Vikes Vanquished

WILLIAMSBURG — Glendale High School opened the 1982-83 boys basketball season the difficult way.

Coach Tom Terza's Vikings absorbed a 79-33 drubbing at the hands of the Williamsburg Blue Pirates last night.

The home team got a game-high 20 points from 6-1 forward Gary Kennedy, while 6-4 center Matt Eagleston tossed in 13 and 5-11 guard Christian Appleman added 11.

The Blue Pirates, who

Valley League championship squad, jumped on the Vikings for a 21-4 lead after the first eight minutes and cruised to the win.

Glendale did come alive in the second quarter, scoring 18 points to Williamsburg's 22, but in each of the remaining periods the Vikings were held to single figures.

Bill Jones was the only Viking in double figures with 13 points, as Glendale could manage to connect on only 12 of 44 shots from the field, 27 percent.

Glendale has a week off before opening its Moshannon Valley League schedule when it visits Curwensville Wednesday.

Tide Trims Vikes in MVL Opener

By DAN DUKE

Progress Sports Writer

CURWENSVILLE — The Curwensville Area High School basketball team took a triumphant first stride last night in its march to Moshannon Valley League championship contention by beating Glendale 57-44.

The Golden Tide made it look easy by virtue of its superior height, controlling the boards and often limiting the smaller Vikings to one shot.

When the Vikings tried to shoot from inside, they were often blocked by Tide center Rich McKnight or forwards Bruce Shaw and Greg Bakaysa. By the end of the game, the Vikings were looping their shots with an arc that belied their fear of getting snuffed.

Forced to do most of its shooting from the perimeter, Glendale could not get the hot hands needed to stay close to the Tide.

Glendale mentor Tom Terza said the loss was due to "a combination of our lack of height and experience."

These two problems were worsened by the fact that their big man, 5-11 Bill Noel, was injured in Glendale's opener last week, a 78-33 loss to Williamsburg.

Noel was also one of Terza's two returning letterman. The other, Ron Jasper, was strapped with four fouls in the first quarter, saw no action in the second and fouled out in the fourth after netting eight points in the second half.

Jasper's absence forced Terza to change his plans to minimize Curwensville's height advantage, he said.

"We were hoping to use the full-court press," he said. "We wanted to make them play all over the court. But Jasper got in foul trouble and that changed our plans."

Glendale was down only 14-8 at the end of a sloppy first quarter. But when Jasper was taken out, along with much of Glendale's speed, the Vikings gave up the press and the Tide increased its lead to 29-16 at the half.

"At the beginning of the game we had some first-game-of-the-season jitters," said Tide coach Dick McKnight. "Once they got those jitters out of their systems, they did a pretty good job."

Curwensville played aggressive

defense that forced turnovers and limited Glendale to eight points a quarter in the first half, while offensively the Golden Tide moved the ball inside for easy shots that boosted its shooting percentage to 40 percent in the half.

The outgunned Vikings drew to within six points near the end of the third period. But the Tide's reserves had played most of that time.

It took McKnight, Shaw and company a while to stop the growing Glendale momentum. The Vikings were pressing full court again with the return of Jasper and they were running plays, setting up shots and hitting. That period was the only one in which Glendale outscored Curwensville, 13-7.

The rebounding power of the fresh Curwensville starters eventually wore down Glendale, which fell farther and farther behind as the final period progressed.

"One of the good points of our team is that we have a bench," said coach McKnight. "It was a total team effort."

"The replacements had an effect," admitted Terza. "They kind of wore us down toward the end."

The Tide's Shaw added five points in the final period to bring his game-high total to 17, while Rich McKnight went four-for-five from the field to finish with 16 tallies.

The Tide travels to Westover to play league rival Harmony Tuesday. Glendale hosts DuBois Central in another MVL game tomorrow.

The Tide travels to Westover to play league rival Harmony Tuesday. Glendale hosts DuBois Central in another MVL game tomorrow.

"Until these kids get some experience under their belts, we're going to be hurting," Terza said.

In the junior varsity fray, Rick Holes warmed up for the varsity game by netting 25 points to lead the Vikings to a 43-30 win. Eric Flanagan, who also saw varsity action, led the Tide with 12 markers.

FLINTON — A disastrous third quarter — during which Glendale was outscored 18-2 — proved costly to the Vikings as they fell 56-43 to visiting DuBois Central in a Moshannon Valley Basketball League game last night.

The Vikings, who led 28-18 at the intermission, were outscored 38-15 in the second half as the Cardinal defense shut down Glendale's inside game.

"In the first quarter we were able to penetrate their man-to-man and take it to the basket," Vike coach Tom Terza said after his team's third straight setback. "But in the second half we weren't able to penetrate well and instead of taking the jump shot, we still tried to drive it inside."

An example of the turnaround was the scoring of Ron Jasper, who had 21 points in the game, 19 of them in the first half.

Mike Zukoski had 20 points and Bob Rossi 14 for the Cards, who are 4-1.

Glendale won the JV game 28-23 as Bob Burmeister pumped in 10 points.

The Vikes will host Northern Cambria in a non-league game on Tuesday.

