. The construction of the campus was performed by the Works Progress Administration, providing badly needed jobs during the Great Depression. After World War II, the athletic complex was named “War Memorial Field” in honor of Fairfax graduates and other veterans lost during that conflict. The Fairfax staff developed a reputation during those years for thorough, careful maintenance of the baseball field, and it was used extensively for tournaments and other amateur play.

In the 1960s, when Fairfax High School moved to its current site, this facility was used as the North Campus of George Mason University. While the Patriots played here, fencing was improved and dugouts and batting cages installed. The dirt berm in left field that is a hallmark of the field—and the bane of many an outfielder over the years—was also installed to cover a low brick wall that had been a previous source of injuries.

The Diocese of Arlington purchased the facility in 1982, and the Paul VI Panthers first played here in the spring of 1983. Improvements from that period include the grandstand and lighting in left field, the pressbox, the flagpole, and the “Panther Pause” concession stand. The name “Panther Field” was added in 1999. Still recognized as one of the finest scholastic baseball venues in Northern Virginia and the WCAC, Panther Field continues its renewal process. A new scoreboard was installed in 2001; the playing surface underwent extensive rehabilitation in 2002, with installation of new dirt and sod in the infield and Bermuda grass in the outfield; and new netting was added above the backstop in 2003.

After completion of the new school gymnasium in the fall of 2003, the complex received a significant face lift entering the 2004 season. The dugouts were renovated and lengthened, and the press box was expanded to include clubhouse and locker facilities. 2005 saw improvements to the backstop netting and clubhouse interior, and a complete rebuild of the batting cages was completed in 2006. Significant portions of the year-to-year maintenance are performed on a volunteer basis by players, parents, and fans at two or three “Field Day” weekends in Late February and early March. The continuing generosity and hard work of the boosters, sponsors, and fans will permit Panthers Baseball to host opponents at one of the finest high school baseball facilities in the area for years to come. Truly a first-class field for a first-class program!

Paul VI is one of only two schools in the conference able to host a night game at all. Day games are great, but nothing beats the thrill and excitement of a game under the lights! While we are just a few years from moving to a beautiful new, state of the art campus and ballpark in Loudoun County, Paul VI Baseball currently boasts one of the finest baseball facilities in the area. Panther Field is an exciting and professional environment to practice and play. Home crowds regularly fill the bleachers around the complex!

THE PANTHER FIELD BASEBALL COMPLEX INCLUDES:

- Fully enclosed, lighted, Major League size field with seating for over 2,500 fans.
- Professional grounds maintenance by Game Day Inc.
- Patriot Bermuda grass playing surface reinstalled in 2015.
- State of the art, underground irrigation and drainage system.
- Major League quality batting practice “turtle” and array of professional screens.
- 1,600 square foot “press box & clubhouse” facility directly behind home plate with lockers, storage space and a coaches office.
- Upgraded sound system for announcing and music.
- Enlarged home dugout with new benches, bat rack, helmet rack and adequate equipment space.
- Two 90’ x 20’ artificial turf batting and pitching facilities.
- Multiple hitting stations set up to accommodate 20 hitters at one time.

Panther Field is the only on-campus home field in the WCAC with lights!

PANTHER FIELD DIMENSIONS

Right Field Foul Line: 342’	Right Field Fence: 8’
Right Center Field: 367’	Center Field Fence: 16’
Center Field: 430’	Left Field Fence: 4’ (Plus Berm)
Left Center Field: 345’	Infield Surface: Bermuda & “Camden Yards Mix”
Left Field Foul Line: 305’	Outfield Surface: Bermuda Grass

New Loudoun County Campus

PVI's athletic facilities in Loudoun County will be unparalleled in the Greater Washington Metropolitan area. The baseball facility will include a brand new, major league size, fully lighted, artificial turf (Field Turf) baseball field with a press box, pa system, bleachers, and batting cage areas. As of now, Paul VI Catholic High School will be the only WCAC school with a lighted, artificial turf field on campus, and one of only two schools in the area to have such a luxury. The new school will also feature the Panther Athletic Center: housing two gymnasiums, a wrestling room, coaches and administrative offices, a weight room/fitness center, multiple locker rooms, classrooms, a dance studio, athletic training room, concessions, the athletic hall of fame, and much more!

