

1999-2000 Season

With a year under his belt, Terza expects Vikes to make positive strides

By Michael Love
Sports Writer

FLINTON — It's been a rocky road the past two seasons for the Glendale High School basketball team.

The Vikings have gone 5-42 the past two years including a 1-23 record in 1998-99. However, despite the recent troubles, second-year head coach Tom Terza feels that his team can really make positive strides this season.

"I inherited the program right before basketball season started last year," said Terza. "I didn't get a chance to work with them in the offseason before last season began. Any more, in any program you look at, it's a year-round thing. There really isn't any 'end of the season.'

"We've had a really good bunch of kids that have put in a lot of time over the offseason. We played in a tournament last spring, we went to camp together this summer, we played in a summer league and we even played in a fall league over in Altoona. We've put our time in to get better, so I think that we are going to see dividends."

Glendale welcomes back seven letterwinners to this year's team. Senior Brent Matish, the team's top scorer from last season, returns, but will probably be out of action for awhile.

The 5-10 Matish, a Progressland Honorable Mention Selection as a junior, suffered a fractured ankle in the second day of practice and could possibly be out of action until early January. Matish's 18 three-pointers last season were third on the team behind graduates Mike Hoey and Jim Dick.

"Brent is not only a leader on the court, but also off it," said Terza. "I think with his injury,

it's going to force some of our underclassmen to assert themselves right now. We have a really good core group of juniors. They're not going to have to wait to make an impact in Brent's absence.

"Even though Brent's hurt, he's still been a factor. He's been coming to practice and he's still vocal. That will definitely help for when he gets back.

One of those juniors that will most likely make an immediate impact is 5-8 guard Adam Beers. Terza said that Beers will run the point for the Vikings while Matish is out. Beers

tallied 3.3 points per game in 19 contests last season.

"Adam is cat quick," said Terza. "We'll be looking for him to make things happen."

Terza noted that juniors Brian Dubler (3.6) and Kyle Dague (2.4) are expected to see time in the front court along with 6-4 senior Phil Ricketts (4.0). Junior Brad Harrison (0.8) and senior Nathan Garman (4.3) will see time with Beers and Matish in the backcourt.

"Kyle and Brian have put in a whole lot of time in the offseason to improve their game," said Terza. "Brad is our quarterback in football.

Roster Seniors

*Nathan Garman (5-11, guard), Matt Lybeck (6-0, forward), *Brent Matish (5-10, guard), Tom Morrison (6-2, forward), *Phil Ricketts (6-4, forward).

Juniors

*Adam Beers (5-8, guard), *Kyle Dague (6-1, forward), *Brian Dubler (6-0, forward), *Brad Harrison (5-10, guard).

Sophomores

Justin Baker (5-7, guard), Pat Mackin (5-8, guard).

Freshmen

Shawn Krestar (5-11, guard), Mike Morrison (5-7, guard), Christian Yingling (5-9, guard).

*Denotes returning letterwinners.

We're looking at him to make a difference for us. Nathan and Phil are probable starters. They're going to have to step up in Brent's absence as well."

Terza believes that Harmony, with all five starters back from last season, will be the team to beat in the Moshannon Valley League. However, he expects the whole league to be tough with his own squad in the thick of things.

"I think that everybody has their eye on Harmony," said Terza. "They have a core group of players that have been playing together year after year. We went to camp with Harmony and they beat New Castle. I think that you are going to see some really good things from them, not only in the Mo Valley League, but overall. We look to be right there in the hunt as well."

Mounties run past Vikings in season opener

By Michael Love
Sports Writer

AMESVILLE — With 2:41 left in the fourth quarter of Friday evening's high school boys' basketball season opener between Philipsburg-Osceola and Glendale, the Vikings took a 33-30 lead on a three-pointer from Brian Dubler.

After that, it was all Mounties.

P-O blitzed Glendale with a 12-0 run over the final 2:30 to capture a 42-33 win in the semifinals of the Moshannon Valley Booster Tip-Off Tournament at the Monte Close Gymnasium.

With the win, the Mounties advance to this evening's championship game against Cambria Heights, a 57-37 winner over host Mo Valley. The title tilt is set for 7 p.m. The Vikings and the Black Knights will do battle in the consolation game at 5:30.

