

Tallmadge HS Traffic Flow & Parking – 2022 Football Season

Closed — Incoming Traffic → Exiting Traffic → Student Drop-off/Pick-up ○

SEE PAGE 2 FOR WRITTEN INFORMATION RELATIVE TO MAP

Campus Entrance: Vehicles must enter the Tallmadge HS campus from either the south entrance on N Munroe Road or the entrance off of East Avenue. (The north entrance to the campus on N Munroe Road will be closed.)

Campus Road Closures: There will be three road closures on the high school campus. The north entrance to the high school campus on Munroe Road will be closed and the main parking lot entrance to the access road that travels between the school and stadium will be closed. These two closures will allow the access road to remain free of most traffic while spectators walk into the stadium (with the exception of visiting team buses and traffic for reserved parking). The other closure will be at the entrance to the circular drive in front of the school.

Parking Lots Available:

- High school student lot (Main Parking); enter from N Munroe Rd. or from access road off East Ave.
- Tallmadge Rec Center lot; enter from N Munroe Road or from access road off East Ave.
- Tallmadge Lutheran Church lot; enter from access road off of East Ave. (*spectators are not permitted to park in Kings Kids After-School parking area*)
- Tallmadge United Methodist Church lot; enter from N Munroe Rd.
- Munroe Elementary lot; enter from N Munroe Rd.

PARKING IS PROHIBITED ON ANY GRASS AND ON THE SIDES OF THE ACCESS ROADS ONCE YOU ENTER THE HIGH SCHOOL CAMPUS.

Handicap Parking: Handicap parking is available directly in front of the stadium OR on top of the hill behind the home side Press Box. In order to park in these spots you will need to drive into the main parking lot and proceed to the Vehicle Pass Gate where you will then be directed on how/where to park. The Vehicle Pass Gate is located at the access road closure in the main parking lot. *You are only permitted to park in handicap spaces with a proper handicap sticker displayed in your vehicle.*

Handicap spectators parking in front of the stadium will be able to watch the game from the wheelchair accessible ramp at the bottom of the home or away stands. They will also have access to the concession stand and restrooms in the Field House.

Handicap spectators parking on top of the hill behind the home side Press Box will watch the game from the wheelchair accessible bays at the top of the home side stands. They will have access to a portable restroom at the top of the stands but not concessions. Runners from the concession stand will be available to take orders/bring food to handicap spectators at the top of the home side stands.

Student Drop-off/Pick-up: If parents are not accompanying their students at the game, the drop-off/pick-up lane for students will be in the student parking lot cut-out in front of Door #27. This is the same location where students are dropped off and picked up by parents before and after school.

Entering Stadium and Tickets: Spectators can enter the stadium in one of two locations. Ticket sellers and takers will be posted in both locations. The main entrance is located in the stadium plaza at the southwest corner of the stadium (next to access road). The secondary entrance is located at the top of the hill behind the home side Press Box.

Exiting After Game: Spectators will exit the high school campus the same way that they came in.

If you have any questions regarding traffic flow or parking for 2022 home football games, please contact the Tallmadge High School Athletic Office at (330) 633-6956.