Varsity Head Coach

BILLY EMERSON

16th year at PVI
(12th as Varsity Head Coach)

Billy Emerson returned as varsity head coach last year after guiding the JV to perfect 20-0 record in 2016, following three years completely away from coaching. His 2017 Varsity Panthers finished 19-11, falling in the WCAC semifinals and the state quarterfinals. After a standout area high school and college baseball career that ended at George Mason University, Emerson was drafted into professional baseball in 1994 and played for the Class 'A' Newark Buffalos of the Frontier League. In 1995 he was offered several opportunities to continue playing professional baseball but opted to complete his college degree, work as a scout for the Houston Astros while beginning a career in education and coaching.

Emerson's first varsity head coaching job was at T.C. Williams High School where he led the Titans to their best season in school history in 1998, earning him honors as Northern Virginia's Coach of the Year. Emerson stepped away from his head coaching duties in 1999 to accept a promotion as Assistant Athletic Director at his alma mater: James Madison High School in Vienna, VA. During this time he kept a hand in baseball, assisting at Madison and in the Clark Griffith Collegiate Baseball League.

Emerson left Madison in the summer of 2002 to become Head Coach at Paul VI. His 10 seasons at PVI were extremely successful, yielding an average of 22 wins per season, 3 Washington Catholic Athletic Conference Championships, 4 VISAA State Championships, and multiple national rankings. He is the all-time leader in coaching wins at PVI with a record of 238-97 (.710), and has an overall varsity head coaching record of 259-136 (.656). He has been named "Coach of the Year" by the WCAC (twice), The Washington Post (All Met), The Washington Examiner, the Washington DC Homeplate Club, the VISAA (twice), and was one of 8 finalists for Baseball America National Coach of the Year in 2008. His players have garnered numerous All-Conference, All-State, and All-Met honors along the way, including Academic All-State selections, as well as the 2008 and 2009 State Player of the Year selections. Emerson has guided hundreds of his student-athletes to college and professional baseball in the past 20+ years.

Billy spent seven summers in the Clark Griffith Collegiate Baseball League as an Assistant Coach, Manager, and General Manager. From 2006-2009 he managed 315 games (high school and collegiate combined), winning 226. Emerson was the only coach in America to guide a nationally ranked high school team and a nationally ranked summer collegiate team in the same year, (2008 and 2009). He also coached the "South Team" in the Mid-Atlantic High School All-Star Game from 2005-2008 and has worked in scouting and operations for the Detroit Tigers and the Washington Nationals. In the summer of 2010 Emerson assumed his role as Athletic Director at PVI where he has led a nationally recognized athletic program that has produced 30 Conference or State Championships and over 150 college student-athletes during his tenure. Billy has been married to his wife Lisa for 23 years. The couple resides in Vienna with their children: Amanda (PVI Class of '17), Haley (PVI Class of '19 and William IV (11 years old). Emerson's father Bill is a legendary hall of fame bluegrass musician.

Varsity Assistant Coaches

GREG KNOWLES

VARSITY ASSISTANT
COACH

1st Year at PVI

Coach Knowles has been coaching baseball at the youth and high school level for more than two decades. In addition to coaching at the high school level, Coach Knowles has focused on youth baseball, coaching both travel baseball and recreational baseball in Arlington, VA. In 2016, his 12U travel team, the Arlington Storm, won the Virginia State Championship, and was runner up in the Cooperstown Dreams Park tournament out of 104 teams. Coach Knowles has also taught high school biology and chemistry for 17 years.

Prior to his coaching and teaching career, Coach Knowles pitched 5 seasons in the minor leagues. He played for the St. Louis Cardinals and Baltimore Orioles organizations, reaching AA with the Bowie Baysox. Prior to his professional baseball career, Coach Knowles pitched for the University of Miami Hurricanes on a baseball scholarship. An All-American, he helped the Hurricanes reach the College World Series twice, winning a CWS game against Cal State Fullerton as a freshman. While at Miami, he played summer ball in the Great Lakes League and the premiere Cape Cod League.

As a senior at Cardinal Gibbons High School, he led his team to win the Florida State Championship, compiling a 17-1 record along the way, and earning All-State and All-Region first team honors. Coach Knowles was drafted by the Milwaukee Brewers following his senior year but chose to attend the University of Miami.

Greg has been married to his high school sweetheart, Kerry, for 25 years. The couple resides in Arlington with their children: Haley (17 years old), Nathan (14 years old), and Carson (11 years old); and fun-loving Dobermanns, Keira and Penny.

