

LIVINGSTON COUNTY GYMNASTS
2020 GOLF OUTING
FUND RAISER
SATURDAY, AUGUST 22, 2020

Livingston County Gymnasts is a Non-Profit organization ran by a volunteer board of directors. Our coaching staff is made up of our head coach, Katie Paquette along with many past and present gymnasts that love the sport of gymnastics. LCG has a long history of challenges that were overcome simply by the will of Coach Katie to continue building a program that allows her to pass on her passion for gymnastics. The latest challenge is to safely reopen in the wake of the COVID19 pandemic after an extended closure with no way of generating income. We want nothing more that to continue to offer fun, safe and affordable gymnastics instruction. Please consider participating in this event to support LCG in their endeavor to reopen the gym and return all our gymnasts to the sport they love.

When: Saturday, August 22, 2020
