

2016/2017 SCHEDULE

Practices: All practices are closed and not open to the public or parents. You may notice that we are in Belmont Ridge Middle in combination with Riverside as a result of other sports that also need gym space.

*In the event of inclement weather, please keep up to date with the local news TV channels, and consider joining the text list for LCPS.

*Please pick up your athlete in the back parking lot of RHS after practices and games
