**Summer Camp is for students grades 1-8. Incoming 9th graders are encouraged to attend the camp as participants. Registration information is attached. (For those three days, we will have conditioning practice prior from 4:00-5:30pm, then move into camp at 6:00-8:30pm.

**Conditioning Practices are mandatory for all returning and prospective players. It is imperative for students to be regularly running throughout the summer so they can come into the season properly prepared. These practices are purely strength and cardio conditioning.

**Our first official practice is August 7th. From this date till the end of the season, we will have practice every day, M-F unless we have a game or otherwise noted. V and JV designations will be made after the first initial 3 days of practice.

**Our parent meeting will be our first official introduction between parents and coaches. More details about communication, schedule, policies, and team culture will be discussed. In the meantime, if you have any questions at all, please see our contact info below.

**Our first game typically takes place on the third week of August. This means we will have played 3-5- games before the official first day of school. We just want to emphasize that the season begins long before school starts. Schedules available at warrenwoodsathletics.com
