South Lyon Cheerleading Rules, Procedures, & Agreements

Academics

1. All team members must have 2.2 GPA or higher. Those who are below the 2.2 GPA mark will be inactive cheer team members.

Attendance—this is the MOST important aspect of this packet! Missing practice results in your ENTIRE TEAM suffering so it is important to attend ALL practices!

1. Excused Absences

Attendance is crucial for a team's success; however, we understand there are times absences will be unavoidable. **For an absence to be excused the student's coach must be informed at least 24 hours in advance and IN WRITING (email or note). WORK IS NOT EXCUSED!**

3 excused absences = sitting ½ game

4 excused absences = sitting out 1 game

5 excused absences = dismissal from team

2. Unexcused absences

If the athlete's coach does not know about an absence 24 hours in advance the absence will be unexcused.

1 unexcused absence = sitting ½ game

2 unexcused absences = sitting out 1 game

3 unexcused absences = dismissal from team

Please note, missing 1 hour of a practice will count as an absence.

Missing practice because you have to work is NOT excused.

Practices/Competitions

1. Team members are expected to be dressed and ready for practice/competitions at designated time. THIS MEANS: **HAIR UP, SHOES ON, and JEWELRY OFF!** No nail polish at competitions—this is a penalty from the safety judges! Also, **NO LONG NAILS** for stunting safety.
2. Arriving late or leaving early from practice will result in extra conditioning or sitting out of games/competitions. **Not being READY for practice before the start time means you are LATE because then you can't help with mats!**
3. You must be wearing the designated attire for the practice or game/competition.
4. Uniforms are the property of South Lyon Community Schools and must be maintained by each athlete. If uniforms are lost or damaged, the athlete to whom the uniform was last issued must pay for the cost of replacement or repairs. Team members are responsible for the purchase of their own socks, shoes, briefs, mocks and any other "team" equipment.
5. Cheer team members must show good sportsmanship at all events and contests.
6. Positive attitudes are a must! Negative attitudes (including shouting at others, cursing, disrespectful behavior, etc.) will result in disciplinary action.
7. All athletes must respect all members of the coaching staff! Disrespect will not be tolerated. The coaches reserve the right to apply any additional rules and consequences as the need arises.
8. Your commitment to the cheer program and your team must come first before any other extra-curricular activities during the season.

9. Cell phones will not be allowed during practice or at games. If parents need to contact athletes for emergency issues, they may call the coaches. Coaches reserve the right to collect all cell phones.

10. **BUS:** You are expected to ride to and from a game/competition on the bus with the team if one is provided. Only extreme exceptions will be made and must be arranged with coach 48 hours in advance.

11. **Any athlete who does not behave in an appropriate manner to be representing SLHS and the community (including illegal use of alcohol or other abusive substances, smoking, disrespectful behavior, insubordination, or any other behavior deemed inappropriate) will be immediately dismissed from the program.**

12. All student athletes within the cheer program will conduct herself with due regard to the public decorum and morals. She shall not commit any act that indicates dishonesty or moral degradation or that otherwise could injure the student or program's reputation. This includes any online activity.

Attire

⤴ When in uniform you may only have white tennis shoes and jacket, and/or yoga pants. You may not wear any other type of shoe, coat, or pant with the uniform **at any time** unless otherwise instructed by your coach-EVEN TO SCHOOL!

⤴ When athletes are required to wear their uniforms to school they **MUST** wear their yoga pants. Failure to do so will result in disciplinary action.

⤴ Shorts and appropriate practice shirt must be worn to practice with hair up and out of the face. All jewelry must be removed.

⤴ No acrylic nails.

Financial Obligations

THERE IS AN EXPENSE SHEET POSTED ON OUR WEBSITE. Please refer to website for reference.