Vikes Fall to Colts

FLINTON — Short on height aside from 6-0 Randy Wills, the Glendale High School cagers also came up short in rebounding and shooting against Northern Cambria last night and dropped a 63-48 verdict in the non-league scrap.

"We got beat on the boards and didn't shoot well," coach Tom Terza cited as the reasons for the winless Vikings' fourth setback.

"Defensively, I was pleased with the kids. We played some good-position defense. We were forcing them to take some bad shots. They just muscled us underneath."

Bob Kelly did a lot of the muscling for the Colts and wound up with a game-high 22 points. Randy Dunchack chipped in with 13 more as the Colts leveled their record at 1-1.

Northern Cambria out-rebounded Glendale 50-35.

"That's an area where we're constantly getting

beat," Terza said. "We're not that big to start with, and now we don't have Bill Noel."

Noel, who stands 5-11, has been sidelined by a knee injury.

Terza had hoped to compensate for the lack of height by shooting well, but "that's another area where we're getting beat," he said. "We always seem to have a bad quarter or two. We were 2-for-8 in the first quarter and 2-for-11 in the third. We can't afford to do that. We have to trade baskets with the other team."

Wills and Bill Jones, the Vikings' only letterwinners, shouldered the brunt of the offense with 16 and 13 points, respectively.

Glendale, which will travel to Alexandria Friday to take on Juniata Valley, hit only 17 of 59 shots for 28.8 percent. Northern Cambria connected on 25 of 74 field goal tries for 33.7 percent.

Along with being pleased with the Vikes' defensive play before the Colts put the ball up, he was encouraged by the way the hosts countered Northern Cambria's press. "They used the exact same press as Williamsburg, which killed us," he said. "We moved the ball well, but we just couldn't score."

In the prelim, Roger Renninger scored 12 points for the Glendale jayvees in a 41-33 loss.

ALEXANDRIA — A 21-point performance from senior guard Bill Jones wasn't enough, as Glendale High School's basketball team came out on the short end of a 50-43 decision against Juniata Valley in a non-league game last night.

The Vikings record dropped to 0-5 on the season, while the Green Hornets evened their mark at 2-2.

The Hornets held a slim 16-15 advantage after one quarter and a 30-25 lead at the half. Juniata Valley used a 14-10 edge to lead 44-35 after three quarters. The Vikings outscored the hosts 8-6 in the final period, but they just couldn't overtake the Hornets.

Randy Wills was also in double figures for coach Tom Terza's Vikes', scoring 10 points. John Lawler led the winners attack with 24 points.

In the prelim, Glendale's jayvees pinned a 50-38 loss on the Hornets. Tom Murray led the Vikings with 19 points.

NANTY GLO — Blacklick Valley handed Glendale its sixth straight loss of the season last night, a 52-32 verdict, in a non-league scholastic basketball game.

The visitors, 6-1, held the winless Vikings to just two first quarter points, while scoring 14 of their own. They increased that margin to 27-10 at the intermission.

"They came out scorching," Viking coach Tom Terza said. "We were ice cold in the first quarter. I was pleased with they way we were moving the ball, but the shots just weren't going in for us."

While the hosts were 5 of 11 from the floor in first quarter, the Vikings were 1 of 10. The losers only connected on 3 of 17 shots from the floor in the second quarter, while the winners clicked on 6 of 16.

"We were only getting one shot," explained Terza, whose team was out-rebounded 37-35. "The reason the rebounding was so close was because their shots were going in."

Terza attributed Blacklick's hot shooting to senior point guard Chris Skubik, who ended up with 14 points. Chris Connelly also chipped in with 14 for the winners.

"They have a fine team," offered Terza. "That Skubik kid can shoot the eyes out of the basket. He's a fine shooter, no matter where he's at on the court."

Ron Jasper tallied 16 markers for the Vikings, including six-for-six from the free throw line.

Blacklick won the preliminary game 50-42. Tom Murray led Glendale with 17 points, teammate Rick Holes contributing 16.

Glendale will return to Moshannon Valley League action Friday with a trip to the DuBois Central gym.

DUBOIS — Glendale High School put up a valiant effort before bowing to DuBois Central 65-58 last night in a Moshannon Valley Basketball League game.

The Vikings, 0-7, trailed 47-46 with seven minutes to go in the fourth quarter, before the hosts were finally able to pull away.

The triumph was the Cards' second over the Vikes this season and gives them a 2-0 mark in the MVL. Glendale fell to 0-3 in the league.

Ron Jasper led coach

Rick Terza's Vikings with 15 points, while teammates Bill Jones (11) and Bill Noel (10) also reached double digits.

The Cards had four players in double figures, Bob Rossi leading the way with 24 markers. Mike Zukoski added 16, while John Kolash and Tom Woika netted 10 apiece.

Ponies Clip Vikes, Even MVL Log

FLINTON — Clearfield St. Francis High School's basketball team snapped a three-game losing streak last night by dumping winless Glendale 47-35 in a Moshannon Valley League game.

The homestanding Vikings, 0-8 overall and 0-4 in the league, led 14-9 after one quarter, but a 17-point output in the second quarter gave the Ponies a 26-25 lead at the intermission.

The visitors used an 11-2 blitz in the third quarter to take a commanding 37-27 lead after three periods.