"I don't think we played as well as we could have the whole game," said P-O head coach Dennis Arnold. "We made

some mistakes in certain areas. We really picked it up in the fourth quarter, creating a lot of turnovers off our trap. Basically, that's what turned the game around. We also executed well in the fourth, getting some better shots."

"Coming off the last two seasons, these guys haven't been in too many close games towards the end," said Viking head coach Tom Terza. "It's a new experience for them dealing with pressure. They started to press us in the second half and we didn't handle it as well as we should've. We tried to force some things and do too many things with the dribble. There was just too many mental mistakes towards the end."

Glendale hurt themselves with the turnovers, committing 26 in the game. It was something that Terza noted was clearly one of the main factors in the game's outcome.

"The turnovers are what it all came down to," said Terza. "I told them before the season, and I keep telling them, that

unless we get our turnovers down somewhere around ten per game, we're not going to win."

Junior Jesse Wilson led the Mounties with 16 points, four rebounds and three assists. Senior Jeremy Ferguson added eight points and four rebounds. Wilson tallied five points to lead the P-O charge in the fourth-quarter run. Trevor Askey, Joe Clyde and Matt Kendrick each chipped in with four points.

"I feel it was a real team effort tonight," said Arnold. "The guys that started and the guys that rotated off the bench played really well together. Obviously, Jesse and Jeremy stepped up. I thought Trevor did a good job of calling the plays out and running the offense."

Down three late in the fourth, the Mounties started their run as Ferguson connected on a jumper. Ferguson led P-O with six fourth-quarter points. Wilson gave the Mounties the lead for good with a layup and a foul shot.

A layup off a turnover by Wilson extended P-O's lead to 37-33 with 1:03 to play. Three foul shots by Jim Ritter and a layup from Matt Kendrick salted the game away in the closing seconds.

"We got into foul trouble which hurt us," said Terza. "We had been used to Kyle Dague on Ferguson. He had been doing a good job. Then we had to switch and try to find somebody else to pick that up. There were a couple times towards the end of the game that Ferguson got the ball and you could tell he was going to the hole and was successful."

Led by four points from Kyle Dague, Glendale jumped out to a 7-6 lead after the first quarter. Brian Dubler, who led the Vikings with 13 points and seven rebounds in the contest, added two first quarter points.

Each team tallied 11 points in the second quarter as Glendale maintained its one-point lead, 18-17, as the teams headed into halftime. Wilson paced the Mounties with five in the

quarter. Dague and Phil Ricketts scored four points each for the Vikings in the second. The teams went to the final quarter with Glendale ahead 25-24.

"We weren't running our offense badly," said Arnold. "We were getting some decent looks and decent shots. We were missing some easy ones that we should've put in. They limited us to one shot a number of times. That really let them take the lead and take control of the game for a while. We were able to hang around into the fourth quarter and our defense basically finished it off."

Black Knights topple Vikes in consolation game, 57-34

By Michael Love
Sports Writer

AMESVILLE — Moshannon Valley High School boys' basketball coach John Lazor knew that his Black Knights were better than how they played in their 57-37 loss to Cambria Heights Friday evening in the first round of the Moshannon Valley Booster Tip-Off Tournament.

Mo Valley proved its head coach right with a strong 57-34 triumph over Mo Valley League rival Glendale in the tournament consolation game Saturday evening at Monte Close Gymnasium.

"We didn't play a terrific game ... we played a decent game," said Lazor. "We have to keep on working hard. We just have some lax spells at times, but it's early in the season. We have a lot of inexperience out there and there are guys feeling their way through right now. We're pleased with the win."

"We turned the ball over too many times to be in contention to win the game," said Viking head coach Tom Terza. "There were a few times that (Mo Valley) pressured the ball out of bounds. We made a few bad decisions.

"I think we shot poorly also," added Terza. "If a few more shots from the outside would have gone down, I think it

might have been a little closer."

The Knights had three players in double figures led by sophomore Lance Thompson with 11. Brandon Stodart and all-tournament selection Ryan Hawkins added 10 each.

"We had a well-balanced scoring attack," said Lazor. "You can't complain about that."

Mo Valley controlled the boards in the contest swiping 38 caroms to 21 for Glendale. Five Knights had at least five rebounds in the contest. Hawkins had 10 followed by eight from Stodart, six from Tom Wulderk and five each from Thompson and Jeremy Alleman.

