Timberline Freshman Football Parents,

The Boise School District will be following the CDH guidelines as we start having games at the school. For our home freshman football games, we are allowed to have 50 fans per school. The fans will have separate sections....Timberline fans will be using the current bleachers during the game. Masks will be required to be worn during the entire game, and social distancing adhered to.

At this time, only 2 PARENTS (and parents only) per competing athlete will be allowed to attend our games. A link to sign up for EACH home game in which an athlete's parent(s) can sign up to attend the game is listed below. Each parent will need to fill out the form individually for each game.

We will not be accepting cash at the games. We will be selling digital tickets using a program called GOFAN. You can purchase the tickets by following the link below. If you have an Iphone, you can also download the app. Once you create an account, search for Timberline High School (Boise) and then purchase your tickets.

In order to attend, you will need to be on the list *and* have a digital ticket purchased ***prior to 12:00*** pm the day of the game. Booster passes will be honored at home in place of a digital ticket.
