## Guidelines for Team Waves - MHSAA REGIONALS

Teams are grouped by average 18-hole regular season team score, then players are placed based on ranking within team.

- 1) Team waves will be used for all levels of the MHSAA tournament.
- 2) Prior to the Regional tournament, each coach will rank order the teams five probable golfers (substitutions can be made up to 30 minutes prior to tee-time). The coach will ALSO submit his team's average 18-hole team score prior to the Regional tournament.
- 3) The five players from the best four teams (according to average 18-hole team score) will play in the first 5 groups. The next five groups will be made up of the 5 players from the next four teams, and so on until players from all teams have been placed in groups.
- 4) The #1 golfer from each of the top four teams constitutes the first group. The #2 golfers play in the second group, and so on until the first 5 foursomes are filled. The #1 golfer from the next four best teams constitute group #6. Continue this pattern until players from all teams have been placed.
- 5) After all team members have been grouped, place the individual players next. The Tournament manager may place the groups of Individuals at a starting whole of his/her discretion (before the first team wave, between waves, or after all team waves).
- 6) Use a shotgun start and place the top group on starting hole #1, group two on #18, group three on #17, etc.

### EXAMPLE

**STEP 1:** Rank order the teams in the Regional by average 18-hole team score:

Western HS - 301 Avg.	Kennedy HS - 315	Mountain HS - 343 Avg.
King HS - 304 Avg.	Avg. East HS - 316	Central HS - 345 Avg.
Lincoln HS - 308 Avg.	Avg.	
	Union HS - 325 Avg.	

**STEP #2:** Place the teams with the best four 18-hole team score average in the first five groups. Foursomes are based on the coach's rank order of players. After the first four teams are grouped, place the next four teams. Finish by placing all those competing as individuals.