"It was a combination of the second and third quarter," Glendale coach Tom Terza said. "I think our troubles started in the second quarter. In that one, St. Francis had seven offensive rebounds and we had six turnovers and were only four of 10 from the field.

"It seems like we always have a breakdown," Terza continued. "Then in the third quarter we were one-for-eight from the field. St. Francis did an excellent job of boxing out on the boards of both

ends. That was the key to the game."

Meanwhile, St. Francis coach John Lazor singled out forward Greg Kitko, who had seven offensive rebounds.

Both coaches pointed to the perimeter shooting of Bob Berry and freshman Danny Wright as being a key for the winners.

"We started in a triangle-and-two, but their outside shooting forced us into a regular zone," Terza offered.

St. Francis outscored the hosts 10-8 in the fourth quarter to win their second game in 10 tries.

As usual, Mike Wright led the Ponies with 21 points, while Ron Jasper led the losers with 10.

"Mike had 15 of his 21 points in the second half and Rick Moore did a terrific job running the offense and bringing the ball up against the press," Lazor noted. "Danny Wright played Jasper in a diamond-and-one for the last three quarters and did an outstanding job for a freshman.

"I'm really happy we won for several reasons," Lazor added.

"One thing, we didn't want to do is go into the Christmas Tournament being down and even though we're 2-8, this evens our league mark at 1-1.

"Our ultimate goal is to get into the league playoffs. And anytime you break a losing streak on the road, it's a big win."

Glendale took the preliminary game 44-36 as Tom Murray led the Vikes with 12 points. Jack Burmeister scored 10 points for the winners.

Glendale will participate in the Williamsburg Tournament Tuesday and Wednesday, while St. Francis will take part in the Curwensville Christmas Tournament on Dec. 29 and 30.

Williamsburg Romps

The hosts had their own way from the opening tap. Coach Don Appleman's crew raced to a 12-0 lead and that set the pattern for the game. It was 22-5 at the end of the first quarter and 36-11 at halftime. The Blue Pirates posted margins of 12-4 in the third quarter and 26-14 in the final period.

"I was afraid of a letdown against this team, because we beat them by 30 points earlier in the season," Appleman said after the game. "I thought we played well in the first half. We passed well. Tom Terza is a good coach and he is in a down situation, but I know what he is going throw. I hope Glendale can bounce back and play well against Central."

Appleman made wholesale substitutions during the course of the game or the score could have been more lopsided.

Gary Kennedy set the pace with 16 points, scoring 14 in the first half. Matt Eggleston pumped in 14 and Scott Branter tallied 10. Bill

Jones was high for the losers with 10.

Williamsburg opened the second half with 8 straight points to extend its lead to 44-11 as the Vikings were held to just a pair of field goals and trailed 48-15 going into the final period.

With the reserves playing most of the final quarter, the hosts still managed to post a 26-14 edge.

The victory extended Williamsburg's record to 10-1; Glendale is winless in nine starts.

This is the fourth year for the tourney. Williamsburg won the first two years and Hunt-Ingdon captured the crown last year.

Glendale Cagers Perform Well But Lose To Central In Consy

WILLIAMSBURG — Glendale High School's basketball team played perhaps its best game of the season last night, but despite the effort, the Vikings dropped a 63-56 decision to Central in the consolation game of the Williamsburg Christmas Tournament.

Williamsburg, which defeated Glendale 74-29 last night in the first round, bested Tussey Mountain 74-42 in the championship game behind Gary Kennedy's 17 points. Kennedy was named the tourney's Most Valuable Player as well as an All-Tourney first-team performer.

Bill Jones of Glendale, who scored 27 points in the two games, was also named to the All-Tourney team as was Central's Steve Bechtel, Tussey's

Paul Lewis, and the Blue Pirates Matt Eggleston. Williamsburg's Christian Appleman was the recipient of the good sportsmanship award.

The Scarlet Dragons, 2-7, held a 14-13 lead after one quarter and a 34-29 lead over the Vikings at the intermission of the consolation tilt.

Central pulled away in the third quarter, taking advantage of several Glendale miscues. The Vikings (0-10) committed 10 turnovers in the quarter and were outrebounded substantially. Central, however, only led 50-40 after three quarters.

The Vikings outscored Central 16-13 in the final quarter, but they weren't able to come any closer than seven points.

The Dragons had three players in double figures,

the losers also having three. Bechtel, a 6-2 senior, paced Central with 28 points, teammates Derin Moore (12) and Mike Miller (10) also reaching double figures.

Ron Jasper led Glendale with 18 points. Jones added 15 for the losers, Rick Holes adding 12.

Glendale will travel to Amesville for a Moshannon Valley League game with the Black Knights Tuesday.

AMESVILLE — Moshannon Valley rolled to its fourth straight Moshannon Valley Basketball League triumph of the season last night with a 69-36 victory over Glendale.

The Black Knights, 8-2 overall, shot 58 percent from the floor, canning 28 of 48 from the floor. Meanwhile, Glendale, 0-5 in the league and 0-11 for the season, shot a dismal 25 percent from the floor, hitting just 12 of 48 attempts.

The hosts built up a 22-8 cushion after one quarter and increased that margin to 39-12 at the intermission.

