year on social media. What types of items could be posted on social media? Maybe rules of the games?

5. Mary also noticed that Tuscarora posted their try-out dates for their sports. It is hard to know when try-outs are if you are not already connected to the sport. How can this communication be clearer?

Open Forum:

1. There was a discussion around offering gifts to the higher booster club members, such as stadium chairs. This might entice people to become members if there are gifts or gear that is attached to the higher membership levels. Maybe push this for the Spring? This can be discussed at the next SBBC meeting.
2. The SBBC minutes are being shared with the president and vice president of the board prior to their approval at the SBBC meeting. Does this need to be changed? Do the minutes need to be shared with the whole board and then approved at the following meeting? Jen Gonzalez will talk with Richard on how to proceed with the minutes.
3. At this time there are zero spectators for sports. Most likely there will not be spectators at the sporting events.

The meeting was adjourned at 6:33 pm by Carolyn Stevens. Mary Reilly seconded the motion.

Next Meeting Date: December 7th at 6:15 pm
