

VHSL OFFICIALS' REGISTRATION PROCESS – SWIM/DIVE

The Virginia High School League has implemented a new on-line officials' registration system, called WHISTLE. We are also using this platform for testing and on-line rules clinic administration. All swim and dive officials must register with the VHSL through WHISTLE, accessible from the "Officials" page of the VHSL website (<https://www.vhsl.org/officials/>). Members of Virginia Swimming and/or Potomac Valley Swimming will pay a \$30.00 registration fee (membership will be verified with these organizations). The fee for individuals who are not members of one of these organizations is \$45.00. Rules books will be mailed to you once you have registered. Meet referees and starters for all VHSL meets must register, view the on-line rules clinic, and successfully complete the NFHS rules exam with a score of 85% or better. All officials who wish to be eligible for region championship meets or state championship meets must also register, view the on-line rules clinic, and successfully complete the NFHS Swimming & Diving Rules Exam with a score of 85% or better. Please note that USA Swimming "Certified" stroke and turn inspectors are exempt from the NFHS rules exam requirement to serve as stroke and turn inspectors in VHSL meets.
