WILLIAMSBURG — The Blue Pirates carved their second victory in two starts Tuesday night, but it didn't come easy.

Coach Don Appleman's team recorded a 52-39 victory over visiting Glendale, but the outcome was in doubt until the Pirates asserted themselves with a fourth quarter burst.

With the score tied at 32 late in the third quarter, Williamsburg point guard Sam Liberman hit three straight free throws to give the home forces a 35-32 lead after three quarters.

Williamsburg posted a 17-7 scoring margin in the final period to ice the win.

"We got behind, but we didn't give up," Appleman said. "We played a real good fourth quarter. They're a tough team — they play physically and aggressively."

Liberman led the Pirates with 20 points. He also handed out 6 assists. Seniors Scott Calhoun and Pat Brantner added 14 and 10 points, respectively. Gary Butler had 8 assists.

Glendale, 0-1, was paced by Bill Vesnesky's 16 points. Steve Turchick flipped in 12.

Williamsburg shot 20 of 49 from the field for 41 percent compared to Glendale's 15 of 41 for 37 percent. The Vikings showed a 25-23 rebounding margin. The Pirates turned the ball over 21 times, 4 more than the Vikes.

Fast-Starting Vikes Run Past Dragons

FLINTON -- Glendale is making a habit out of fast starts, and it's paid off in two straight wins for the Viking eagles.

Earlier this week Glendale rolled out to a 14-0 start en route to a win over Curwensville and last night the Vikes continued their big-start attack by jumping ahead of visiting Purchase Line 26-2 while heading to a 75-58 victory in their home debut.

"The kids came out and played a super first quarter," Vike coach Tom Terza said after his team upped its record to 2-1. "Defensively we were all over the court and offensively we hit 11 of our first 16 shots.

"It's a big boost when you play that well from the start. We were really burning the cords in our home opener and we finally got our fast break in gear."

Terza, who noted that the Vikes "get a big boost when the fans show their support," watched Glendale take a 65-28 lead into the final frame before the Red Dragons put 30 points on the board as both coaches cleared their benches.

Brett Yingling powered Glendale's attack with 24 points and Bill Vesnesky added 19, but 10 different Vikes added to the scoring.

Steve Turchick yanked down 13 rebounds as the Vikes controlled the boards 42-33.

Pacing the 0-2 Dragons of Jim Kylap were Bill Gach with 11 points and Ken Brocius added 10.

Purchase Line did win the JV game 41-22.

Glendale will be back in action Tuesday night against Harmony while Purchase Line is idle until it hosts Northern Cambria on Friday.

Glendale Rips Green Hornets

ALEXANDRIA — The red-hot Glendale Vikings continued to roll last night with an 81-54 dusting of the Juniata Valley Hornets in a non-league basketball battle.

Since a season-opening setback Glendale has reeled off four straight victories and last night the Vikes combined another balanced attack with solid defense to run away from the 2-3 Hornets.

"Defense was the name of the game again for us," Glendale coach Tom Terza said after the victory. "We forced them into a lot of turnovers early and I think that stunned them for the rest of the night.

"We had an outstanding shooting quarter in the second quarter (nine for 13), too. We just got another super effort, we controlled the boards, ran the break, set up our inside game and super defense."

Glendale took a 19-point lead into the intermission on a late bucket by Bill Vesnesky, and Terza felt "that gave us a real good push going into the second half."

The Vikes widened their

lead to 30 points midway through the half before Terza began clearing his bench.

Vesnesky wound up with 20 points, but four other Vikes also scored in double digits. Bill Turchick popped in 17 points, Steve Turchick 13, Brett Yingling 12 and Mike Vesnesky 12.

Leading the Hornets' offense were Ron Ciganik with 14 and Ryan Brumbaugh with 13.

Steve Turchick was Glendale's top rebounder with 10 caroms.

Glendale also won the JV game 43-41 behind Ron Jasper's 20 points and Bill Jones' 12 points.

The Vikes will try to extend their hot streak Tuesday at home against Bellwood-Anlis.

The Vikings, now 5-1 on the season, used a big third quarter to pull away from Tom Lane's Devils.

Glendale, which led by 11-6 after one quarter and 19-16 at halftime, used a 15-6 third quarter burst to go up 33-22 after three stops.

December 30, 1980: Glendale 63 vs Everett 54

Glendale 63, Everett 54

WILLIAMSBURG — Glendale High School came away with consolation honors in the Williamsburg Holiday Basketball Tournament.

The Vikes, now 8-2, whipped Everett, 63-54, here Tuesday night in a game Glendale coach Tom Terza said his team played tough defense — something they lacked in their opening night loss to Huntingdon.

"We were a different team tonight," Terza said. "We played aggressive defense, created turnovers and got our break in gear."

Glendale ripped out to a 14-7 first quarter lead and upped that to 35-25 at halftime. Everett was not able to overcome the deficit in the second half.

The Vikings featured a balanced attack. Brett Yingling led the way with 19 points. Mike Vesnesky hit for 12 points and brother Bill added 10. Mike Swartzwelder led Everett, now 5-4, with 18 points, including 10 of 10 from the free throw line.

