HANDBOOK**

NICE COMMUNITY SCHOOL DISTRICT

ATHLETIC PROGRAM GOALS

A goal of any team entering a competition is to win the competition. Therefore, coaches shall make a sincere effort to allow each member of an athletic team (participating in a sport which normally allows player substitution) an opportunity to play, membership on a team does not guarantee participation in every competition.

Component sports of the interscholastic athletic program shall:

- *afford all students the opportunity to improve physical fitness through strenuous activities that are planned and supervised.
- *provide a controlled environment within which athletes will learn the significance of rules and regulations and to respect those who enforce them.
- *develop courage through the challenge of competition.
- *develop in athletes the high ideals of sportsmanship including fair play, poise and humility, pride and compassion in victory or defeat.
- *emphasize team work, team identity, and the role of each participant as a team member.
- *teach athletes to be loyal to those with whom they work and play and to the school they represent.
- *teach athletes to strive to win utilizing strength and skill developed through rigorous self-discipline.
- *cause participants to develop self-awareness by helping them strive to reach their physical and mental limits.
- *teach participants to set goals and subsequently work to achieve them.
- *foster an appreciation of the role sports may play in enhancing the quality of life.

ATHLETIC CODE

A. GENERAL REGULATIONS

Athletes and their parents (or guardians) must sign the Athletic Policy Form indicating that they have received, read, and understood the athletic policies, and will abide by, and support them. This form must be in the hands of the Athletic Director before the athlete is permitted to compete. 2. **12 months per year**
3. **for the duration of the participant's tenure at Westwood High School**

Student athletes are expected to abide by the rules and regulations in both the Student Handbook and the Athletic Handbook. However, there are additional sport and coach-specific rules and expectations that must be followed. Coaches should have a list of team rules and expectations on file with the Athletic Director for their program, and will provide a copy to the athletes and parents at the beginning of the season to be signed. Any problems that arise regarding individual sport rules and expectations should be addressed with that sport's coach and the Athletic Director, if necessary.

2. Exceptions may be made in the case of cancellations of regularly scheduled contests that are rescheduled for a later date.

L. PARTICIPATION FEE

Participation fees enable our athletic programs to be supported financially. A participation fee is not to be interpreted as a "pay-to-play" fee, and paying such a fee does not secure or guarantee playing time on athletic teams.

REGULATIONS

1. A fee of \$80 per athlete per sport is required. The family maximum ("cap") is \$300.00/year. However, if a student participates in a sport during the fall, winter and spring seasons, the participation fee would be \$40.00 for the spring sport.

P. SCHOOL DAY EXCUSES

Athletes will be excused from class if it is necessary to leave for an athletic contest. The athlete must make prior arrangements for make-up work with the teachers for the classes he or she will miss.

In order to practice or compete in athletics, athletes must be in attendance during the school day.

Occasionally due to weather conditions or bus trouble, athletes and coaches arrive back at Westwood at a late hour. All athletes are expected to attend school the next day regardless of what time you get home the night before.

Q. SEASONS OF COMPETITION

Athletes are allowed to participate in two (2) inter-scholastic sports per athletic season. The maximum number of sports an athlete may participate in, during one school year is four. In the event an athlete wishes to participate in two sports concurrently, he/she must have advanced written approval of both coaches, parent(s), and the Athletic Director.

***This decision will be final and is not subject to appeal.**

If participating in two sports concurrently, the student must designate one sport as the primary sport and one sport as the secondary sport. A student participating in one sport or in a primary sport (if participating in two sports) will not be displaced from a varsity starting lineup or from the lineup for varsity team points by a student competing in the same sport as his/her secondary sport. As an example, a student who is participating in football as a primary sport and participating in cross-country (or who has designated cross-country as a primary sport) from the varsity lineup for team points.

Procedure:

The athlete must make the Athletic Director and coaches aware of interest of concurrent participation prior to the first day of practice.

The athlete, parents, coaches, and A.D. must meet to discuss participation guidelines **if approved.**

1. Note that a student participating in a sport will not be displaced from a varsity starting line-up or from the line-up from the varsity team by a student competing in the same sport as his or her secondary sport.
2. Dual sport athletes may not participate in two varsity contests on the same day.
3. Participation in the primary sport requires attendance at both the practices and games.
4. If an event needs to be rescheduled for some reason and the rescheduled contest occurs the same day as the other sport contest, dual sport rules still apply regarding participation.
5. Dual sport athletes will pay a graduated participation fee: \$80 for the primary sport, \$40 for the secondary sport.

The Athletic Director may rescind the request during the season if the decision proves to be detrimental for any reason. ***Any decision to rescind is not subject to appeal.**

R. TRAVEL

All athletes must travel **to** and **from** athletic events in vehicles arranged for by the school.

S. TRAINING ROOM

The training room is only to be used for treatment and rehabilitation of athletics and physical education related injuries. At no time should any athlete be in the training room or use any athletic supplies without the permission of the coach.

T. REMEMBER **All** athletes must have the following on file in the Athletic Director's office before they may participate in interscholastic athletics:

1. Physical Cards (before the first practice)
2. Athletic Code/Insurance Waiver
3. Proof of insurance (stated on physical card)
4. Fees to Participate (by the first contest)

POLICY FOR TRANSFERS FOLLOWING VIOLATIONS OF A SCHOOL'S STUDENT/ATHLETIC CODE

Westwood High School will enforce upon a transfer student any period of ineligibility to which that student would have been subject because of a student or athletic code violation(s) at that student's most recent previously attended school.

