YHS Field Sports Teams'
Stadium Enhancements Effort

**Be a part of our united movement
to take our school spirit to the next level
with a new scoreboard!**

YHS field team sports have united in an effort to raise funds to replace our aged stadium scoreboard. The new full LED screen scoreboard will enable us to:

- ★ Customize the screen for the particular sport being played on the field;
- ★ Generate school spirit and enhance the fan experience with messages projected during the games;
- ★ Recognize accomplishments of our field sports teams including the two recent titles of our reigning **Girls Soccer VA State Champions (2017 and 2019)**; and
- ★ Thank sponsors who wish to support YHS, our field team sports, and our fan community.

Show your **YHS Field Team Spirit** and **Support Our Effort** by making a tax deductible donation or joining our sponsorship program.