It was the fifth straight league triumph for Coach Tom Terza's Vikings, who are 9-2 overall. Mo Valley is now 3-1 in league play and 6-4 overall.

Glendale led by only 24-22 at the half, then pulled away with an 18-5 blitz in the third period.

"We played well offensively in the third quarter. We hit 8 of 11 shots," Terza noted. "We were tight the first half, but

we settled down in the second half. We moved the ball well, were patient, and got the good shot."

Bill Vesnesky scored 22 points, Steve Turchick 18, and Brett Yingling 10 for the Vikings.

The Vikes clicked on 22 of 45 shots while the Black Knights canned 21 of 54. Jim Leskovansky scored 14 points, Mike Reifer 13, and Dave Ohs 12 for the Knights.

With Strong Second Half...

Vikes Ruffle Owls' Feathers

WESTOVER — Glendale took a game-and-a-half lead in the Moshannon Valley League Tuesday night by putting together a strong second half to beat Harmony 60-40 and go to 6-0 in league play.

The Vikings led by only four at the half, but then their offense caught fire and they ran away from the 4-9 Owls.

"In the first half, we were tight and impatient," Glendale's Tom Terza said. "We were trying to force shots against their man and when we got them, we weren't shooting, but throwing."

Harmony actually led, 10-9, after one period of play, but it didn't hold up. Glendale's strength inside and quickness outside proved to be too much for the Owls to handle.

"I think probably the two keys to the game were their horsepower and quickness," said Harmony coach Jim Richards. "Glendale has some very talented athletes, particularly in the area of quick feet and ball sense."

The Vikings shut the Owls down in the second half with a tough perimeter defense.

"Their defense gave my guards fits in the second half," Richards said. "As a result, our possessions too often lasted one or two passes before they had the ball back again."

The Vikes, meanwhile, got strong offensive performances from Brett Yingling, 14 points, Steve Turchick, 13 points and 11 rebounds, and Pat Turchick, 12 points and 13 rebounds.

"Both Steve and Pat did a good job against them on the boards," Terza said.

"Our guards did a good job in the second half. They got the ball inside."

"The people we had guarding Pat Turchick should be asking themselves some questions. Last night in practice I called him a darkhorse. I said he could hurt you if you didn't pay enough attention to him, and he hurt us."

"Glendale played a good all-around game. They're certainly the quickest team on our schedule, and the best defensive club that's on our schedule."

For the Owls, Joe Singleton and

Kevin Hutton each scored 12, the latter also grabbing 10 rebounds.

The Vikes were 22-for-51 from the field, while the Owls were 17-for-39. Glendale had a 35-31 rebounding advantage. In turnovers, the Vikes had 19 and the Owls 28.

Both Glendale and Harmony will be at home Friday night, hosting West Branch and St. Francis respectively.

"We're going to have to learn to be a little more composed going into games," Terza said. "We've gone in tight the last two games."

Ron Jasper scored 17 points and John Lloyd 14 to pace the Glendale jayvees to a 51-39 victory. Tom Yingling had 12 points for Harmony.

Vikings Bounce Warriors for 7-0 Record

FLINTON — There's nothing extraordinary about the Glendale High School basketball team's success this season.

The Vikings simply adhere to the team concept, offensively and defensively.

They gave West Branch a lesson in both phases of the game last night, defeating the Warriors 63-37 for their seventh Moshannon Valley League victory without a loss.

Coach Tom Terza's club 11-2 and working on a four-game winning streak. The Vikes had a seven-game victory skein earlier in the season.

Brett Yingling and Mike Vesnesky scored 13 points apiece, Bill Vesnesky had 12 and reserve G.G. Moore added 10 as Glendale remained unbeatable at

home after six outings.

"That balance please me to no end," chortled Terza, whose team is 6-0 at home. "We had to open the offense, and we were patient. We didn't force the ball. We used our heads and got good shots."

"We got the early lead. We forced a lot of turnovers, and they led to some easy buckets, plus we were able to shoot well over their zone."

Glendale, which owns a game-and-a-half lead over DuBois Central in the MVL, got the jump on West Branch, and the Warriors never recovered, falling to 2-3 in the loop and 5-9.

The way the Vikes have been playing defense all season, the Warriors didn't figure to score a lot, but their 37 points were 10 under Glendale's average.

Only Steve Kephart broke into double figures. He had 16 points and 19 rebounds.

"Steve (Turchick), Pat (Turchick) and G.G. (Moore) were on Kephart at one time or another during the game, and I'm really pleased with the job they did," Terza said. "Likewise, Bill Vesnesky, Mike Vesnesky, Yingling and John Lloyd did a good job pressuring their guards out front, making it difficult for them to get the ball to Kephart."

The Vikings led by 10 after one quarter and increased the margin to 15, 34-19, at the half. They continued to pull away in the second half and finished with an outstanding field goal percentage of 54.4. The Vikes were 25-for-46 from the field to

the Warriors' 13-for-40.

Glendale had a 41-35 rebounding advantage, thanks to Steve Turchick's 17 rebounds.

"It was the kind of game where you never feel secure," Terza said. "It was very, very physical. Pat Turchick fouled out. Steve had four fouls, Bill and G.G. had four and Mike had three."

