Welcome to the 2017 College of Idaho Summer Soccer Showcase! The purpose of this competition is to provide high school soccer programs an opportunity to compete in the offseason against schools from different classes. It will also provide teams a way to build camaraderie and give coaches a chance to evaluate prospective and returning players.

Each team will play four games and receive two training sessions from college coaches. One of the four games will be filmed and provided to coaches to take with them.

Additionally, players and teams will be able to tour the beautiful campus and get a sneak-peek into college life and collegiate athletics, thus learning about the next steps in preparation for life after high school.
