

Swim and Dive Team Sponsorship

We know our swim and dive families support the LBMS/SHHS athletes 100% so why not participate in this “100% fundraiser”? In addition to our FanCloth sale (where a percentage of profits is given to our team fund), we are offering the opportunity to support our team with a nice, simple donation. This is a great way to assure that ALL of the funds you put into the program go DIRECTLY to the support of our student athletes. In the past, funds have been used for such things as purchasing warm-up uniforms, providing meals for our athletes at out-of-town meets, and helping to cover the cost of the end-of-the-year banquet. This year we are considering funding the rental of the Kingsport Aquatic Center for diving practice.

Unlike other teams, we never charge admission or parking fees at our swim & dive meets. Any amount you donate stays here to help our athletes and coaches have a successful year!