"I was really pleased with the bench. Lloyd was a steadying influence. He didn't score, but he went in and used his. Moore came off the bench and did score."

Terza also cited the play of Bill Vesnesky. "He did a super job of running the offense. Kephart is their basket protector, and Bill was drawing Kephart to him and dishing off to someone else. He really

had a lot of assists."

Both teams are on the road for MVL games Tuesday, Glendale at Clearfield St. Francis and West Branch at Moshannon Valley.

In the JV game, Ron Jasper scored 17 points to pace Glendale's 48-31 win. Neil Pillot and Terry Trude each had 11 points for West Branch.

Vikings Corral Ponies To Pad MVL Lead

By KENN MARSHALL
Progress Sports Writer

For those connoisseurs of precision basketball, Clearfield St. Francis High School's Glynn Hall was not the place to be Tuesday night.

Glendale and St. Francis combined for 63 turnovers and a 36 percent shooting effort from the floor in a Moshannon Valley League contest won by the Vikings 53-42. Dr. Naismith would not have been pleased.

"It was a win, that's about all I can say," said Glendale coach Tom Terza. "Every time we had a chance to bust the game open in the first half, we'd come down court and do some really stupid

things.

"We had them rattled with our press, but our shots weren't falling. We had them where we wanted them, but we didn't use our heads."

The Vikings were the victims of 28 of those turnovers. The Ponies, however, threw the ball away 35 times.

"That was the most turnovers we've committed all year," said Jerry Miele. "That was partly due to Glendale's defense, but other times we forced the ball and we weren't moving away from the ball. We just didn't play up to our potential."

The Ponies got off to a horrendous start, with the

Vikes jumping out to a 12-0 lead in the first period. The only offense St. Francis got in the first eight minutes was a pair of foul shots by Eric Lutz with 31 seconds left and a shot at the buzzer by Dave Young.

Glendale, meanwhile, got a trio of baskets from Mike Vesnesky, who finished with 22 points, to account for half of the first quarter points.

"Mike played a real fine game, both offensively and defensively," Terza said. "We ran the break real well tonight and that's where Mike got a lot of his points. The guys were getting the ball to him off that break."

The Vikings continued to

build onto their lead in the second period as St. Francis' offense continued to sputter. Vesnesky hit for six more in the second period as Glendale opened a 12-point halftime lead.

The Ponies could only manage 16 first half points.

"We missed too many three-on-one and two-on-one breaks after we beat their press in the first half," Miele said. "We missed too many layups."

Things didn't really improve much in the second half for St. Francis, either, as Glendale pushed its lead to 20 points on several occasions. In the final stanza, the Vikings clung to their big lead until their reserves took over.

Glendale, now 8-0 in the MVL, moved two full games ahead of DuBois Central in the standings. The victory was the Vikings' fifth straight overall.

"A win is a win," Terza said. "We knew we were going to have trouble coming in here, we always do. We just gotta start playing better ball on the road. We have to play smart ball."

For St. Francis, the loss was No. 11 against just one victory, that coming against MVL foe Harmony. In the league, the Ponies are 1-7.

GAME NOTES — The Vikings also outrebounded the Ponies 45-36. Steve Turchick was the leading

Vikings Make Knights Ninth MVL Victim

By JERRY STEWART
Progress Sports Writer

AMESVILLE — One indicator of a good team is its ability to win on a bad night, and that's exactly what the Glendale Vikings did in last night's Moshannon Valley Basketball League game.

For three quarters the Vikings, owners of one of the best records in District 6, struggled against host Moshannon Valley, playing without team scoring leader Mike Reifer (who was at district band), and the Black Knights' tough, tough defense.

But then the Glendale quickness forced a few steals, set up a few fast

breaks, and sent the Vikes on their way to a 59-53 win.

Glendale upped its MVL log to 9-0, keeping the Vikings two games ahead of second place DuBois Central (7-2), and its overall mark to 13-2.

"For three quarters Mo Valley played us very, very tough," Glendale coach Tom Terza said after the hard-earned victory. "They made us play our tails off. Tom Tomasko is a super coach, he had his team well-prepared. They came in without Reifer, but still did a super job.

"They ate us alive on the boards, but I think their inexperience finally caught up with them in the

fourth quarter," Terza added, referring to the rearranged Knight lineup. "Our defense started to create some turnovers, we got the lead and then went into our delay."

Glendale led 14-12 after one quarter, was tied 23-23 with a buzzer shot at the intermission and led again 36-35 entering the home stretch.

That's when the Vikes began to break it open.

Four free throws by Mike Vesnesky and Brett Yingling got the momentum rolling, and then the Glendale defense went to work.

A couple of steals and a couple of fast breaks, fed

by Bill Vesnesky passes, earned the Vikes four quick layups, all by Mike Vesnesky, and Glendale had itself a comfortable 50-37 with 3:35 to go.

"Those first four minutes of the fourth quarter killed us," Tomasko claimed, in reference to Glendale's 14-2 scoring spread. "Glendale's defense got aggressive, we threw it away and they picked it off for a couple of easy layups."

Terza, whose Vikes will be back in action Tuesday at Northern Cambria, said, "We waited for the key mistakes to blow it open and we got them.

