

## Pioneer Field Hockey

Please consider supporting one of the winningest programs in Pioneer High School's history! Since the program began in 1978, PFH has won numerous State Championships, including a three-peat from 2014-2016. PFH is one of the only programs in the state that independently funds a second JV team, giving every athlete interested in field hockey the opportunity to develop playing and leadership skills, regardless of experience level.

Many PFH athletes become so inspired that they continue to play at the collegiate level, and return to Ann Arbor to help coach youngsters through local Rec and Ed programs, Ann Arbor field hockey clubs and PFH. It all comes full circle for many of these young women!

## 2020 fundraising update

While Michigan Field Hockey players were lucky to be able to compete last year in a modified fashion, fundraising was curtailed due to the pandemic. We need to rely on our wonderful community now more than ever to help keep our tradition of excellence alive and to allow us to fund 3 distinct teams, Varsity, JV Purple and JV White.

**Please consider helping us reach our fundraising goal of \$12,000 in 2021!**

If you would like to sponsor PFH, please see the back of this document for details.

We are grateful!
