Left: Sophomore Legend Wilkinson dropped to 132 to anchor that weight after the 2-pound allowance in December. Legend had a key upset victory against Latrobe in the WPIAL Team quarter-final round. Legend’s other key highlight was his fifth place finish after being seeded in the last and 9 spot at the Section 3 Tournament. This finish earned him a spot at the WPIAL Tournament and the Golden Tornado’s perfect 12 for 12 qualifiers in the post season.

| 11. Grassfield VA (2-3)     |   |

Butler returned to the Virginia Duals after a year off from the Covid shutdown to place third up one spot in their team standing in 2020. The GT went 6 wing an one loss in the 54 year old National Classic. In the semis Butler held a 30-3 lead over VA State Champion Grundy before dropping a 33-30 loss. After this heartbreaking loss, Butler defeated VA State runner-up Skyline, and VA State placers Westview and Hayfield in route to a third place finish. State Champion Great Bridge defeated Hempfield PA (Dist 3) in the final. This is always great trip with great competition that bonds the team together. While the tournament is going on with 5 divisions on 5 mats, the teams can watch collegiate teams competing as well.
