The required COVID Rapid testing program for spring student-athletes will begin on **Sunday, April 18, 2021**, at the schedule times above. Each student-athlete must report to the HS main cafeteria at the designated time to be eligible to compete in their practices and game/competitions.

Forms to be completed prior to testing at FinalForms by parent & student:

MDHHS Participant Code of Conduct form & Consent for COVID-19 Antigen Test

These two forms must be completed at FinalForms before a student is eligible to participate in the COVID testing requirement. Parent & student need to digitally sign each form at FinalForms. This is MDHHS requirement.

Upon arrival at the main cafeteria:

Students should check in with testing staff by sport and last name for attendance purposes and pick up data recording form and complete the short data section at desk/table. (Stations will be set up for check-in based on sport and last name.) When testing staff approaches the student desk/table, student will swab nose according to instructions and testing staff will add antigen drops. Students may leave once this is completed. Estimated total time is less than 15 minutes on site. Staff will call the student's home for any test that returns positive.
