Support Staff will include assistant coaches,  
current players and parent volunteers  
and helpful community members!

### **Coaching Experience**

The Biddy Ball staff members have many years of basketball coaching and instruction experience in both boys' and girls' basketball. Assisted by current players and assistant coaches, they will provide a learning opportunity specific to the fundamental skills to experience basketball success.

### **Biddy Ball Activities**

Players will receive instruction on the fundamental basketball skills needed for individual and team play. The emphasis will be on building skill development as well as creating an age appropriate competitive atmosphere.

### **Included in Registration Fee**

All players will receive pre-game instruction by high school basketball players and volunteer coaches, 6 games, and a **reversible royal St. Clair basketball practice jersey.**

St. Clair Basketball takes a great deal of pride in the development of youth players. We have tried to make adjustments the last couple years changing formats to make it a great experience for our elementary age players. Here is an overview of our formats. We want to introduce the game to as many young players as possible. No previous basketball experience is needed. We encourage new players to come out learn the game, get some exercise, and have fun!

K, 1st and 2nd Grade: Co-ed format. Focused on introducing basic skills and players having a fun first experience with basketball.

3rd and 4th Grade Co-Ed 10 Minute coached skill session before each game. Followed by a four (6 min) quarter competitive game. *No 3 pass rule!*

5th and 6th Grade Girls: Competitive games and additional practice sessions. Teams will be coached by parents and assisted by current players.

5th and 6th Grade Boys: Competitive games and additional practice sessions. Teams will be coached by parents and assisted by current players.
