

2017 Somersworth High School Football

Information and Expectations

Welcome to the 2017 Football Season! Welcome back current high school players and welcome incoming freshman. The high school football season starts early and it is important for players and parents to understand the expectations of being part of the team.

First, we are proud that Somersworth High School Football does not require a pay to play fee from the players. The SHS Boosters coordinates several fundraisers to cover the cost of the pay to play fees, which is approximately \$350 per player. We believe it's important to continue this to ensure all kids can play.

With that, there are expectations. Players are expected to participate in all fundraising activities to help cover the cost of pay to play. Included in the registration information is a master calendar of events for the season. Please plan ahead to ensure players can attend all activities and notification must be made directly to me to discuss conflicts.

There are a few things that require payment. Payment of \$215 covers the cost of the annual football camp, away game meals and strength & conditioning program:

- \$100 payment required at registration
- Remaining \$115 is due prior to practice starting on August 3
- There is an incentive credit of \$50 toward the second payment if players participate in 75% of the conditioning program. (Attendance will be taken and credits issued appropriately)
- Including the incentive credit, payment this year increased only \$10 from last year

Checks can be made payable to Somersworth Football Boosters or we accept credit card payments. Please refer to the payment contract for additional details.

We are partnering with Rehab 3 Center for Athletes to provide a 6-week strength and conditioning program for all players every Monday and Wednesday from 6-8 pm June 26 – August 2. Center for Athletes is located on Rt. 108 in Somersworth and players are responsible for transportation to and from the program.

Players are expected to follow the Somersworth High School Code of Conduct, meet SHS and NHIAA grade requirements, and attend all fundraising activities, practices and games. Players are also expected to dress in dress attire for away games, including dress pants, dress shirt and tie.

Parent volunteering is important to ensure our events are successful. Our booster organization includes several parent volunteers to run all fundraising activities, Varsity and JV game coordination, Game Day Pictures, Social Media Updates, Ad Book, Parent/Player communication and lots more. We appreciate parents volunteering for at least one assignment on game day. If you would like to join the boosters, email us.

Communication to players and parents is done via email and Remind. Remind is a phone app to get real time updates. Remind messages are specifically aimed at reaching players, however parents are encouraged to sign up as well. All players are responsible for getting these messages.

Simply text the message @hodsdon to the number 81010. If you do not have a smartphone you can get the same messages via e-mail type rmd.at/Hodsdon into your computer/tablet web browser and follow the prompts.

To access schedules, program contact information, off-season camps and all forms that players and parents need, visit www.somersworthhilltoppers.com and follow prompts for “Varsity Football” under “Fall Sports”.

Being part of a high school sport is a commitment, both on and off the field. I look forward to a great season and working with the players to continue to build their skill, knowledge and love of the game.

Head Coach Dan Hodsdon