STEVE ROBINSON

VARSITY ASSISTANT
COACH

10th year at PVI

Steve Robinson has been coaching baseball in Northern Virginia for more than two decades. An original member of Coach Emerson's PVI staff, he returns for his 10th season at PVI. Coach Robinson helped the varsity and was the assistant head coach for the JV team at PVI from 2003 to 2010, posting three JV regular season championships and eight straight winning seasons, including a perfect 19-0 record in 2005.

Steve was also a member of Coach Emerson's staff at Annandale High School in the late 1990's. Additionally, he began coaching baseball in Vienna, taking Babe Ruth teams to 5 consecutive district championships.

Steve is a graduate of Marshall High School, where he was senior class president, and a graduate with honors from Kansas State and Virginia Tech with a Master's Degree in Architecture. He is an award winning Architect who resides in Vienna and has been married for almost 29 years to his college sweetheart, Colette.

Varsity Assistant Coaches

Tony Salgado
 VARSITY ASSISTANT COACH
 11yh year at PVI

Tony Salgado grew up in Alexandria, played baseball at T.C. Williams High School and then attended George Mason University. Upon completing his playing career, he began teaching kids his love of the game thru coaching. He began his coaching career at Annandale High School and then T.C. Williams High School. In 2003 he joined the coaching staff at Paul VI and coached for 9 years. He rejoined the staff at PVI for the 2016 season, working mainly with catchers in the program. Coach Salgado has also coached a few local youth teams, as well as with three different collegiate teams in the now defunct Clark Griffith Summer Wood Bat League (Vienna

Senators, Fairfax Nationals and Carney Pirates). He is also on staff at Rip City in the Dulles South area. In addition to coaching, Coach Salgado works for Fairfax County Public Schools as a Middle School Administrator. Coach Salgado brings his wide array of experiences as a coach and teacher back to the PVI program in hopes of winning another Championship. Coach Salgado and his family live in South Riding, right near the future home of PVI. He and his wife, Suzie, have three kids: Emma (8), Shane (4), and Luke (3).

Junior Varsity Coaches

MATTHEW LaBARGE '10

HEAD JV COACH

2nd Year at PVI

Matthew LaBarge is entering his second season at his alma mater as the new head coach for the JV team. In his first season, Coach LaBarge helped lead the JV team to a 12-7 record. Before returning, Coach LaBarge spent five years in Norfolk VA at Old Dominion University. While at Old Dominion University, Coach LaBarge assisted in starting the Old Dominion University Club Baseball program and went on to serve as vice president for a year and president for two years. While president, the ODU club baseball team made their first, and to date only, appearance to the NCBA Division II post-season.

While at PVI, Matt was a two year Varsity starter as a utility infielder/outfielder, winning the 2009 WCAC, South Eastern Baseball Classic and VISSA State Championships. During Matt's time at PVI on Varsity, the Panthers had a record of 41-19 (.683). Individually he earned 2010 Honorable Mention ALL-WCAC.

Matthew graduated from Old Dominion University in May 2015 with a Bachelor's Degree in Computer Engineering. He currently is an Information Assurance Engineer for the Department of State. His younger brother is also Paul VI alum, bother Mark ('15) who played baseball for two years. Coach LaBarge currently resides in Oakton, VA. He is engaged to Ashley Mauroff and the couple will be married in 2019.

BEN GARNER '11

JV ASSISTANT

1st Year at PVI

Ben Garner enters his first year of baseball coaching at Paul VI. Originally, Ben was a player under Coach Emerson from 2008-2011, being part of the 2009 WCAC and State Champion baseball team. During his career at PVI, he was awarded team and conference accolades, such as PVI Rookie of the Year, PVI Pitcher of the Year, and 1st Team All-WCAC.

After graduating from Paul VI in 2011, Ben went on to play baseball at James Madison University as a right-handed pitcher. During his time as a Duke, Ben suffered 3 different season-ending injuries, requiring him to red shirt and play a 5th year. He was named a 1st Team All-Academic during college and earned the CAA Commissioners Academic Award 3 times. In his final year for the Dukes, he completed the season as the team's closer, tying the record for 3rd most saves in the school's single season history. After finishing his senior season, Ben signed a contract with the Los Angeles Angels and spent the summer playing in low-A baseball for the organization.

