

South Lyon Boys Golf

Coaches

Varsity: Todd Goshorn
Email: goshornt@slcs.us

Junior Varsity: Dan Skatzka
Email: danandjackie76@att.net

Survey:

Please take the time to complete this quick survey. It will collect your name and email address so that we can contact you about summer golf opportunities and/or about tryouts the following spring.

Link: bit.ly/slhsgolfcur

Note: The link is case sensitive if you type it in. Use all lowercase letters.

Spring Sport

Boys golf is a spring sport. If you are a current SLHS student, we have a meeting **March 4th at 2:30** in Mr. Goshorn's room (A06) about the upcoming season. You can attend in person or virtually. To attend virtually, join via google meet by using the join code goshornt.

Summer Golf

If you are an incoming 9th grader, tryouts for you are still over 12 months away. However, we do hold summer practices typically during the summer 1 or 2 days per week. Again, complete the survey above so that I can contact you in early June with more information on this. While summer practices are optional, they are a great way to get used to playing golf at the high school level, get some basic instruction, and even meet some of the other team members.
