#### YORKTOWN HIGH SCHOOL

5200 Yorktown Blvd, Arlington, VA 22207

Parents, Students, Friends, and Fans ----

Welcome to another spring baseball and softball season. We are happy you have chosen to join us at our beautiful Greenbrier athletic facility.

As we watch tonight's game, there will certainly be an interest in who wins and who plays well, but it is more important to realize the life experiences that are taking place. These young men and women will undoubtedly walk away from this year's experience with memories of team traditions and friendships that they will remember for years and decades to come — long after they have forgotten about the individual wins and losses.

This is one of the many positive learning opportunities associated with participation in athletics. As part of this growth process, our coaches are committed to helping our student-athletes win and lose with respect and class. In fact, one of our classes, taught by a baseball coach, developed an acronym that you may encounter during your time at one of our athletic contests — ROO, which stands for Respect Officials and Opponents.

We encourage you, as a spectator and role model for our student-athletes, to join us in making our athletic facilities respectful, yet competitive, environments by practicing the principles of ROO. Please show your appreciation for energetic play as well as your respect for those engaged in the game — the players, officials, and coaches.

Once again, thank you for joining us today and enjoy the game.

Sincerely, aym

Dr. Raymond Pasi Principal

Michael Krulfeld Director of Student Activities

Come On, Patriots!

Hit one out of the park!

#### "Locally owned and operated"

We don't hear that much anymore.

Fall Properties is an independent local real estate firm right here in your neighborhood. Discover the difference of working with a small brokerage. Our full time Realtors and professional administrative staff will provide you with timely information, comprehensive research and excellent service.

Your home is one of your biggest personal and financial investments – a place where your dreams and your equity grow. Your home and your future are safe with us.

# **Go Patriots!** from The Speck Family

#### -El Condor

# **Varsity Coaching Staff**

#### Mike Ruck - Head Coach

Coach Ruck is the returning head baseball coach at Yorktown. In addition to coaching, he teaches physical education at Gunston Middle School. Mike played four years of college baseball and graduated from Montgomery College and Salisbury University.

He began his coaching career at Sherwood High in Montgomery Co., MD, where he coached the JV team and assisted on varsity for three years. He then assumed the reins of the Einstein High varsity team. In Williamsburg, VA, he coached the Walsingham Academy varsity team. Under his guidance, the squad improved from a no-win season to receiving votes for state rankings for private schools. In 2011, Coach Ruck was named the Co-Coach of the Year in the National District. He also has coached and worked with many players who have gone on to play college and professional baseball.

#### Kip Davis - Assistant Coach

Coach Davis is a graduate of T.C. Williams High School in Alexandria and is now a resource officer at Yorktown. Kip has been an assistant baseball coach at YHS since 1994.

He is a former head basketball coach at Yorktown and is a past winner of the Arlington County Coach of the Year Award.

#### Mike Murray - Assistant Coach

Coach Murray is an Arlington native, having graduated from Washington-Lee High School and George Mason University. He played baseball at both schools. Prior to joining the Patriots coaching staff in 2003, Mike served as head baseball coach at Wakefield High School, and as an assistant at Washington-Lee and Bishop O'Connell High Schools.

Mike received a national award for his promotion of sportsmanship and ethics in high school sports.

#### Andrew Shreeve - Assistant Coach

Coach Shreeve was assistant JV coach at YHS last year. Andrew has played ball in Arlington for many years, leading an Arlington Senior Babe Ruth (ASBR)based team to 10th place in a National Tournament in 2000. His 15U all-star team won the district VII championship. He went on to be a four-year starter at Yorktown as a pitcher and outfielder, and was named all-district and all-region despite two significant injuries. He made the team at Radford University, but was forced to hang up his cleats after a second shoulder injury.

Since his return to Arlington, Andrew has coached with ASBR, serving as assistant coach on the 13U all-star team in 2009 and the 14U all-star team in 2011. He is an instructional assistant for Arlington Public Schools, and also works as a professional trainer.

# JV Coaching Staff

#### Chad Stephens – Head Coach

Coach Stephens returns this year as head JV baseball coach at Yorktown High School. He has coached for Urbana University in Ohio and the Great South League in Georgia. He also served as assistant head coach for American Legion Post 139 in 2007 and American Legion Post 1976 in 2011.

Chad graduated from Yorktown in 1998, during which time he played catcher and second base. He is a graduate of Old Dominion University, and now works for Arlington Public Schools.

Coach Johnsen is a first year staff member. Born and raised in Arlington, Johnsen graduated from Yorktown in 2008 (he played for Kip Davis and Mike Murray, currently on Varsity Staff) where he was a 3-year varsity letterman and first team all-district pitcher. He then walked on as a pitcher at Longwood University where he played for two seasons. Johnsen has also been a proponent of the Arlington Babe Ruth Baseball programs. He won two State Championships while playing for Yorktown Athletic Director Mike Krulfeld at the 15 & 16 age levels. He is excited to give back to the program that helped form his baseball career.

Coach Bennett grew up just outside of Boston. He moved to Arlington in 2011 when he did his student teaching at the Duke Ellington School of the Arts. He later took a position at Gunston Middle School in South Arlington where he currently works as a 7th grade math teacher. He has been there for two years. This is his first year being associated with Yorktown athletics.

Powerful Coaching. Powerful Results.