"And our foul shooting

(Glendale was 21-for-26) was crucial at the end of the game. That's a big key in a game like this."

Mike Vesnesky wound up with a game-high 18 points for the Vikings while Bill Vesnesky added 12 and Yingling 11. Brian Ricciotti and Jim Leskovansky each had 12 points and Dave Ohs added 10 for the Knights, 5-4 in the MVL and 7-7 for the season.

Glendale's stats showed the Vikings with 28 rebounds, including 12 by Steve Turchick, 20 turnovers and a 35 percent shooting effort. The Knights had 23 bounds, eight by Ed Rusnak, 26

turnovers and 52 percent shooting.

Glendale also won the JV game 38-35.

Mo Valley will try to rebound Tuesday at Harmony.

Vikings Pad MVL Log—Barely

SPANGLER — Staying undefeated takes a lot of hard work and talent — and sometimes a little luck.

The Glendale Vikings, 10-0 in the Moshannon Valley League, utilized all three Tuesday night to overcome a sub-par shooting night against Northern Cambria to triumph 42-39.

The Vikes trailed by one with 10 seconds remaining, but then Steve Turchick canned a pair of free throws to give Glendale a 40-39 lead.

Northern Cambria then in-bounded the ball and that's where the hard work — or luck, depending on how you look at it — paid off. Mike Vesnesky planted himself at mid-court and drew an offensive foul to give Glendale the ball.

The Northern Cambria bench, protesting the call, was then slapped with a technical foul.

Turchick again came on and sank two free throws to ice the game.

"We had two players who made real big efforts right at the end," Glendale coach Tom Terza said. "Steve Turchick made four straight foul shots and Mike Vesnesky made a heck of a play at mid-court to draw the charge.

"Overall, though, we didn't play well. We were impatient on offense. We didn't force their defense to do much. In the early going we weren't doing well and we went from bad to worse."

The Vikes made only 18 of 56 attempts from the floor, compared to 18-for-44 shooting by the Colts.

Glendale barely edged Northern Cambria 36-35 in the rebounding category.

Steve Turchick was the leading scorer for Terza's club with 15 points, while Mike Vesnesky added

10. Turchick also pulled down 16 rebounds.

The Colts were topped by Joe Bonatesta's 16 points and Robin Dunchak's 11. They are 5-4 in the MVL and 5-8 for the season.

Glendale, riding its second seven-game winning streak of the season and 14-2 overall, will host Harmony Friday night.

The Glendale JVs won the opener 43-38. Ron Jasper scored 18 points and John Lloyd 10.

Vikings Turn Back Scrappy Owls 55-45

FLINTON — The Glendale Vikings raised their record to 15-2 and set up a non-league showdown with Williamsburg on Tuesday by virtue of their hard-earned 55-45 triumph over a scrappy Harmony team last night.

The Vikings, still unbeaten in the Moshannon Valley Basketball League with an 11-0 record, were never able to apply the knockout punch to the Owls, but Glendale head coach Tom Terza was happy to escape with the home-floor win.

"Harmony is a well-disciplined, opportunistic team," said Terza of the Owls, 3-7 in the MVL and 6-12 overall.

"They came in with a good game plan, and they played it well," he added. "They played a patient offense, moved the ball well and got the open jump shot.

"Every time we had a chance to pull away, we'd turn the ball over, but Harmony took advantage of our mistakes and kept in the ballgame," he said.

"I keep saying we're playing good games, but we're not winning," lamented Harmony head coach Jim Richards, who was minus two players who alternate starts.

"I thought we played a good game overall," Richards continued. "I can't imagine us playing much better even though (Bud) Norris and (Kevin) Westover weren't there."

Norris had a prior commitment and was unable to attend the game while Westover was ill.

The Vikings, playing before a large, vocal crowd, built its lead slowly against the Owls, leading just 13-12 after one period, 27-23 at halftime and 39-32 after three quarters.

"Glendale started to pull away in the third quarter and we went to a full-court press," said Richards. "Although it didn't look too organized from my viewpoint, it seemed to bring about results.

"With a little over five minutes to go in the game, they called a timeout after we had made a nice comeback, but that's where we handed them the game on silver platter," Richards continued.

"On the next two Glendale possessions we committed two reaching-in fouls, fouled one of their players under our basket, and then we got called for a technical. That four-point lead became a nine-point lead after all the foul shots."

Terza felt the technical was the turning point.

"We managed a four-point lead early in the fourth quarter," he said. "We spread it out and forced them to play us man-to-man, and we looked for the layup. But the technical foul gave us a big mental boost."

Bill Vesnesky scored 20 points and Steve Turchick added 10 for the Vikings while Fred Schmidt scored 15, Kevin Hutton scored 14 and Joe Singleton scored 11 for the Owls.

"Bill Vesnesky played a good all-around game for us," said Terza. "Kevin Hutton was hurting us early, but we shut him down later. Our guards did a good job on defense."

"I felt Kevin Hutton controlled things in the middle for us," said Richards of his ace shot-blocker. "Fred Schmidt also played a good, hustling game."

"Bill Vesnesky was hot from the outside for them and played a nice all-around ballgame."

