### **Athletic Registration Regulations and Limitations:**

- The registration fee does not guarantee a student athlete playing time. The fee is used solely to defray the expenses of the athletic program.
- A student athlete who cannot pay the fee, due to financial difficulties, can apply to the athletic director for scholarship consideration. Forms are available in the athletic office; however, qualification is based upon need. All inquiries will be confidential.
- Registration is due before the first official practice of the sport they are participating in. A student athlete who does not make a team due to the team selection guidelines will not have to pay the registration fee for that specific sport.
- If a student athlete moves from the district, quits a team, or is removed from a team for disciplinary reasons, the student athlete registration fee will not be refunded. Registration fees will also not be refunded for student athletes who are academically ineligible.
- Registration checks should be made out to Fowlerville Community Schools and must be returned to the high school athletic office.