While at James Madison University, Ben completed a Bachelors of Science Degree in Kinesiology with a minor in Coaching, as well as a Masters Degree of Art in Teaching. Ben is 1 of 7 siblings, with 2 of his brothers being former collegiate baseball players and high school baseball coaches in Fairfax County. Ben is a welcome addition to our Panther family.

Ben's brother Greg played baseball with Coach Emerson at George Mason University.

Baseball's Words of Wisdom

Baseball is a game where a curve is an optical illusion, a screwball can be a pitch or a person, stealing is legal and you can spit anywhere you like except in the umpire's eye or on the ball.

Jim Murray

My motto was always to keep swinging. Whether I was in a slump or feeling badly or having trouble off the field, the only thing to do was keep swinging.

Hank Aaron

Any baseball is beautiful. No other small package comes as close to the ideal design and utility. It is a perfect object for a man's hand. Pick it up and it instantly suggests its purpose; it is meant to be thrown a considerable distance — thrown hard and with precision.

Roger Angell

You gotta be a man to play baseball for a living, but you gotta have a lot of little boy in you, too.

Roy Campanella

What are we at the park for except to win? I'd trip my mother. I'd help her up, brush her off, tell her I'm sorry. But mother don't make it to third.

Leo Durocher

People ask me what I do in winter when there's no baseball. I'll tell you what I do. I stare out the window and wait for spring.

Rogers Hornsby

I became a good pitcher when I stopped trying to make them miss the ball and started trying to make them hit it.

Sandy Koufax

The difference between the impossible and the possible lies in a man's determination

Tommy Lasorda

Just take the ball and throw it where you want to. Throw strikes. Home plate don't move.

Satchel Paige

I see great things in baseball. It's our game — the American game. It will take our people out-of-doors, fill them with oxygen, give them a larger physical stoicism. Tend to relieve us from being a nervous, dyspeptic set. Repair these losses, and be a blessing to us.

Walt Whitman

You see, you spend a good piece of your life gripping a baseball, and in the end it turns out that it was the other way around all the time.

Jim Bouton

Matthew Poyner

#PoynerStrong

Matt Poyner was a young man of great intelligence tempered with a great empathy for everyone he met. He was dedicated to his studies, his family, baseball, the 5th grade basketball team that he coached and his large circle of friends. As a baseball player Matt was a true competitor who gave 110% in all that he did and he worked tirelessly on his craft. While Matt was most often thought of as the great left handed pitcher and outfielder with blazing speed, he also loved country music, golf, basketball, football, cooking and enthusiastically supporting his siblings in their endeavors from the lacrosse field to the theatrical stage and all things in between. Matt has been described as a young man with a "magnetic" personality; people were drawn to his optimism and love for life. Everyone who knew Matt loved Matt.

Matt's family has established **The Matthew Vernon Poyner Memorial Foundation** (MVP Memorial Foundation) to honor Matt's memory by continuing to serve the charitable pursuits that were his personal passions.

Our Mission: The Matthew Vernon Poyner Memorial Foundation (MVPLegacy.org) provides scholarships and financial assistance to help young people, both college-bound and military veterans, who best embody the ideals of compassion for others, dedication to excellence, and love of athletic competition that Matthew so valued.

Our Focus: Our mission is to preserve and promote Matt's legacy - his compassion for others, dedication to excellence, and love of competition through organized sports. The foundation will honor:

Matt's competitive spirit and dedication to excellence - scholarships will be awarded to one male and one female college-bound senior at both Langley High School and Paul VI Catholic High School - the two high schools he attended and communities that supported him through his formative years.

Matt's compassionate spirit - support will be awarded to charitable pursuits that convey his deep patriotism and desire to support Veterans and their families.

Matt's life - as the Foundation grows, grants will be awarded for medical research into causes and prevention of sudden cardiac arrest in healthy young people.

Our Charity: We are a 501(c)(3) charity organization dedicated to honoring and preserving the memory of our MVP - Matthew Vernon Poyner.

Section 1

Paul VI Baseball Philosophy

The focus of the baseball program is not just winning and producing baseball players. The staff at PVI believes that the game of baseball can be used to develop successful and productive members of society. Life skills such as time management, teamwork and commitment are just a few of the lessons that are stressed to all players. PVI baseball players are held to a higher set of standards and are expected to be first-class citizens, students, and gentlemen. Along with those ideals, the PVI staff feels that the purpose of high school itself is to prepare kids for college, so the purpose of our high school baseball program is to also prepare kids for college baseball. A key philosophy in the PVI Baseball Program is that academic performance strengthens athletic performance. If a player “gets it done” in the classroom, baseball will take care of itself.

