

ATHLETIC REGISTRATION FOR SALINE AREA SCHOOLS

2023 - 2024

General Facts (sports offered, tryout/season start dates, and head coach email addresses) about SAS Athletics can be found here: [Saline High School](#) and [Saline Middle School](#). Please note, 6th grade sports and some other MS and HS sports are run through Community Ed, not Saline Athletics. Registration for those programs, and more information can be found [HERE](#).

Option 1: You participated in SAS Athletics last school year

An updated physical exam, signed forms, and payment in [RevTrak](#) all must be submitted before the first day of practice/tryouts and only needs to be filled out one time per year. You can find the registration website [HERE](#). If you participated in athletics last year, you will just need to make this year's payment, upload a physical (dated after 4/15/23), and sign the registration and insurance consent forms in both the parent and student accounts; the forms can be found under "Athletic Forms." Please update the sports interest check boxes as needed.

Option 2: You did not participate in SAS Athletics last school year

1) If you are in grades 7-12 this year and you were registered in Saline Area Schools before the start of the 2022 - 2023 school year, you already have an account in BigTeams. Please follow [THESE](#) instructions to set up your BigTeams accounts.

2) Each student must electronically submit a physical **dated after April 15, 2023** [through](#) Big Teams as mentioned in the link above. Completed physicals may be submitted into your Big Teams [account](#) by scanning or taking a picture with a smartphone of **ALL pages** of the exam. The physical exam must be received **BEFORE** a student's first practice/tryout. **There are no exceptions**, as it is a safety issue as well as a MHSAA mandate. Paper copies of the physical will NOT be accepted by coaches; please upload the physical to your student's account.

Blank MHSAA forms can be found at salinehighschool.bigteams.com under the "Files & Links" tab and [HERE](#).

* Note: Options for getting a Sports Physical:

- See your own pediatrician for a full exam after April 15, 2023 but before their respective season start date
- [Trinity Health](#), [Springfield Urgent Care](#), [AFC Urgent Care](#), Urgent Care, Concentra, etc. all offer same day appointments, and/or walk in Sports Physicals for approximately \$30. These are great options if a student can't get into their regular doctor before the season starts or they have insurance complications.

3) Payment for participation in athletics is made through [RevTrak](#); directions for payment are [HERE](#). This is a one time fee, per school year.

Option 3: You are new to BigTeams

If you are new to the district or are a 6th grader this year you will need to create parent and student accounts in BigTeams. The same requirements are needed as returning students, but [THESE](#) instructions will help walk you through the registration process. If you already have a parent account from another child, please do not create a new parent account, just link with the new child's account..

A [MHSAA New Student/Transfer Form](#) must be filled out by any student in 10th, 11th or 12th grade who is **new** to Saline Area Schools this year before they can compete for Saline. Additionally, any 9th grader new to Saline Area Schools who enrolls after August 29, 2023 is a transfer student and would need to complete the MHSAA New Student Form. Please return the completed form to the Athletic Director, Ashley Mantha (manthaa@salineschools.org) to make sure a student is eligible to participate in Saline Athletics this school year.

****If you have any questions or are struggling with registration please contact Tiffani Harris (harrist2@salineschools.org)****