Terza was pleased and excited about the large crowd which filled the seats at the Glendale gym.

"We really had a terrific crowd tonight," said Terza. "I appreciate and the kids appreciate it. It really helped us."

Glendale stats had the shooting percentages for both teams near 50 percent, Glendale outrebounding Harmony 39-25 (Steve Turchick high for the Vikes with 18) and the Vikes committing 20 turnovers.

Harmony's stats were not available, but Richards did not feel the shooting percentages were accurate and that turnovers were too low, saying his Owls had over 20 and the Vikings had nine more than the Harmony figure.

Both teams did agree on the jayvee score, a 50-43 Glendale win. Vikings Bob O'Donnell and John Lloyd were high scorers, the former with 20 points and the latter with 14. Harmony's Tom Tingling and Harvey Westover each scored 11 points.

FLINTON — Williamsburg High School's basketball team scored one-fifth of its total points in the last minute-and-a-half here Tuesday night and it proved to be the difference as the Blue Pirates defeated Glendale, 50-47 and keep their win streak alive at 16 straight.

Coach Don Appleman's crew was trailing 47-40 with 1½ minutes to play, when consecutive baskets were scored by Pat Brantner, Sam Liberman and Gary Butler to put the Pirates within one point 47-46 with just 12 seconds to play.

Glendale was moving toward the Williamsburg basket, when Kevin Irvin stole the ball and pumped in a jumper from the key to put the Pirates ahead, 48-47, with five seconds remaining.

The Vikings immediately drove downcourt, but missed the shot and the Pirates got the ball out-of-bounds. Liberman was immediately fouled and he canned both with just a second remaining to put the game on ice.

Williamsburg is now 19-2 overall and Glendale is 15-3.

"The boys showed a lot of

character out here tonight," Appleman said. "I always tell them to hang in there and it will usually work out. Irvin's steal was the key."

The winners were without the services of Scott Calhoun most of the game, because of foul trouble and then the second leading rebounder fouled out with 4:49 left in the game.

Brantner was the high man for the winners with 14 and Steve Turchick dumped in 14 for the losers.

Warriors Tarnish Vikings' MVL Record

By ROD FRISCO

Progress Sports Writer

ALLPORT — West Branch might have rewritten the script in the Moshannon Valley Basketball League last night.

The Warriors had just one role left to play in the MVL, and that was the one of spoiler.

And they spoiled Glendale's chances for an easy route to the top seed in the league's post-season playoffs with a surprising 55-43 triumph over the Vikings, Glendale's first loss in 12 league games and its second loss of the week.

It was an upset, no doubt, but the Warriors made it look like they were the favorites, shutting off Glendale's offense with a tough 2-1-2 zone that the Vikings failed to penetrate.

And West Branch couldn't miss when the heat was on, hitting 46 percent from the field and 78 percent from the line, making all the necessary one-and-ones as it pulled away from Glendale in the fourth quarter, outscoring the Vikings 18-9.

"Without a doubt, that's the best 32 minutes of basketball we've played this year," said a happy Warrior head coach Ed Williams, who was much more vocal on the bench than usual.

"I thought our kids played super," he continued. "We made some adjustments defensively. We don't usually play a 2-1-2, but we wanted to keep (center) Steve (Kephart) close to the basket."

The change was quite effective. Rarely did the Vikings get within 10 feet of the basket. They got next to nothing from the baseline and when they didn't hit from outside, the Warriors did a good job of controlling the defensive boards.

"We had a game plan and the kids executed it well," said Williams. "And we did it against one of the best-coached teams in the area."

Glendale had an early 10-6 lead, but the Warriors reeled off nine straight points to take a 15-10 lead five seconds into the second period, then refused to let Glendale back in it.

The Vikings close the gap to one in the third period after West Branch committed seven turnovers in the first 3:43 of the period, but still the Warriors managed to beat off the Vikings, who seemed flat from the opening buzzer.

The fourth quarter was all West Branch, Kephart wiping six missed shots off the defensive board (he finished with a game-high 13 rebounds) while the rest of the Warriors paraded to the foul line.

"West Branch played a good game," admitted Glendale head coach Tom Terza. "We moved the ball well, but we weren't penetrating. We were too tentative on offense in the first half.

"Every time we had a chance to get back to turn the momentum our way, we made a mistake," Terza added. "Every time that happened, it seemed to make them stronger and us weaker.

"So maybe we didn't make things happen, but West Branch took advantage of our mistakes," he said. "You've got to give Ed Williams and his boys a lot of credit."

One Warrior who really stole the show was forward Russell Graham, who scored every time he

touched the ball in the first half. Twelve of Graham's team-high 16 points came in the first two periods when he could do nothing wrong.

Viking Bill Vesnesky scored 22 points, most on from soft jumpers from the 15-foot range. Brett Yingling added 11 for Glendale.

The Warriors had a 30-25 rebounding edge, doing a very nice job of boxing out Glendale rebounding ace Steve Turchick. West Branch committed six more turnovers than Glendale (22-16), but it proved to be a minor factor.