The basic goals of our coaching staff for our players are as follows:

- To have fun, while appreciating the gift and glory of every day.
- To produce high achieving, college bound students.
- To produce gentlemen who are respectful, successful and productive members of society.
- To help each student-athlete reach his maximum potential and play baseball at the next level.

Priorities for those who participate in our program are as follows (in order):

- 1) **Faith and Family**
- 2) **School and Baseball**
- 3) **Everything Else**

Section 2

Quality School, Quality Education

Pride **V**alues **I**ntegrity

Paul VI Catholic High School is unique and our staff recognizes the uniqueness of each student. To this end, we offer the opportunity of a Catholic Education to a broad spectrum of students. Our school has a positive and encouraging atmosphere, allowing our students to benefit and achieve. Located in the heart of Fairfax County, PVI is the only Catholic High School in Fairfax County. Since it's opening in 1983, PVI has made a commitment to a superb overall high school experience for young men just like you.

Paul VI is the place to be! Christian values are intertwined with academic excellence, enthusiastic spirit, championship athletics, award winning fine arts, enriching clubs and many other great activities.

Quality is better than quantity and the schedule at PVI is more conducive to overall success. PVI offers study halls during the school day, along with more student holidays and more half days than most other schools, thus making it easier to manage your time.

PVI is committed to excellence. We guide nearly 99% of our students to the best colleges in the nation. PVI graduates take **P**ride, **V**alues and **I**ntegrity to the next level. We are always striving to make our students and our school even greater. **By having you become a "Panther" we can do both!**

Quick Facts

Section 3

Great Facilities

While we are just a few years from moving to a beautiful new, state of the art campus and ballpark in Loudoun County, Paul VI Baseball currently boasts one of the finest baseball facilities in the area. Panther Field is an exciting and professional environment to practice and play. Home crowds regularly fill the bleachers around the complex!

The Panther Field Baseball Complex includes:

- A fully enclosed Major League size field with seating for over 2500 fans.
- Professional grounds maintenance by *Game Day Inc.*, providing the top natural Bermuda grass and Camden Yards dirt playing surface in the area.
- A state of the art, underground irrigation and drainage system.
- Batting practice “turtle” and array of professional screens.
- A 1600 square foot “press box & clubhouse” facility directly behind home plate with lockers, storage space and a coaches office.
- An upgraded sound system for announcing and music.
- An enlarged home dugout with large benches, bat rack, helmet rack and adequate equipment space.
- Two 90' x 20' artificial turf batting and pitching facilities.
- Multiple hitting stations set up to accommodate 20 hitters at one time.

Panther Field is the only on-campus home field in the WCAC with lights!

Panther Field is the only on-campus home field in the WCAC with lights! Paul VI is one of only three schools in the conference able to host a night game at all. Day games are great, but not all fans can make a day game and nothing beats the thrill and excitement of a game under the lights!

Panther Field: One of the Area's Best Natural Surfaces

SEE PAGE 27 FOR FACILITIES AT OUR NEW CAMPUS, OPENING IN 2020

A day game view of the Panthers in action at Nellis Stadium at Panther Field from the RF foul line. The playing surface is pro-quality and hundreds of fans regularly fill the bleachers behind home plate and in parts of the outfield, giving Paul VI Baseball one of the highest attendance rates in the area for high school baseball.

Students fill the left field bleachers in the area known as "The Left Field Lounge."

Section 4

More Games equals More Experience... On a Higher Level

The PVI Baseball Program plays as many games as any program in the area. Including scrimmages and post-season play, the Varsity team can play up to 35 games every year. After the regular season, the Varsity plays in the WCAC Tournament. Plus, if the Varsity finishes in the top eight of the Virginia Independent Schools Athletic Association (VISAA) Poll, they advance to the VA State Tournament for a chance to play at Richmond's historic Shepherd Stadium. **The Panthers have won 4 State Championships and 3 WCAC Titles in the past 13 seasons along with being nationally ranked in 2005, 2007, 2008, 2009, 2010 and 2016. PVI's astounding record of 315-137 (.696) is evidence that PVI has played and won more games than any other area program from 2003 to 2017.**

