Hello Swim Families!

Each season, the SHHS Swim and Dive Booster Club Board looks for fundraising opportunities that are simple, but financially viable. Based on past year's feedback and support, we are excited to offer sponsorship opportunities again. This is our primary fundraiser. If you have ideas for a potential sponsor but prefer not to ask them directly, please let one of the board members know and we will be happy to pursue the opportunity.

Thank you for your support! We are excited and ready for another great season.

See you at the pool.
