Timberline Volleyball Parents,

The Boise School District will be following the CDH guidelines as we start having games at the school. For our home soccer games, we are allowed to have 50 fans per school.

Masks will be required, and social distancing adhered to.

At this time, only 2 PARENTS per competing athlete will be allowed to attend our games. At the entrance, we will utilize the roster to allow 2 parents in at the gate. You will no longer need to sign up using the google form in advance. Please remember that we are only allowing PARENTS. Not grandparents, or siblings or friends. It is not 2 people per athlete, but 2 PARENTS. We need to keep the numbers at our home events to a minimum so that we stay within the CDH guidelines.

We will not be accepting cash at our home games. We will be selling digital tickets using GOFAN. The best way to access tickets is by clicking the link below. If you have an iPhone, you may also download the app.

In order to attend, you will need to have a digital ticket purchased at least 4 hours prior to the game *and* be a parent of one of the volleyball players. Booster passes, Boise School District passes, and Coaches passes will be honored in place of a digital ticket.