"I thought we got off to a good start," remarked Mo Valley coach Tom Tomasko. "We were eight of nine from the floor in the first quarter and we were real aggressive on the boards."

"We wanted to force the action by pressing and fast breaking so we could get Glendale into a running game. I thought it would be to our advantage."

The winners, who outrebounded the Vikes' 31-18, got stellar scoring performances from Dave Ohs with 27 points and Jack Sahlaney with 10.

"Once Glendale switched from the zone into a man-to-man defense, our guards, Ohs and Sahlaney, penetrated the lane well and utilized their quickness. And both players shot well," Tomasko added.

Mo Valley outscored the visitors 30-24 in the second half.

Bill Jones and Ron Jasper each contributed 11 points for coach Tom Terza's Vikes.

Glendale took the preliminary game 34-27. Tom Murray's 21 points led the Vikings. John Kitko netted 11 for the Black Knights.

Owls Trim Vikes 58-49

WESTOVER — Harmony High School's cagers moved into a third-place tie with DuBois Central in the Moshannon Valley League with a 58-49 victory over backyard rival Glendale last night.

Coach Mike Bodnar's Owls, 4-7 overall and 3-2 in the league, gained ground on the Cards, who dropped a 71-55 decision to Curwensville last night. They Trail Moshannon Valley and Clearfield St. Francis.

Harmony took a 10-4 lead after one quarter and never looked back.

The loss was winless

Glendale's 12th of the season and sixth in the league.

The Owls, who led 26-15 at half, were paced by Brian Myers' 16 points. Harvey Westover and J.P. Griffin also reached double figures for the winners, netting 11 each.

Ron Jasper's 16 points led Glendale. Dan Kutch, 12 points, and Bill Jones, 11, also contributed the Vikes' offense.

The Vikings outscored the Owls 34-32 in the second half, but the four-point first quarter was just too much to overcome.

Bobby Clark tossed in 15 points to lead Harmony to a 42-29 victory in the jayvee game.

Harmony will host Clearfield St. Francis, while Glendale entertains West Branch on Friday. Both are league games.

January 14, 1983: West Branch 65 at Glendale 59 OT

FLINTON — West Branch coach Stan Solarczyk marveled about his team's comeback while Glendale mentor Tom Terza bemoaned his club's many missed opportunities at the foul line after the Warriors charged from behind late in the fourth quarter to force overtime and then escape with a 65-59 victory to frustrate the winless Vikings last night.

The Warriors wiped out an eight-point deficit in the final 1:15 of regulation play and never trailed in the extra period of the Moshannon Valley League contest.

"It was just a super comeback. I can't recall a comeback like that in the 11 years I've been at West Branch," said Solarczyk, in his first season at the helm after 10 years as an assistant coach. "The kids just played super ball at the end of the game."

"The story of the game was foul shooting," Terza analyzed. "We just couldn't make the foul shots when we had to, and they did."

"In the fourth quarter, we missed six foul shots, and three were 1-and-1s. That's nine potential shots. We make one and we win."

Actually, Glendale might have locked up its first win after 12 losses with more accuracy from the foul line throughout the game. The Vikings wound up 19-for-38.

They led most of the way, though the score was close at the end of each quarter. "It was back-and-forth all night," Solarczyk said. "Mostly, they were ahead by three or four points."

Ed Sutton ignited West Branch's late rush with two free throws. Following a Viking turnover, Terry Trude scored. Moments later, Joe Matsko missed two foul shots but grabbed his own miss and flipped in a field goal. Trude came through with a crucial three-point play following two Glendale free throws, and the margin was two points.

Jon Fetter grabbed the

next Glendale miss at the foul line and drove down the court to tie the game with 19 seconds left.

In overtime, Terry Williams cashed in an offensive rebound to put the Warriors ahead to stay as they outscored the Vikes 9-4 to zoom right into the thick of the logjam behind MVL front-runner Moshannon Valley. West Branch is involved in a three-way tie for third place at 2-2.

"We knew going into the game we had to win if we were going to have any shot at the playoffs," Solarczyk. "We're in good shape as far as the loss column. We just have to take them one game at a time."

Fetter led the Warriors with a career-high 24 points. Trude contributed 16 to West Branch's fifth win in 15 games. And they accounted for a big portion of the Warriors' 40 rebounds.

"They're real fine players," Terza acknowledged.

"In the second half, they started doing things that had to be done," said Solarczyk, who branded Fetter's effort the "best game of his life" and also hailed Williams for doing a "great job."

0-7 in the league.

"Other than the foul shooting, I was pleased with the kids," Terza said. "At this point, it would be easy for them to come out and just put in the time, but they went into the game with a really good attitude. They went out and hustled. We tried to pick up the tempo and attack West Branch. I just hope this doesn't get them down. I hope we can come back."

The Vikes, outrebounded 40-30, made 20 of 55 shots from the floor for 36.4 percent compared to the Warriors' 23-for-53 for 43.4 percent.

Both teams have MVL games on the road Tuesday, West Branch against Mo Valley and Glendale against Clearfield St. Francis.

John Mann with 12 points and Gannon Hubler with 11 paced the West Branch jayvees to a 43-32 win in the prelim. Tom Murry had 10 points for Glendale's underclassmen.

