

The G-Men Stadium Improvement Committee is excited to announce a 4 phase project to update and enhance our current athletic facilities. The goal of the committee is to provide our student athletes with safer and more current athletic facilities through fundraising efforts, alumni and corporate donations and sponsorship opportunities. The committee, founded in January 2014, has already earned enough funds to complete Phase 1 of the Project (movement of the football/soccer field to create more sideline space for the home sidelines, a concrete pad to rest the visitor bleachers on, permanent fencing around the game field and new football goalposts).

Phase 2 of the project is focused on replacing the current home bleachers with new aluminum bleachers, providing a concrete base for the bleachers to rest on and a new modular pressbox. The estimated cost of the project is set at \$200,000. To continue the process we are now offering a variety of donation and sponsorship levels to help with the project. Below are the levels of support and the various benefits offered through each level of donation, all of which are tax deductible!

Thank you for your support and GO G-MEN!!!!

Please consider contributing to this important project for our students, schools and community. Donors will be recognized in one of two ways, unless they request anonymity.

- Donor Recognition Wall: Located at the stadium, this wall will honor our donors of \$100 or more.

- Sports Programs: A list of all donors will be published in our fall sports program for the next five years.

Check one of these support options:

- FAN: Under \$100
- PATRON: \$100
- Black & Gold: \$250
- G-MEN: \$500
- SILVER/300 CLUB: \$1,000
- GOLD: \$3,000,
- PLATINUM: \$5,000