Group fundraising is also a mandatory aspect of being a cheer team member. Fundraisers will be held to support all cheerleaders with costs such as camp, homecoming activities, food tables, etc. Participation in fundraisers is mandatory! Fundraisers include GOLF OUTING and Little Girls Clinic.

INDIVIDUAL fundraisers may be held depending on interest of parents. ALL INDIVIDUAL FUNDRAISING needs to be completed before August because all individual costs are due in July or August, so in order for the funds to be applied to individual accounts they must be completed before then. This will be discussed at the parent meeting in June.

TEAM GYMNASTICS: Team gymnastics is highly encouraged by all members of the cheerleading teams. During this time the girls will work on team coordination and team tumbling, as well as receive one on one instruction. IF YOU DO PRIVATE GYMNASTICS LESSONS you are still required to attend this and do conditioning, jumps, and flexibility and not pay the \$12.00.

1 day a week: Gymnastics for 1 hour—cost is \$12.00 each week & one-time fee \$30

Tentative Schedule for sideline season:

School Work/Extra Help/Study Hall

We believe that school comes first! We will be having study hall built into your schedule at least one day a week, maybe more. This gives the girls a chance to ask for help from other cheerleaders or visit teachers for help in their classrooms. Scheduled study hall will NOT be optional and girls are expected to arrive within 5 minutes of the dismissal bell. WE ENCOURAGE girls to go see individual teachers during this time. **They need to text their coach to let us know where you are, bring a note back to practice, and arrive to practice on time if they see an individual teacher.**

If a cheerleader needs further assistance outside of study hall to meet with a teacher, they need to do the following:

1. Schedule the meeting with the teacher on an off day if we have one that week
2. See that teacher during study hall that week as well

For example: If I am struggling with math and I want to come late to practice on Wednesday I need to make sure I am seeing that teacher during study hall time and if we have a day without practice that week I need to first schedule a meeting that day. If further assistance is still needed, then you may text your coach to ask if you can come late to practice because you are meeting with a teacher. The same goes for test make ups.

We have this in place so that girls are taking advantage of every opportunity to see their teachers outside of practice before interfering with the practice schedule. We do understand that sometimes this is simply not enough time and we will make accommodations.

Communication Guidelines

Parents/guardians and athletes will frequently be sent calendars, notifications, and/or newsletters. It is ultimately the athlete's responsibility to see that their parent/guardian gets these documents but everything will also be posted on our website at **www.southlyoncheerleading.webs.com**. You may also check the twitter for the latest announcements.

Our twitter account name is SLHSCheer.

Parent meetings and booster meetings are also extremely important. These meetings give important information that parents/guardian will need to know.

Please note that all practices are closed. No one (siblings, friends, parents, etc.) will be allowed in the practice facility during practice time; therefore, issues cannot and should not be addressed during scheduled practice time.

Before contacting the coach, it is encouraged that your daughter talks with her coach if possible. The girls are young adults and learning how to talk about issues with their coach will better prepare them for possible situations in the future :)

If you have a question, conflict, or idea please follow the following steps:

Step 1: Contact your athlete's coach as soon as the question or conflict arises.

Inappropriate times to contact coaches:

- Immediately before, immediately after, or during games.
- Immediately before, immediately after, or during practices without prior arrangements.
- In a public setting--**such as at a SLHS athletic event**

Appropriate ways to approach coaches:

- Phone or email coach to discuss issue or ask questions
- Phone or email coach to set up a time for an appointment if issue is more than a quick question
- Please refrain from calling the coaches after 8:00pm or on Saturday and Sunday.

Step 2: If you do not feel as though your issue was handled correctly at that level, please make an appointment to see the head coach of the sport.

Step 3: If you do not feel as though your issue was handled correctly at that level, please make an appointment to see the athletic director.