The JV team schedules at least 20 regular season contests per year (along with 3 to 4 scrimmages). That equates to at least seven more games than area public school J.V. teams will play. **The JV has played and won as many games as any other area JV team since 2003, finishing every season with a winning record – including undefeated seasons in 2005 and 2016.**

The quality of opponents at PVI is very high. As a member of the Washington Catholic Athletic Conference (WCAC), the Panthers always face a challenging conference schedule. PVI Baseball also schedules some of the best non-conference opponents from the Washington Metropolitan Area. **The varsity team travels to California, Florida and/or South Carolina during spring break for additional non-conference games. Our fundraising program covers the expense of our trip.**

Within the WCAC from 2003 to 2018:

- Seven of the WCAC's 10 teams have been ranked in the *Washington Post* Top 10.
- All three WCAC Virginia teams have been ranked in the *VISAA* Top 5
- Four WCAC teams have been Nationally Ranked by *USA Today*, *ESPN* and/or *Baseball America*, *PVI*, *St. Johns*, *DeMatha* and *Good Counsel*

The high level of competition not only makes you a better baseball player, it also draws the attention of college coaches and Major League scouts.

Other facts demonstrating our strength of schedule include:

- Multiple games (annually) against Nationally Ranked opponents.
- Multiple games (annually) against *Washington Post* Top 10 opponents.
- Every WCAC Varsity team has won at least 12 games and/or finished .500 since 2003.
- Over 65% of our opponents from 2003-2016 had a winning record.

The Washington Catholic Athletic Conference

The WCAC is comprised of the 10 largest Catholic High Schools in the Washington Metropolitan Area.

VIRGINIA

-Bishop Ireton HS Cardinals
-Bishop O'Connell HS Knights
-Paul VI Catholic HS Panthers

MARYLAND

-DeMatha Catholic HS Stags
-Good Counsel HS Falcons
-Bishop McNamara HS Mustangs
-St. Mary's Ryken HS Knights

WASHINGTON, DC

-Archbishop Carroll HS Lions*
-Gonzaga College HS Eagles
-St. John's College HS Cadets

* JV only

The Virginia Independent Schools Athletic Association

The VISAA consists of over 80 private high school baseball teams within the State of Virginia.

The schools are grouped by size into three divisions. Paul VI plays at the most competitive, largest level... Division I Teams are ranked weekly throughout the season, with the final top eight earning an at large bid to the State Tournament.

Section 5

“The Way”

A Winning Approach

Playing baseball at Paul VI Catholic High School gives you the “total package.” It’s something we like to call “The PVI Way.”

At PVI we make a year-round effort for our program and our players. Although the coaching staff encourages participation in other sports at PVI, there are opportunities for baseball players to improve all year through team baseball camps and baseball specific weight training & conditioning. In other words, we have all the camps you need. The staff also monitors the academic progress of baseball players throughout the school year. Our high school program is more like a college program. The idea is to prepare you for the next level. **Those who plan to participate in other sports, are not disadvantaged or looked down upon by missing off-season baseball activities. We encourage multi-sport athletes.**

Our off-season conditioning program runs from late November through the start of baseball season and focuses on flexibility, cardiovascular strength & endurance, muscular strength & endurance, speed, plyo-metric power and nutrition. The coaching staff is well educated in the latest techniques to improve athletic performance. From late November through late February the PVI Baseball Staff coordinates camps for the players at local indoor baseball facilities. Players have a chance to improve skills with the coaching staff and prepare themselves for the upcoming season. In the summer, the staff co-coordinates at least 1-2 weeks of baseball camps in order for players to once again improve skills in the presence of PVI coaches and college coaches. The staff also produces a master schedule of PVI players’ summer teams and makes regular visits to summer games.

The staff monitors academic progress year round through communication with the Dean of Academics and regular checks by the head coach on the school’s intranet grading system. Players are typically referred to tutors and teachers who provide assistance if necessary. A major emphasis is placed on the idea of academic performance strengthening athletic performance. Players often attend after-school study hall with the coaching staff throughout the course of the season. This not only gives the players extra-time for schoolwork, it also further emphasizes our philosophies. The Principal, the Dean of Students and the Dean of Academics also visit the players once a year during practice to make sure each student-athlete fully understands the expectations of the institution.

