On behalf of the athletes and coaches who are

Portage Central Baseball,

THANK YOU

for your support!

NEW COACH + NEW ENERGY INFLUENCED WITH A PROUD TRADITION OF SUCCESS

The Mission of the Baseball Boosters has been, and will continue to be, "to enhance the experience for baseball student athletes at Portage Central".

Through corporate support and other fundraising efforts conducted throughout the year, much needed equipment, uniforms and field improvements have been made. Participation scholarships have also been provided to players.

Portage Central Baseball presents a great opportunity to get your business in front of an active, passionate audience of families located throughout Portage, West Michigan, and beyond. If you want your business to be part of the action, then our sponsorship opportunities are for you!

Our outfield signs are embedded into the action ensuring maximum exposure before all baseball players and fans during the high school, summer and fall baseball seasons. In addition, all contributions are now tax deductible! Most importantly, your organization will be appropriately recognized as a supporter of our young people and our community.