* Please note, skipping steps in the chain of command will result in confusion and you will be directed to go back to the beginning. We welcome the opportunity to discuss our program with you. **WE STRONGLY ENCOURAGE OPEN COMMUNICATION! We can't solve problems that we don't know about!**

Additional Important Information

- We ask that you do your best to plan events and appointments so that they do not interfere with games, performances, or practices. You are allotted a set number of absences... please use them wisely!
- All athletes are expected to show respect, courtesy, and support to others. A positive attitude is required!
- GRADES COME FIRST! See your coach if you are struggling academically so arrangements to attend tutoring, homework make-up, etc. can be made.

All cheer team members receive many valuable and rewarding experiences from being a part of this program, experiences they will remember long after they graduate from high school. These activities will not only channel their enthusiasm in a constructive and beneficial manner, but will give them a sense of pride and accomplishment in being a part of a group that is hard-working and respected. Cheerleading is not a social group, nor does it mean instant popularity; it is a form of character-building and physical development which requires a lot of hard work and dedication. Because it is a physical activity, it also involves a risk of physical injury. When making your decision regarding whether or not to try out, please be aware of this risk.

.....

Please sign below stating that you agree to the terms for participation in the cheer program. By signing, you have fully read the rules and expectations and agree to abide by them and enforce them. There is an understanding these will be strictly held, and proper procedure will be followed. All fees and documents will be submitted by the assigned dates. Please detach and return, and retain the copy of the above rules, procedures, and agreements for your reference.

South Lyon Community Schools Athletic Department Participation Fee & Expectation Form

Parent/Athlete Expectations

The administration and staff of our school, LVC and MHSAA schools wish to make it clear that school sponsored sports are an educational activity. Athletes, parents, and friends must be aware of our school's expectations with regard to sportsmanship. Unlike professional sports, attendance at an educational activity does not entitle one to verbally abuse the contestants, coaches, officials or opponents. **As a spectator we expect** that you will maintain good sportsmanship or refrain from attending athletic events.

- * It is expected that as participants and spectators, we will support in a positive way our own team remembering that the athletes, coaches, and officials are not perfect and will make mistakes. Negative, derogatory cheers or actions aimed at either team are not acceptable in educational athletics.
- * It is expected that you will accept the decisions of the officials without vocalizing disagreement. Officials are an important part of an educational activity. We are sending the wrong message when we challenge or abuse the game official sent to our school to administer these educational activities.
- * At all times it is expected that we will respect one another, adults and students alike. This especially includes opponents and officials, without whose involvement, sports contests would not occur.

Code of Conduct

Athletes are expected to follow and abide by the rules of both the **Student and Athletic Code of Conduct**. The Student Code of Conduct remains in effect during all extra-curricular activities. The Athletic Code of Conduct is a **year round** document that applies to all student-athletes. It is the responsibility of the student athlete and their parents (guardian) to become familiar with the specific rules and regulations for each sport, additional rules set forth by the coach, as well as the general policies set forth by the Student and Athletic Code of Conduct. The Athletic and Student Codes of Conduct are both located in the student handbook. The Athletic Code of Conduct can also be found on the athletic website or in the athletic office.

Participation Fee

The interscholastic athletic programs offered by the South Lyon Community Schools are entirely voluntary programs based on activities outside a student's academic school day. The Athletic Department programs are part of the school's extra-curricular activities and afford students the privilege of participation in competitive interscholastic sports. As such, participation in athletics for the South Lyon Community Schools **is a privilege, not a right!**

High School Fee: \$175 per athlete, per sport.

Middle School Fee: \$85 per athlete, per sport.

Middle School 6th Grade Fee: \$40 (Home events only – Includes Cross Country / Track & Field)

1. **Check or Money Order only, payable to: South Lyon Athletics.**

****Please include athletes name in the memo box****

A FEE OF \$40 WILL BE ADDED FOR ALL RETURNED CHECKS

2. **Fee must be paid BEFORE the first contest.**

After the first week, the athlete CANNOT play or participate until the fee is paid.

Refund Policy: Partial refund consideration will be given to individuals who are physically unable to complete the remainder of the season.