Glendale, now 11-1 in the MVL and 15-4 overall, will have a few days off before traveling to Bellwood-

Antis Thursday for a designated league game. West Branch, 4-6 in the league and 7-12 overall, will host Harmony on Tuesday.

The JV game was won 32-31 by Glendale, John Lloyd leading the way with 11 points. John Kirk had 13 points for West Branch.

Devils Slow Vikings' Drive Toward MVL Crown

BELLWOOD — The Glendale High School basketball team has found the smooth road it was traveling toward the Moshannon Valley League title room suddenly is become full of potholes.

The Vikings, who won their first 11 league outings, dropped their second straight MVL verdict last night as Bellwood-Antis came from behind to win

51-49. The Blue Devils are the "designated" opponent for the Vikings, who were booked against every other league club except DuBois Central.

The Vikes could have clinched at least a tie for first place with a win last night, but now are just one game ahead of DuBois Central (9-2) and even with the Cardinals in the loss column.

Glendale fell behind 15-7 after one quarter, but came back in the second half to take a one-point lead at the half. The tally stayed that way until the final stanza.

The 11-8 Blue Devils then made up the one-point deficit and did the Vikes three better in the fourth quarter. The Bellwood-Antis victory avenged an earlier 47-30 loss to Glen-

dale. Steve Turchick was the high scorer for Glendale with 16 points, while Bill Vesnesky added 14.

Butch Riggelman and Curt Kassab scored 16 and 15 points, respectively, for the Blue Devils.

Glendale, 16-4 overall, will try to snap a three-game losing streak tonight when it hosts Curwensville, 3-9 in league play. A

Vike victory means DuBois Central would have to sweep Moshannon Valley, Clearfield St. Francis and Harmony to force a playoff with Glendale for the regular-season championships and the home-court advantage throughout the Shaughnessy Playoffs.

The Viking JVs were also beaten, succumbing 57-38 to the Bellwood-Antis

underclassmen. Phil Jones' 11 points paced Glendale.

Clinch First-Place Tie...

Vikings Roll Tide

FLINTON — The Glendale Vikings assured themselves of at least a tie for first place in the Moshannon Valley League Friday night by downing Curwensville 55-32, snapping a three-game losing streak in the process.

The Vikes got the benefit of a strong game from G.G. Moore, inserted as a starter in a "shake-up" measure by coach Tom Terza.

"G.G. Moore played a fantastic game for us," Terza said. "After our losses we needed some changes so I started him. He scored seven points for us in the first quarter and really sparked us."

"After that, everyone caught on. We needed a game like this to get things back in gear. We played well offensively and defensively, we were all over the floor. That's something we haven't been doing the last two games."

Glendale led only 12-10 after the first quarter as the Golden Tide hung tough. Curwensville continued to stay with the Vikes until midway through the second period.

"Things were going pretty well for the first 14 minutes of the game," Curwensville's Ben Irwin said. "It was 21-19 then and Glendale scored the next seven points to set the tempo for the rest of the game."

Glendale took its nine-point lead out of the locker room and expanded that to 20 in the third period with a 17-6 bulge. From there, the Vikes merely coasted to the win.

"Glendale is an excellent team" Irwin said. "They complement each other on the floor with their teamwork. They're very strong defensively and they are very aggressive."

Moore captured game-scoring honors with 16 points, while teammate Bill Vesnesky added 15. Steve Turchick, meanwhile pulled down 16 rebounds to lead Glendale in that department.

Dave Bloom topped Curwensville with nine points, while he and Bryan Carfley pulled down 10 rebounds apiece.

The Vikings connected on 45 percent of their shots from the floor, compared to 29 percent for the Golden Tide. The Vikes also won the rebounding battle 40-33 and turned the ball over just nine times compared to Curwensville's 20.

The Vikes finish the MVL campaign with a 12-2 record, a game ahead of 10-2 DuBois Central. They will host Blacklick Valley Wednesday night in a non-league contest.

Curwensville, meanwhile, is 3-10 in the MVL, with a game remaining against Mo Valley Friday night. The Tide will travel to Purchase Line Tuesday night for a non-league contest.

The Viking JVs won their contest too by a 46-40 margin. Ron Jasper and John Lloyd scored 14 points apiece, while Bill Jones added 10. Tom Tubbs scored 14 for the Tide and Bruce Shaw notched 12.

Dragons Burn Vikes

PURCHASE LINE — The Purchase Line Red Dragons ended their 1980-81 campaign Friday night in grand style with a 64-63 upset of 18-5 Glendale.

Purchase Line finished only 3-19, but two of those wins came this week, as the club had routed Curwensville on Tuesday. Last night's win was sealed with eight seconds remaining when senior Bill Gach hit both ends of a one-and-one.

"Purchase Line played an outstanding ballgame," Glendale's Tom Terza said. "They shot very well both from the floor and foul line."

The Dragons and Vikes had see-sawed back and forth in the fourth in the fourth quarter after Glendale had knotted things at 49 apiece with 7:11 remaining. Purchase Line went up by three with 1:31 left to play, but then the Vikes fought back and took the lead with 35 seconds left.

Guy Small hit two free throws to make it 62-61 PL, then Mike Vesnesky

popped in a long jumper with eight seconds remaining to make it 63-62. Gach was fouled underneath as the shot went up, though, and sank the ensuing foul shots to give the Dragons the win.