A student who transfers to Westwood High School after becoming ineligible because of a student or athletic conduct code violation(s) at the previously attended school shall remain ineligible at Westwood High School for not less than the period of ineligibility imposed by the previously attended school. This would be the case even if the student's situation would otherwise satisfy one or more of the exceptions to the transfer regulation of Westwood High School and the Michigan High School Athletic Association (Regulation 1, Section 9). Previous suspension will be imposed even if the act which caused the student's period of ineligibility at the previous school would not be a violation or cause the same period of ineligibility at Westwood High School.

That student was subject to the rules and penalties of the previous school, and shall not be allowed to escape the consequences of his/her conduct and, in doing so, displace students of Westwood High School from teams, positions, events and awards until the full period of ineligibility has been served.

A student transferring with an athletic suspension that violates the Westwood High School Athletic/Student Handbook would be placed on the next appropriate step of the Westwood High School Athletic Code.

COLLEGE-BOUND ATHLETES

Athletes who are planning to participate in interscholastic athletics on the collegiate level should be aware of NCAA eligibility requirements. - **Beginning August 1, 2018**, to become a full or partial qualifier for Division II, all college-bound student-athletes must complete the 16 core-course requirement.

Test Scores

- **Division II** currently requires a minimum SAT score of 820 or an ACT sum score of 68. **Beginning August 1, 2018**, Division II will use a sliding scale to match test scores and core-course grade-point averages (GPA). The sliding scale for those requirements is shown on Page No. 2 of this sheet.
- The SAT score used for NCAA purposes includes **only** the critical reading and math sections. The writing section of the SAT is not used.
- The ACT score used for NCAA purposes is a **sum** of the following four sections: English, mathematics, reading and science.
- **When you register for the SAT or ACT, use the NCAA Eligibility Center code of 9999 to ensure all SAT and ACT scores are reported directly to the NCAA Eligibility Center from the testing agency. Test scores that appear on transcripts will not be used.**

Grade-Point Average

- Be sure to look at your high school's List of NCAA Courses on the NCAA Eligibility Center's website (www.eligibilitycenter.org). Only courses that appear on your school's approved List of NCAA Courses will be used in the calculation of the core GPA. Use the list as a guide.
- The current **Division II** core GPA requirement is a minimum of 2.000. **Division II** core GPA required to be eligible for **competition on or after August 1, 2018**, is 2.200 (corresponding test-score requirements are listed on the Sliding Scale on Page No. 2 of this sheet).
- The minimum **Division II** core GPA required to receive **athletics aid and practice as a partial qualifier on or after August 1, 2018**, is 2.000 (corresponding test-score requirements are listed on the Sliding Scale on Page No. 2 of this sheet).

**AUTHORIZATION FOR RELEASE OF PROTECTED HEALTH INFORMATION
FOR ATHLETES PARTICIPATING IN NCS ATHLETICS**

Once properly executed this Authorization will allow for the release of protected health information to the NICE Community Schools (NCS) by physicians and health care providers engaged by NCS to render services to NCS athletes participating in school activities. The purpose of the release of the protected health information is to allow NCS to determine the advisability of an athlete's continued participation in NCS athletics. An example would be the release of information on the sideline to determine whether medical services may be necessary before an athlete returns to play.

By signing this Authorization for my son, daughter or other person for whom I have the legal authority to act (hereinafter referred to as "Athlete"), I hereby authorize health care providers that are contracted with NCS to release to each other and to NCS oral and written medical information relating to the Athlete's medical and physical condition, illness or injury that may have a bearing upon past, present or future participation in athletics at NCS. The medical information should be used by NCS for the purpose of determining the advisability of the Athlete's continued participation in NCS athletics.

This Authorization is expressly bound by all of the following conditions:

1. This Authorization will automatically expire upon the Athlete's termination of participation or ineligibility in NCS athletics, except to the extent relied upon for disclosures made prior to the automatic expiration.
2. This Authorization may be revoked at any time, provided the revocation is a properly executed written document and delivered to the Athletic Director for NCS. As soon as practicable, NCS shall inform each contracted health care provider of Athlete's revocation. However, any such revocation shall not affect disclosures made by a health care provider prior to that health care provider's receipt of the revocation from NCS. In addition, such revocation shall not affect disclosures made prior to the receipt of the revocation to the extent that this Authorization was relied upon for such disclosures.
3. This Authorization is not intended to alter the Athlete's ability to receive medical care from any health care provider, regardless of whether this Authorization is agreed to or refused.
4. This Authorization shall cover actions by and for the Consortium consisting of:
 - UP Health Systems – Bell & Marquette
 - UP Health System Physicians
 - Advanced Center for Orthopedics
 - UP Rehab Services, LLC
 - Active Physical Therapy
 - Synergy Fitness, LLC

and all of their respective employees, workforce and business associates.

5. The Athlete and parent/guardian will receive a complete copy of this signed Authorization.
6. A copy of this Authorization and any revocation of it will be kept by NCS and all Consortium members providing care to Athletes.
7. Protected health information released by the health care providers to NCS is not protected by this Authorization from re-disclosure by NCS.
