

# Sports Injury Clinic

For sports injuries, bumps, bruises and sprains

Beginning Aug. 4 through Oct. 20, Mercy Health — Orthopaedics & Sports Medicine offers a sports injury clinic every Saturday morning at:

## **Mercy Health — Orthopaedics & Sports Medicine**

2409 Cherry Street  
MOB 1

Mercy Health — St. Vincent Medical Center  
Toledo, OH 43608  
419-442-0222

**Walk-in clinic — all patients are asked to register by 8 a.m.**

**The Sports Injury Clinic** is open to all athletes including junior and senior high school, collegiate and 'weekend warriors'. The comprehensive clinic includes an evaluation, diagnostic imaging, and physical therapy, if necessary. All test results are reviewed by a sports medicine physician and a plan of care is developed, tailored to the athlete.

If necessary, additional orthopaedic, and athletic training referrals are immediately facilitated for scheduling. This quick, multi-discipline approach provides the athlete with a complete treatment plan of care which allows for an easier and safer return to play for the athlete.

### **Services include:**

- In-suite radiology services
- Single patient registration
- Athletic training session on site
- Drive up entrance
- Same day MRI available
- Physical therapy session on site

Thank you for trusting Mercy Health — Orthopaedics & Sports Medicine for your health care needs.