Vikings Beat Ponies For First Victory — In Triple Overtime

By DAN DUKE

Progress Sports Writer

You'd think a starving high school basketball team would be happy with a hamburger and some cola.

But the winless Glendale Vikings ordered filet mignon and champagne last night, and Clearfield St. Francis served it up — a 61-57 triple overtime victory.

Glendale's Mo Valley League victory was especially tasty following a bitter appetizer Friday, a 65-59 overtime loss to West Branch that left them 0-13.

"That loss to West Branch was really a heart-breaker," said a happy Tom Terza, the Viking coach. "After the game the kids were really down. That's why I have to admire them."

"This group of kids came in here just determined to win. I'm extremely proud of them," he said.

One big difference between the triple overtime win and the overtime loss was the Vikings' foul shooting, Terza observed. The losing Vikes were 19-for-38 from the line and the victorious Vikes were 11-for-13.

The key differences between Glendale and St. Francis were rebounding, team contribution and clutch shooting.

Time and again the Vikings pulled down vital rebounds simply because they had position. Randy Wills and Bill Noel led in that category with 13 and 11, respectively.

Glendale's scoring was even better balanced. Noel had 18 points, Wills 14, Ron Jasper 13 and Bill Jones 10.

The Ponies only had two men in double figures: Mike Wright with 30 points and Rick Moore with 19. Coach John Lazor noted that without a contribution from the entire team, the Ponies will be in trouble the rest of the season.

Led by Wright, the Ponies looked like they would run away from Glendale early. The six-foot senior sank seven of eight shots in the first quarter, which his team finished with a 20-13 lead.

Glendale played almost even with the Ponies in the next period and were down 33-25 at the half.

"At halftime I saw that only Wright and Moore had scored," Terza said. "We kept the ball out of their hands in the second half and made them play us three-on-three and, fortunately, it worked out for us."

Wright and Moore only bagged 11 points in the rest of regulation time and Moore hit three free throws in the overtimes.

The Ponies, often pressed by the Vikings, also started turning the ball over frequently, helping to erode their own lead.

Glendale pulled even at the 4:03 mark of the fourth quarter using their rebounding power. Noel grabbed an offensive bound and sank it to make 48-46 Ponies. Wills snatched rebounds after the Ponies missed on their next two possessions. Once again Noel grabbed an errant Viking shot and guided it home to tie the game at 48.

Clearfield threw the ball away and the Vikings stalled until the 2:11 mark when Noels drew a foul driving for the hoop. He nailed both to give his team its first lead 50-48.

Moore sank two free throws when Jasper was caught holding to knot things about 15 seconds later. Glendale held the ball until, with 10 seconds left, the Ponies forced them to throw it away. But a Pony jumper went wide just before the buzzer and overtime was needed.

Each team scored one point in the first three-minute overtime. Moore sank the second half of a two-shot foul with 51 seconds left. Glendale's Wills was fouled when he pulled down an offensive rebound with 36 seconds left and made the first of a one-and-one.

The output was doubled in the second overtime. Halfway through the period, Moore grabbed a ball tipped from a Viking by teammate Dan Wright and was fouled going for a layup. He swished one foul shot and the other bounced in to put Clearfield ahead 53-51.

Wills tied the game with 40 seconds left on a beautiful baseline layup. The Ponies went for one shot, but tough Glendale defense forced Moore to try a turnaround jumper from the line that missed.

Jasper picked the third overtime to break out of his scoring slump. He accounted for all eight Glendale points in the period, beginning with a jumper from well past 20 feet after 26 seconds.

A baseline jumper by Pony Bob Berry tied things at 55. With 1:50 left, Wills tied up Moore after a missed Pony shot. On the jump ball Wills tipped it to Jasper at midcourt and he layed it in.

Dan Wright made it 57 all with 1:04 left. Then Jasper took matters in hand. He hit a jumper from the foul line to give his team a lead it would not relinquish in the final 51 seconds.

Noel grabbed the rebound on the last Pony shot and Jasper was fouled with eight seconds left. He sank both.

The Glendale bench streamed out onto the court at the buzzer to celebrate the win.

The Ponies, now 2-3 in league play, must regroup for their home game with DuBois Central Friday, when Glendale will host Mo Valley.

The St. Francis jayvees won 26-19. Viking Dan Kutch was the high scorer with 11 points.

Vikings Shock Black Knights 43-41

FLINTON — On paper, it appeared to be a mismatch even though the teams are backyard rivals.

But upsets are bound to happen and last night one occurred.

Glendale High School's hardwood team, which until Tuesday hadn't won a game, made it two victories in a row with a 43-41 upset win over front-running Moshannon Valley last night in a Moshannon Valley League game.

"When we played Mo Valley down there at their gym earlier this year, it had to be the lowest point of my coaching career — we lost by 30 points or so (69-36 on Jan. 4)," Glendale coach Tom Terza explained. "But tonight's win had to be the high point of my career."

And even though the Vikings led most of the way, the game wasn't decided until the final seconds when Bill Noel banked home a 15-foot jump shot to ice the victory for the hosts.

Noel's shot not only snapped a 41-41 tie, it also killed off a furious rally by the Black Knights in the final three minutes.