Small paced the Purchase Line attack with 18 points, while junior Rod Harbridge added 16 and Gach 10.

Bill Vesnesky tossed in 21 points for Glendale, aided by 12 points by Steve Turchick and 10 each by Pat Turchick and Brett Yingling.

The Dragons made 23 of 47 shots from the floor compared to a 27 of 55 effort by the Vikes, while Glendale won the battle of the boards 37-35.

Glendale returns to action at 7:30 o'clock tonight at home against DuBois Central for first place in the Moshannon Valley League. Both clubs finished 12-2 in the regular season and will play tonight to determine league playoff pairings. Moshannon Valley and Northern Cambria will meet at six o'clock, also at

Glendale, for third and fourth places in the MVL.

The Dragons' JVs also captured the night's opener by a 71-48 margin and put four players in the double-figure bracket in the process. Roger Weaver was high with 19 points, while Greg Bence added 15 and Darryl Bobak and Mark Kuhn added 10 apiece. John Lloyd paced the Glendale juniors with 14 points, while John Lloyd and Bill Jones added 11 apiece.

Vikes Breeze in Title Playoff

By KENN MARSHALL

FLINTON — If there was any doubt as to who was going to reign as regular season champion of the Moshannon Valley League, Glendale took care of all the suspense rather quickly Saturday night — to the tune of a 21-6 first quarter lead over DuBois Central.

The Vikings and Cardinals had finished 12-2 in league play, thus the need for a one-game playoff to determine seeds for the loop's regularly scheduled post-season action, which begins tonight.

So Glendale simply went out and demolished DuBois Central 65-44 to gain the top spot.

"It was a very, very good game," said Glendale coach Tom Terza. "That first quarter kind of dictated the way things went. We just came out fired up offensively, and defensively, we took them out of their offense. I think we confused them for a while."

The Cardinals were definitely having their problems in the early going. First off, they couldn't keep the Vikes off the scoreboard, and secondly, try as

they might, they couldn't get themselves on it.

Glendale jumped out to an 8-0 lead before DuBois Central's Dick Esposito finally called time out to get his club settled down. By then, the Cardinals had already committed four turnovers against the Vikings' aggressive defense.

"We had a very poor first quarter," Esposito said. "I think we were a little tense after playing the type of game we played (Friday) night and having to come right back again. These guys aren't used to it. They've never been in any type of playoff game before."

The Cards did get straightened up a bit, but not until the third quarter did they really start playing ball. Glendale could have broken the game wide open in the second period except for foul trouble, which forced starters Mike Vesnesky and Steve Turchick to the bench with three personals each.

"The fact that Mike and Steve were in foul trouble slowed us down, but the two guys that came off the bench, Pat Turchick and John Lloyd, did a decent job for

us," Terza said.

The Vikings rolled to a 34-16 lead at the half before DuBois Central finally started exerting some defensive pressure of its own to momentarily get back into the ballgame.

"They came out in a trap press and we didn't recognize it right away," Terza said. "We threw the ball away some before we called a time out and got things settled down again. The game could have gone either way right then."

Glendale regained control, though, and was never really threatened thereafter. The Vikes' lead never dwindled below 13 in the second half.

"We're a much better ball team than what people saw tonight," Esposito said. "We were very, very cold from the floor and got outthusted."

The Cards' Paul Bruno, the league's leading scorer in the regular season, finished the game with 14 points, but suffered through a sub-par five-for-14 shooting night. John Hopkins added 13 points to the DC attack.

The Vikings, meanwhile, were paced by Bill Vesnesky's 20-point

performance and a 17-point effort by Steve Turchick. Three other Glendale players scored at least seven points.

"I can't really single anyone out tonight as a hero," Terza said. "Everyone was a hero tonight. We just played a great team game."

By virtue of its top spot in the league, Glendale will host fourth-place Northern Cambria, 63-61 loser to Mo Valley Saturday night, in the first round of the MVL playoffs. That game will begin at 7:30 p.m. tonight.

DuBois Central, meanwhile, will host the third-place Black Knight tonight at 7:30 p.m. The two winners of tonight's games will play for the championship Wednesday at 7:30 p.m. at the site of the higher-ranked team.

Colts Kick Vikings Out of Playoffs

FLINTON — It is said that on any given day, any given team can beat any other given team. Believe it.

The Northern Cambria Colts, ranked No. 4 in the Moshannon Valley League during the regular season, came up with the big upset Monday night, knocking off top-ranked Glendale 51-48 in the semifinals of the league's playoffs.

The Colts put together a solid all-around game to dump the Vikes, who had gone through the MVL regular season at 12-2 and had trounced DuBois Central 65-44 Saturday night in a playoff for first place.

"We played them a good game," Colt coach Dan Webber said. "We got strong performances out of everyone. You have to have all five guys play well to win and tonight everyone played well."

The Vikings, meanwhile, did not shoot well nor did they hit the boards with

any authority.

"I think we had a mental letdown," Glendale coach Tom Terza said. "We probably figured that since we beat the No. 2 team (DuBois Central) we could beat the No. 4 team. It's just a natural tendency to let down after the way we played Saturday."