Voluntary withdraw, lack of playing time, or disciplinary suspension will not be the basis for the refunding of fees.

I have read and understand the “**Expectations**”, “**Code of Conduct**” and “**Participation Fee**” policies set forth by the South Lyon Community School District.

WHAT IS A CONCUSSION?

A **concussion is a type of traumatic brain injury** that changes the way the brain normally works. A concussion is caused by a fall, bump, blow, or jolt to the head or body that causes the head and brain to move quickly back and forth. A concussion can be caused by a shaking, spinning or a sudden stopping and starting of the head. Even a “ding,” “getting your bell rung,” or what seems to be a mild bump or blow to the head can be serious. A concussion can happen even if you haven’t been knocked out.

You can’t see a concussion. Signs and symptoms of concussions can show up right after the injury or may not appear or be noticed until days or weeks after the injury. If the student reports any symptoms of a concussion, or if you notice symptoms yourself, seek medical attention right away. A student who may have had a concussion should not return to play on the day of the injury and until a health care professional says they are okay to return to play.

IF YOU SUSPECT A CONCUSSION:

- 1. SEEK MEDICAL ATTENTION RIGHT AWAY** – A health care professional will be able to decide how serious the concussion is and when it is safe for the student to return to regular activities, including sports. Don’t hide it, report it. Ignoring symptoms and trying to “tough it out” often makes it worse.
- 2. KEEP YOUR STUDENT OUT OF PLAY** – Concussions take time to heal. Don’t let the student return to play the day of injury and until a health care professional says it’s okay. A student who returns to play too soon, while the brain is still healing, risks a greater chance of having a second concussion. Young children and teens are more likely to get a concussion and take longer to recover than adults. Repeat or second concussions increase the time it takes to recover and can be very serious. They can cause permanent brain damage, affecting the student for a lifetime. They can be fatal. It is better to miss one game than the whole season.
- 3. TELL THE SCHOOL ABOUT ANY PREVIOUS CONCUSSION** – Schools should know if a student had a previous concussion. A student’s school may not know about a concussion received in another sport or activity unless you notify them.

SIGNS OBSERVED BY PARENTS:

- Appears dazed or stunned
- Is confused about assignment or position
- Forgets an instruction
- Can’t recall events prior to or after a hit or fall
- Is unsure of game, score, or opponent
- Moves clumsily
- Answers questions slowly
- Loses consciousness (even briefly)
- Shows mood, behavior, or personality changes

CONCUSSION DANGER SIGNS:

In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. A student should receive immediate medical attention if after a bump, blow, or jolt to the head or body s/he exhibits any of the following danger signs:

- One pupil larger than the other
- Is drowsy or cannot be awakened
- A headache that gets worse
- Weakness, numbness, or decreased coordination
- Repeated vomiting or nausea
- Slurred speech
- Convulsions or seizures
- Cannot recognize people/places
- Becomes increasingly confused, restless or agitated
- Has unusual behavior
- Loses consciousness (even a brief loss of consciousness should be taken seriously.)

HOW TO RESPOND TO A REPORT OF A CONCUSSION:

If a student reports one or more symptoms of a concussion after a bump, blow, or jolt to the head or body, s/he should be kept out of athletic play the day of the injury. The student should only return to play with permission from a health care professional experienced in evaluating for concussion. During recovery, rest is key. Exercising or activities that involve a lot of concentration (such as studying, working on the computer, or playing video games) may cause concussion symptoms to reappear or get worse. Students who return to school after a concussion may need to spend fewer hours at school, take rests breaks, be given extra help and time, spend less time reading, writing or on a computer. After a concussion, returning to sports and school is a gradual process that should be monitored by a health care professional.

Remember: Concussion affects people differently. While most students with a concussion recover quickly and fully, some will have symptoms that last for days, or even weeks. A more serious concussion can last for months or longer.