Coaches meet with players before the season to set roles and goals. Following the each season, players have a post season meeting with coaches to set new goals. The idea is to continue successes and improve upon weaknesses. Coaches also meet with players and parents to discuss college options. The coaching staff provides information on college recruiting, NCAA rules & standards and a realistic expectation for all interested players. The coaching staff is in constant contact with colleges throughout the country to ensure that every player who wants to go to the next level can get there.

“The PVI Way” takes high school baseball to a new level. The PVI coaching staff brings a collegiate approach and a professional approach to the program. The high standards, academic monitoring, personal interest in each player, study halls, off-season conditioning and organized practices mirror the protocol for college baseball. Players are told “If you want to be a pro, act like one now”. On that accord, our coaching staff makes every effort to run a program on a professional level. Although well experienced, the coaching staff is always looking for professional development opportunities. By attending clinics and collaborating with other high school coaches, college coaches and professionals, the PVI Staff focuses on properly teaching fundamentals with the latest techniques and the finer nuances of the game.

Section 6

A Staff with Experience, Integrity & Connections

Now in his 16th year at PVI, **Head Coach Billy Emerson** and his staff have established Paul VI Baseball as one of the most successful and respected programs in America.

Panther Baseball is a family. Paul VI has maintained an amazing group of assistants for years. Assistants at the JV and Varsity levels bring years of high level playing and coaching experience to the program. The program features two alumni/former players, Matt LaBarge '10 and Ben Garner '11 who have returned to coach at Paul VI after college baseball careers. **Consistency breeds success!**

The baseball staff is loaded with professionals who take their positions very seriously and realize the impact that their actions and decisions make on young lives. The staff also believes in the principles of a Catholic Education and focuses on using baseball as a tool to teach important life lessons. The coaches strongly believe in a wholesome, family atmosphere. Players at PVI aren't simply looked at as baseball players; they are members of a family and each member is just as important as the next. Success off the field is clearly evident as well. Grade point averages rise as rapidly as winning percentages and the Panthers have built a reputation as a dedicated, respectful and hard working group of young men.

The PVI Baseball Coaching Staff includes:

- 3 former college baseball players, 2 former pros, and one former major league scout.
- 2 Paul VI Alums.
- 9 college degrees, including 3 master's degrees.
- 2 certified strength and conditioning instructors.
- 4 coaches certified in first aid, CPR, and life saving techniques.
- 3 coaches who are married with children.
- Over 100 years combined coaching and teaching experience

Paul VI baseball has a rich history of sending players to the next level. Since 2003, that tradition has simply grown stronger. Along with numerous "walk-on" invitees, **the PVI staff has helped dozens of PVI players land a college roster spot.** First and foremost, PVI baseball players will go on to college. Secondly, if the player is willing to find the "best fit," he will go on to play college baseball.

See pages **24-25** in this media guide for a list of players who have gone on to play college baseball and beyond.

WHAT THEY'RE SAYING ABOUT PVI BASEBALL...

"Paul VI is the best baseball program I've ever been associated with. From the experience of our coaches, to the level of competition, to our off-season workouts; this is a high school program that rivals a top college program. I am very grateful for my experiences at PVI."

- Alex Gregory
Infielder, Class of 2005
All-Met in 2005, All-State in 2004 & 2005, All-WCAC in 2004 & 2005,
Co-MVP 2005, Four Year Starter at Radford University. Drafted by
the New York Mets, 17th Round, 2009.

"Paul VI is a program that will continually produce good players, good students and good people. Billy Emerson and his staff are well experienced in every aspect of running a high quality operation. I've seen the highs and lows of high school programs throughout the country and anyone who has the chance to play at PVI should feel blessed."

- Bill Buck
Regional Scout, Detroit Tigers, Retired
2002 Mid-Atlantic Scout of the Year, Mid-Atlantic Hall of Fame

"It's a pleasure watching PVI play baseball. It's refreshing to go to a high school game where people do things the right way. PVI kids play hard, hustle and compete... all the qualities needed to be successful in life. Hats off to the coaching staff for being good mentors to young people and ambassadors of the game."

- Karl Kuhn
Pitching Coach, University of Virginia
2015 National Champions

"Billy was an easy player to coach because of his desire to win and passion for the game. I'm not surprised to see him running a successful program."

- Dayton Moore
GM & Vice President
Kansas City Royals
2015 World Series Champions