Mo Valley, which trailed 28-21 after three quarters, had bounced

back to take a one-point lead with 2:21 left in the game, but the Vikings responded with four quick points to assume a 41-37 lead. Following two quick Black Knight buckets within 20 seconds, the score was once again knotted at 41-all. And it wasn't until Noel's turnaround jumper that the Vikings had won their second MVL game in nine tries.

"Even though we played poorly, I still felt we had a chance to win it at the end," Mo Valley coach Tom Tomasko said. "I think he (Terza) had his team prepared well and they were able to stick to their game plan."

"I would have to say I'm disappointed," added Tomasko, whose team suffered its first league setback of the season. "Maybe I didn't have the kids mentally prepared for this game."

Glendale, 2-13 overall, was led by Bill Jones' 12 points. Two other Vikes — Randy Wills (11 points) and Noel (10) — reached double digits.

Dave Ohs, who fouled out in the fourth quarter, led the Knights, 7-1 in the league and 12-3 overall, with 19 points.

The Vikes held a 14-11 advan-

tage after one quarter and a 25-14 bulge at the intermission. The Knights, who were only 1-for-19 from the floor in the second period, were held to just three points in the second quarter.

"I have the greatest admiration in the world for these kids," Terza said. "After we lost 13 in a row, these kids could have just packed it in and gone their own separate ways. But they came to practice, hustled and were ready to play."

"When we were up by 11 at half I was kind of dumbfounded," said an ecstatic Terza. "I think it was a classic case of them being overconfident and our kids wanting to win so badly."

Tomasko felt otherwise.

"This is such a big rivalry," Tomasko added. "I told the kids not to let them get ahead early because they would play on emotion. We just fouled them too much early and put them in the one-in-one. They had nine fouls made at half, and we only had two. The more we missed, the tighter we seemed to get."

Wills led the winners with 16 rebounds. Glendale committed 17 turnovers, while Mo Valley had 11. The Vikings were 13 of 42 from

the floor, while the Knights were 17 of 58.

"Our confidence is at a super level right now," Terza said. "Were looking to finish strong."

"But I still feel that Mo Valley is a class outfit and so is Tom," he added. "I want to give them a lot of credit."

Tomasko, likewise, said his team's last four league games are important ones.

Glendale made it a clean sweep, winning the preliminary game 39-36. Rick Holes led Glendale with 12 points. John Kitzko's 17 points were high for the Knights.

Glendale will travel to Barnesboro for a non-league game with Northern Cambria Tuesday, while Mo Valley travels to Westover to play second-place Harmony (5-2).

Vikes Upended

BARNESBORO — Glendale erupted for 26 second-quarter points last night and only trailed Northern Cambria by one point, 37-36, at halftime of their scholastic non-league basketball game.

But the Vikings could never get any closer than seven points in the second half and eventually came out on the short end of a 70-59 score.

"We were within striking range for a while," said Glendale coach Tom Terza, whose team is 2-14 overall. "Then we got to within seven in the fourth quarter, but down the stretch we just didn't have the size to compete with them on the boards."

Glendale, which only lost the battle of the boards 40-35, was 23-for-55 from the floor, while the Colts (9-6) were 32-for-80. But turnovers foiled the Vikings comeback bid, as the visitors turned the ball over 22 times, the hosts just four.

"I was pleased with the kids' effort," Terza said. "They played a good game. But we just couldn't get the important rebounds when we needed them."

Bill Noel, who banged home eight field goals and was four-of-five from the free throw line, led the Vikings with a season-high 20 points. Ron Jasper, with 16 and Randy Wills with 10, were also in double figures for the losers. Bob Kelly's 23 markers were high for the winners.

Glendale's Rick Holes and Jack Burmeister each scored 12 points in the jayvee game, which Northern Cambria won 51-44.

Glendale will host second-place Harmony Friday night in a Moshannon Valley League fray.

Owls Top Vikes 51-45, Tighten Grip on Second

FLINTON — Harmony High School's cagers tightened their grip on second place in the Moshannon Valley League last night with a 51-45 road victory over rival Glendale.

The Owls, now 6-3 in the MVL and 7-9 overall, erupted for 21 second-quarter points en route to a 30-20 lead over the Vikings at the intermission.

Glendale, now 2-8 in league play and 2-15 overall, had trouble hitting foul shots all night, and that ultimately led to their defeat. The Vikes were a dismal 9-for-28 from the charity stripe for 32 percent.

"The story was the foul

line," Glendale coach Tom terza reported. "We were flat as a pancake in the first half. We were just standing around offensively. We were, however, able to get the ball inside well, but when we did that, we got fouled and went to the line, where we couldn't make anything."

Glendale, which was held to just four points in the third quarter, exploded for 21 points in the final period, but they were already buried too deep for the explosion to help.

"By the time we realized we had to play a decent basketball game, it was too late," Terza noted. "Harmony just outthusted us and they totally outplayed us in the first half."

Both teams shot 31 percent from the floor, Harmony connecting on 19 of 60 fielders, Glendale 18 of 58. Randy Wills and Bill Noel each grabbed 13 rebounds as the Vikes won

the battle of the boards 38-36. The hosts had 12 turnovers, the Owls eight.

