

RIVERSIDE BASKETBALL SHOOT – A – THON 2015

Athlete: _____

Team: _____

The **Riverside High School Basketball Team** is conducting our Shoot–A–Thon to generate additional support for our program. Our players are committing countless hours on the court and in the weight room to not only become better athletes, but to demonstrate the work ethic, sacrifice and commitment necessary to become productive citizens.

In today’s economic times and shrinking athletic budgets, it is difficult to cover our considerable expenses. While we have a beautiful facility and school, our program has **no operating budget**. With your help, we can continue to advance and improve our basketball program as one of the best in our county, and eventually, one of the best in our state.

I would very much appreciate your sponsoring me in my Shoot–A–Thon. I participate in an intensive conditioning and practice regimen that requires a tremendous amount of dedication and preaches our core values of **HARD WORK AND DEDICATION** as I strive to be a better player and a better person.

All sponsor information will be held in strict confidence. You may either donate a set amount per shot made (100 free throws will be attempted) or you can make a flat donation. Thank you for your initial and continued support in my athletic endeavors.