The Vikings had led through most of the contest, but they lacked the intensity that had buried DuBois Central Saturday night. They also lacked the hot shooting touch.

Where they had blistered the nets at a 67 percent pace in the first half of their game with the Cardinals, they managed just a 33-percent effort against the Colts. Glendale didn't get many second shots either.

"They really beat us on the offensive boards," Terza said. "That would be all right if we were hitting, but when you don't make your shots..."

Glendale still took a four-point lead at the end of the first quarter, but the

Colts cut that to one at the half, thanks largely to the efforts of senior forward Robin Dunchack, who scored a game-high 22 points.

Dunchack fired in 14 in the first half, including a pair of near-impossible three-point plays. He also pulled down six rebounds in the first two quarters, including a pair of offensive caroms that quickly resulted in follow-ins.

The Vikes momentarily regrouped in the second half, scoring the first four points of the third quarter to take a five-point lead. By the end of the quarter that margin was at four, but then the real problems set in for Terza's club.

Randy Dunchack, who finished with 15 points, became the Colt hero in the fourth period, scoring on three drives — two of which were set up by his own steals — and a pair of foul shots as NC took a 44-38 lead.

Just as quickly, however, the Vikes got right back

into things when Bill Vesnesky hit a 15-foot jumper, Steve Turchick stole a pass and scored a layup, G.G. Moore hit a layup and Mike Vesnesky stole an inbounds pass and canned two more. That gave Glendale a 46-44 lead with 1:24 to play.

The Colts came back with a long jumper by Bob Kelly and a foul shot by Robin Dunchack to retake the lead 47-46 with 1:06 left.

Brett Yingling kept the Vikings alive seconds later with a 12-foot jumper, but Kelly countered again with another bomb at the 13-second mark. After a time out, the Vikes tried to work the ball inside for a last shot.

Robin Dunchack stepped between Bill Vesnesky and Steve Turchick, though, with three seconds left to steal the ball and was fouled immediately. The Colt hit both of his foul shots to put the game away.

"Northern Cambria definitely took advantage of every opportunity to-

night," Terza said. "They hustled all over the court and were on every loose ball. They came ready to play."

The Colts will travel to DuBois Wednesday night to meet DuBois Central for the MVL championship.

Glendale, now 18-7, will enter the District 6 Class A playoffs a week from Wednesday at Bishop Carroll High School in Ebensburg against Ferndale, which is 15-5 for tonight's game against Bishop McCort.

"We can't put our heads down," Terza said. "We have to regroup and do the best we can. We have nothing to be ashamed of."

TYING BUCKET — Glendale's G.G. Moore lays in a two-pointer that tied Monday night's Moshannon Valley League playoff game between the Vikes and Northern Cambria Colts at 44 apiece with 2:08 left. The Colts came on to win the contest 51-48.

Yellow Jackets Sting Vikes

EBENSBURG — The Glendale Vikings were dumped from District 6 Class A post-season action Wednesday night as 17-5 Ferndale scored a 65-49 win over Tom Terza's club, which had finished the regular season with the best record of any area team.

The Yellow Jackets led throughout the contest as their overall height proved too much for the Vikes to handle. Ferndale boasts four six-footers in its starting lineup.

"I don't start one six-footer," Terza said. "That was definitely a factor. They were getting two and three shots at the basket, while we were only getting one."

After leading 16-14 at the end of the first quarter, Ferndale took off in the second period, outscoring the Vikes 22-9. While the Jackets were hot, Glendale suffered from poor shooting everywhere.

"We hurt ourselves with poor foul shooting (one of nine in the first quarter)," Terza said. "We didn't shoot well from the floor either. We just couldn't manage to score."

The Vikings put on a solid defense in the third quarter with a press that resulted in five straight Ferndale turnovers at one point. The problem was, however, that Glendale couldn't capitalize on the Jacket mistakes.

"We were two-for-15 from the floor in the third quarter," Terza said. "Defensively, we played well, but we still couldn't put the ball in the hoop."

Because of Glendale's inability to score, Ferndale actually was able to extend its lead to 21 points at the end of the third quarter. The Vikes could only

cut the gap to 16 the rest of the way against the Jackets.

"Ferndale slowed it down in the fourth quarter and spread it out," Terza said. "We were still able to cause turnovers, but we also still had trouble scoring."

Amazingly, the Vikes outrebounded Ferndale 40-32, paced by Steve Turchick's nine rebounds. Bob Hamer pulled down 12 missed shots for the Jackets.

Hamer and John Comisky, the lone starter on Jim Woodhead who does not top the six-foot barrier, captured game scoring honors with 18 points, while teammate Doug Stivers added 14.

Steve Turchick and Bill Vesnesky paced the Vikings with 14 points apiece.

Ferndale will meet 17-5 Bishop McCort at 4 p.m. Saturday at UPJ in 6-A quarterfinal action.

The Vikings finished the season at 18-9, which is the second-best record in the history of the school.

"I certainly don't feel we have anything to be ashamed of," Terza said. "We had an outstanding year. I'm proud of the job the kids did all year and I'd like to thank all the fans for the support they gave us all season."