Jim Rummel with 15 points and J.P. Griffin with 14 led the Owls in scoring, while Jones netted 15 for the losers.

Glendale won the jayvee game 30-29 as Dan Kutch tossed in 13 points.

Blue Pirates rip Glendale for 16th straight victory

FLINTON — The Williamsburg Blue Pirates just keep cruising along.

The Pirates streaked to their 16th straight victory by trimming Glendale 62-41 Tuesday night. Williamsburg has dropped just one of its 20 games.

Williamsburg led by five points (27-22) at halftime then poured it on in the second half, outscoring the hosts 35-19.

"I was real pleased with our second half effort," Williamsburg coach Don Appleman noted. "We need that kind of effort going into our tough games."

The Pirates had three players in double figures. Gary Kennedy fronted the attack with 14 points. Matt Eggleston contributed 12 points and Christian Appleman added 10 points and handed out 5 assists.

Appleman also was impressed with the Pirates' play on the boards. Matt Eggleston grabbed 20 rebounds, Dave Baney grabbed 9 caroms and Kennedy snared 8.

"That's where we won the game — inside," Appleman pointed out. "We outrebounded them 45-23 and dominated the inside play."

Ron Jasper led Glendale with 12 points while Randy Wills tallied 10.

It was the third time that Williamsburg downed Glendale this

season. The Pirates defeated the Vikings 79-33 in the season opener and 74-29 in the first round of the Williamsburg Christmas Tournament.

Appleman noticed a big improvement in the play of the Vikings, now 2-16.

"I was very impressed with their improved play," Appleman said. "They are very much improved. Tom (Terza) has done a good job."

Glendale Upsets West Branch 45-39

GEORGE McWILLIAMS
Progress Sports Writer

ALLPORT — West Branch went into last night's Moshannon Valley Basketball League game with Glendale looking for the win that would move the Warriors into a second-place tie with Harmony, a team they meet on Tuesday.

But that assembly game at Allport is not quite as significant as it could have been, as the Vikings used 50-percent shooting and fundamentally-sound defense to upset West Branch 45-39.

The verdict drops the Warriors to 5-4 in the MVL and 6-14 overall, while the Vikings move to 3-8 in the league and 3-16 overall.

"Our problem all year has been offensive consistency," said a happy Glendale coach Tom Terza. "I've been pleased with the defense all year.

"When we played West Branch at home, we went to the line with an eight-point lead in the last two minutes, but didn't put the foul shots in. Tonight, we went to the line with a smaller lead and put them in."

The Vikings hit on 16 of 32 shots from the field, while the Warriors managed 18 of 50, for 36 percent. From the foul line, the Vikes sank only 13

of 24, 54 percent, but they connected on six of nine in the final 53 seconds.

The Warriors, who normally step to the foul line at least 20 times a game, attempted only six free throws and hit on three of them.

"They (Glendale) did a good job defensively," West Branch coach Stan Solarczyk pointed out. "They didn't reach, and they slid well.

"I don't want to take anything away from Glendale, because they played a good game. But we just had an off night. The kids wanted it bad, but it was just one of those nights."

The Warriors led throughout most of the first half, although they hit on only 10 of 28 shots, as Jon Fetter tossed in eight of his team-high 14 points.

Holding the ball outside on its first possession, West Branch loosened up the Glendale zone enough for the Warriors to get layups for four of its five first-quarter buckets.

Terry Trude, who finished with 13 points, drove for a pair of layups early in the second stanza to give the Warriors their biggest lead of the evening at 18-11, but the Vikes responded with layups of their own by Bill Noel, Dave Lloyd and Bill Jones

to close the gap. Jumpers by Ron Jasper and Jones gave Glendale its second lead of the half at 19-18, while the defense was holding the Warriors scoreless for nearly five and a half minutes.

Jerry Callahan hit a jumper with 28 seconds left in the half to end the Warriors' drought and Fetter's layup 17 seconds later set the halftime score at 22-19.

In the third quarter, Glendale regained the lead on a play that seemed to deal a severe blow to its chances to win the contest.

Trailing by a point at 24-23, Jasper drove to the basket, but was fouled and crashed to the floor, injuring his wrist in the process. The senior guard, who had tallied 10 points in two and a half quarters, was taken to a hospital for x-rays.

Rick Holes canned the two foul shots to put the Vikes on top 25-24 with 4:07 left in the quarter. A minute later West Branch regained the lead on Joe Matsko's layup, but that was the Warriors' last points of the period and their last lead of the game.

Glendale took a 30-26 lead into the final quarter and jumped to a seven-point lead behind the offensive play of Noel, who scored the Vikings' first

seven points of the quarter.

In the final minute and a half, the Vikes didn't take a shot from the floor, but hit on eight of 13 free throws to keep the Warriors at bay.

Jones led Glendale with 15 points.

"Randy Wills and Bill Noel did a heck of a job on the boards, limiting West Branch to one shot and keeping the ball alive down at our end," Terza said. "After Jasper went out, we didn't give up. I put a junior (Holes) in to replace him and then a sophomore (Tom Murray), and they did a good job."

"Glendale was scrappy and patient out there tonight," Solarczyk said.

