

Hole in the middle: Vikes must try to replace Sinclair

By Scott T. Shindledecker

FLINTON - Who's going to score?

That's the big question facing the Glendale Viking boys' basketball team after Steve Sinclair graduated this spring.

Sinclair was the 10-15 Vikings do-everything man, scoring a school-record and Progressland all-time high 1,944 points, grabbing 1,148 rebounds and 377 blocked shots.

"We lost three starters and Sinclair is impossible to replace. We have a limited number of players who have played on the varsity, so it's a concern how they will react," Viking head coach Mike Strasser said.

Strasser, in his 11th year as head coach and 12th overall, has a small, quicker team that will depend on 3-point shooting and pressure defense.

"With our lack of size we are working on rebounding the ball. The 3-point shooting is a strong suite for us, but we have to have the ball if we are going to score," Strasser said.

Senior Jason Turner and junior Paul McClellan are both returning starters for Strasser. McClellan is the returning scorer for Glendale with 8.6 points per game. He also made 20 3-pointers. Turner averaged 7.3 ppg.

Strasser said senior Yuki Murasusumu, juniors Mike and Mark Harpster and sophomore Jared Andrews are probable starters.

Mark Harpster played in 15 games last season averaging 1.1 ppg. Both Harpsters are 6-1,

Andrews is 6-2 and McClellan is 5-11. Strasser hopes that group can pick up the rebounding slack.

With only 14 players out for the team, Strasser is concerned with depth over the course of the season.

"We're trying to run two programs and it's tough with these numbers. We have a lot of kids that haven't played varsity, but the guys are working hard and starting to step up," Strasser said.

Glendale scrimmaged Calvary Baptist last week and six players scored in double figures.

"We want to be .500 and I want to see improvement every week. If we improve every week, the numbers will take care of themselves," Strasser said.

Glendale, competing in the Mo Valley and Juniata Valley leagues, will have its work cut out. The Vikings were third place, 4-4 in the MVL and fifth place, 5-9 in the JVL.

Juniata Valley was 27-4 and a state finalist in Class A, Bellwood-Antis was 17-10 and Williamsburg went 17-11. Curwensville was 19-7 and Harmony was 19-9 in the MVL.

"Both leagues are very competitive, so we'll have our work cut out for us," Strasser said.

Glendale opens its season Friday night in the Northern Cambria Tip-off Tournament.

Vikes snap streak against Knights

By Travis Welpott
Sports Writer

FLINTON - The Glendale boys' basketball team had been averaging just 47 points per game this season, but last night the Vikings nearly doubled that average.

That season-high point total helped the Vikings snap an 11-game losing streak as they defeated Moshannon Valley 83-65 in Moshannon Valley League action at Glendale High School.

"I thought we played very well," said Glendale Viking head coach Mike Strasser, whose team improved to 4-16 overall and 2-5 in the league. "We got some good balanced scoring."

In the first quarter, Scott Jones scored three field goals and Aaron Thompson hit two three-pointers to help give the Black Knights (4-15, 1-6) a 19-18 edge over the Vikings. Paul McClellan and Jared Andrews each scored six points for the Vikings to keep the game tight.

Early in the second quarter, Thompson again nailed two three-pointers, but Andrews answered for the Vikings with a three-pointer and a field goal.

The Vikings were able to shut down Thompson's scoring for the rest of the second quarter. Andrews, meanwhile, scored four more points to help Glendale to a 40-36 lead at the half.

With three-pointers from Tim Hawkins and Thompson, the Knights went ahead 40-42 in the

opening minute of the third quarter.

But after a Glendale timeout, the Vikings began to break the game open.

"We were concerned coming out into the second half," Strasser said. "We had the lead, but they came out and hit two threes right away. We made a change and went man-to-man (defense), which created turnovers and the floor opened up for us."

Erich Wagner's three three-pointers lifted the Vikings to a 63-49 lead at the end of the third quarter.

Glendale broke the game open with 5:33 to go in the game as the Vikings took a 70-53 lead.

Thompson nailed six three-pointers on the way to a 22-point performance. Hawkins scored 11 points.

McClellan scored 17 points on the game and Andrews had 15 rebounds to go with his 19 points for the Vikings.

"We got scoring and good defense out of Paul," Strasser said. "I am real proud of Jared Andrews. He did a whale of a job getting the ball off the boards."

Wagner led all scorers with 27 points.

"The kids were really into the game and they played hard," Strasser said. "All year we have stressed that as long as you play hard it doesn't matter if you win or lose, but tonight we played hard and had some success. We are real happy for

that."

Both teams are in action tonight as Glendale hosts Williamsburg and Moshannon Valley travels to Juniata Valley.
