Dear Prospective Rocket Football Player and Parent:

In an effort to help with the transition from middle school to high school, we will have a meeting on Monday, June 6, 2016 at 6 p.m. in the High School Gymnasium. We are eager to work with the incoming class and help them succeed at RBCHS, and we believe this meeting will help cover a great deal of information and answer many questions.

At the meeting we will cover:

1. Introduction of staff.
2. Team Rules
3. Homework and time management.
4. Off-season structure, times, and expectations.
5. Fall practice schedule.
6. Equipment care and distribution.

Our efforts are to not only help players succeed on the football field, but to help them develop the skills necessary to be successful in all facets of life. We want to provide the student/athletes the opportunity to grow and excel in an intense and demanding atmosphere to prepare them for their lives after high school, all while having fun playing the game of football.

We have also attached the important date's sheet that was distributed at Freshmen Open House. For other important information and dates, please follow the football program on Twitter @RBCHSFootball

If you have any questions or concerns, please contact Coach Elder at the following:

Remember, it's a GREAT day to be a Rocket!

Sincerely,

Patrick R. Elder