"They did the things they had to do."

West Branch won the junior varsity contest 41-26 behind John Mann's 13 points.

The Warriors game with Harmony starts at 1 p.m. Tuesday, while the Vikes are off until Friday when they visit the nest of the Harmony Owls.

The visitors led 19-10 after one quarter and 34-21 at the intermission, but the Vikings kept the score

close for the early part of the first quarter.

"We traded buckets for a while," Glendale coach Tom terza said. "But their size finally caught up to us. They started to work the ball inside on us and we couldn't stop them. They were getting two and three shots.

The Devils outscored the hosts 16-13 in the third quarter and 23-15 in the final stanza.

Glendale was 18 of 44 from the floor, while Bellwood-Antis clicked on 34 of 71 attempts. The Blue Devils dominated the boards 35-18. Glendale was also hurt by turnovers, the Vikes committing 20, the Blue Devils 12.

Tide Sinks Vikes 79-56

FLINTON — Five players reached double figures last night as Curwensville Area High School's cagers rolled to a 79-56 Moshannon Valley League triumph over Glendale in a make-up game that was postponed Friday night because of inclement weather.

Bruce Shaw scored 23 points to lead the Golden Tide, now 4-6 in league play and 6-13 overall. Rich McKnight contributed 16 points, Eric Flanagan had 14, Greg Bakaysa netted 12 and Tim Opaliski added 10 for the winners, who jumped into a tie for fourth place and buoyed their hopes of making the league playoffs.

Dave Lloyd had 16 points Bill Jones 15 and Ron Jasper 11 for the Vikings, who finished their league schedule 3-9. They are 3-18 for the season.

Curwensville was red-hot from the floor in the first half, connecting on 16 of 25 field goal attempts for 64 percent. The Tide finished the game shooting 54 percent (35 of 66).

"Their shooting percentage was phenome-

nal," Glendale coach Tom Terza noted. "They weren't shooting layups, either. They were putting up 15- and 20-foot jump shots and getting nothing but net."

On the other hand, Glendale was cold from the floor, hitting just 22 of 70 attempts. That, along with the huge rebounding edge Curwensville enjoyed (40-26), hurt the Vikings all night.

"Bruce Shaw just wasn't missing tonight — he was

over 70 percent shooting from the floor," Tide coach Dick McKnight said. "Our kids worked real hard and it was a total team effort. I think Tim Opaliski did a nice job handling the ball out front.

"And I thought Rich did a good job rebounding, especially on the off side. We had 20 assists tonight and that made me happy. We usually only average about six a game," McKnight added.

Curwensville led 16-11

after one quarter and 36-28 at the half. But the Tide put the game away in the second half, when they outscored the hosts 43-28.

"We got to within 10 points in the third quarter, but just when we got close, they got hot again," Terza said. "We were very cold, and even though we took more shots than they did, they weren't falling. Their size hurt us, too."

Tom Murray netted 13 points and Jeff Noel added 10 as Glendale won the

junior varsity game 36-33. Dan Stricek's 18 points were high for Curwensville.

Glendale will host Blacklick Valley in a non-league tilt tomorrow night. Blacklick which beat United 55-43 last night to up its record to a school-record 19-5, defeated the Vikings 52-32 on Dec. 14.

Curwensville, meanwhile, will host regular-season league champion Moshannon Valley Friday night in Patton Hall. The Black Knight's beat Curwensville 65-47 on Dec. 21.

Vikes Beaten 61-48

FLINTON — Playing inspired basketball before a large crowd on Senior Recognition Night, Glendale High School's cager's led visiting Blacklick Valley 17-15 after one quarter and 29-28 at the half of last night's non-league scholastic schoolboy game.

But the visitors, who brought a 20-3 record into the game, exploded for 33 second-half points and held the hosts to just 19 to escape with a 61-48 victory.

"I'd really like to thank our fans," Glendale coach Tom Terza said. "Considering the fact that our record was 3-18, we had a lot of people show up for the game and they were very vocal. I appreciated that. I think it helped us out."

Two seniors, Bill Jones

and Ron Jasper, team with junior Bill Noel to spur Glendale's upset bid. Jones had 15 points, Noel 14 and Jasper 12.

The Vikings played a very good first half of basketball.

"I was really pleased with our play," Terza added. "We were controlling the game in the first half. Our defense was really active out front, and early in the game, we were forcing turnovers and then coming down and getting easy layups."

The winners, however, started hitting from the outside in the second half, something they failed to do in the first 16 minutes.

"We really cooled off in the second half," Terza noted. "And they hurt us from the outside with their perimeter shooting."

Chris Skubik's 20 points were high for Blacklick Valley, which has set a school record on its way to the Northern Cambria League Section A and Appalachian Conference

East Division championships. Bryan O'Farrell added 12 markers.

Blacklick Valley, which outrebounded the hosts 30-28, shot 47 percent from the floor for the game, connecting on 23 of 49 attempts. Glendale, on the other hand, was 19 of 55 for 34.5 percent.

Tom Murray scored 10 points for Glendale in the junior varsity game that was won by Blacklick Valley 46-33.

Glendale, 3-19, closes out its season Friday night with a non-league game on the road against Bellwood-Antis.
