

2017

STONE BRIDGE BASEBALL TRYOUT GUIDELINES

1. **Baseball Skills:** Players will be evaluated on their skills specific to the game of baseball. This includes but not limited to HITTING, THROWING, & CATCHING. During the try out process, coaches will be evaluating players to determine who will be able to contribute to the success of the Stone Bridge Baseball Program this season.
2. **Athletic Skills:** Players will be evaluated on their skills related to their athleticism and how it relates to the game of baseball. This includes but not limited to SPEED, AGILITY, & POWER. During the try out process, coaches will be evaluating players to determine who will be able to contribute to the success of the Stone Bridge Baseball Program this season.
3. **Coachability:** Players will be evaluated on their ability to receive instructions from coaches and their WILLINGNESS to learn and grow as a ball player. During the try out process, coaches will be evaluating players to determine who will be able to contribute to the success of the Stone Bridge Baseball Program this season.
4. **Projectability:** Players will be evaluated on their abilities for both this season as well as for FUTURE seasons. The Stone Bridge Baseball Program's success year after year is related to its ability to develop players who will contribute this season as well as next year. During the try out process, coaches will be evaluating players to determine who will be able to contribute to the success of the Stone Bridge Baseball Program this season as well as next season.
