

Stevenson Athletic Booster Club

\$10,000

REVERSE RAFFLE

How a Reverse Raffle works:

- ❖ The Athletic Booster Club will sell 149 numbered tickets in advance
- ❖ Ticketholder or a representative must be present to win
- ❖ Corresponding numbered tickets are placed in a raffle bin
- ❖ Over the course of the evening, one additional numbered ticket will be auctioned to the highest bidder and placed into the raffle bin
- ❖ If your number is pulled from the bin, you are OUT!
- ❖ Every 25th number pulled wins \$100 . . . OR may choose to have their number returned to the bin and continue in the drawing for the grand prize instead.
- ❖ Once down to the last ten (10) numbers remaining, the ten people having those numbers will be asked if they would like to split the \$10,000, receiving \$1,000 each.
- ❖ All ten must agree to a split or the drawing continues
- ❖ As each subsequent number is pulled, those remaining in the raffle will be given the option to split.
- ❖ If one person remaining refuses to split, the numbers are drawn down to the last . . . For one **\$10,000** cash winner!!

* If 120 tickets are not sold, the drawing will revert to a 50/50 raffle with the minimum prize of \$1,000