"I knew after watching them against Cambria Heights that they were bigger and more physical than we were," said Terza. "I knew that controlling the boards was going to be a key factor and it definitely was. There were several times where they got three or four shots. Any time you allow that, you're going to be in trouble."

Kyle Dague had a strong game for the Vikings with 10 points and nine rebounds. Brian Dubler, who added four points in the contest, was named to the all-tournament team. Dubler tallied 13 points for Glendale in its opening round loss to Philipsburg-Osceola.

Stodart and Dague each scored four points for their respective squads as the first quarter ended tied at six.

Dubler hit a jumper in the opening seconds of the second quarter to give the Vikings their only lead of the game at 8-6. Mo Valley responded with an 8-0 run, taking a 14-8 advantage with 6:21 to go until halftime. Stodart, Alleman, Dave Nevling and Dan Hamilton hit buckets during the run.

Phil Ricketts connected on a jumper to cut the Knight lead to 14-10, but Alleman answered with a jumper and a layup to extend Mo Valley's lead up to eight at 18-10.

Alleman would later drain a three-pointer as the Knights took a 25-16 lead into halftime. The 5-10 senior scored all nine of his points in the game to lead Mo Valley in the second quarter.

"We had a bad start in the first quarter," said Lazor. "We started to run the pick-and-roll and it opened up well. We were able to get a lead and maintain it."

The Knights extended their lead to 38-23 at the end of the third quarter and added to it in the fourth.

Ahead 43-29 with 5:53 left to play, Mo Valley went on a 12-0 run sparked by a number of

Glendale turnovers. Thompson and Wulderk scored six and five points respectively for the Knights in the final quarter.

"I told the guys that they needed to step up and turn the intensity on," said Lazor. "I thought we played really good defense. Basically, every score Glendale got, they earned. I was pleased with the way the guys bounced back. They got the win and now they have to build on that."

Both teams return to action this evening. Mo Valley travels to Claysburg-Kimmel while Glendale hosts Southern Huntingdon.

"We're playing in basically a brand new gym," said Terza of his refurbished everything from last year and the kids are excited about that. We're not too sure what Southern Huntingdon has, but we're going to be ready to play and go at them."

Big run propels Moshannon Valley past Glendale, 56-40

By Michael Love
Sports Writer

FLINTON - It was a tale of two quarters for the Moshannon Valley High School basketball team Friday evening against Glendale.

The Knights held a six-point halftime lead, but scored only four points in the third as Glendale scrapped and clawed their way back to tie the game at the end of three.

However, when the fourth quarter came, Mo Valley exploded.

The Knights used a 16-0 run to start the final quarter and came away with a 56-40 win over the Vikings at the Glendale High School Gymnasium.

With the win, Mo Valley improved to 3-3 overall and 2-2 in the Juniata Valley League. It was the first Mo Valley League contest for the Knights. Glendale fell to 0-6, 0-4 in the JVL and 0-2 in the MVL.

"I was happy that we were finally able to pick up our intensity in the second half," said Mo Valley head coach John Lazor. "We just weren't able to get in sync over the first three quarters. We really turned it on in the last quarter and did what we had to do. We picked it up with full-court pressure and were able to get the lead and extend it.

"I think Glendale tired out," Lazor added. "They really hustled the whole game. You can't let a team like this in the game because of the way they can come up and bite you.

"I think we tried to force things in the fourth quarter too much," said Glendale head coach Tom Terza. "On a number of trips down the court, individual players tried to do too much on their own. We turned the ball over a couple times and things weren't falling for us. Mo Valley was able to hit a few key

shots that put them up for good."

Lance Thompson led Mo Valley in the fourth quarter 16-0 run with seven of his game-high 14 points. Ryan Hawkins added four points during the run and Dave Nevling chipped in three.

Adam Beers and Nathan Garman hit back-to-back layups for the Vikings to make it 47-35 with 3:17 left to play, but time was running out.

After the two teams traded baskets, the Knights added a quick 6-0 spurt to put the game away.

"We had an intense talk at practice (Thursday) night and told them that they have to have five guys working together," said Lazor. "This team has no stars. We have to have five guys clicking together, and that means everybody has to touch the ball and everybody has to do their share on defense."

Brandon Stodart added 13

points and six rebounds. Hawkins also had a strong game with 10 points and eight rebounds.

Beers fronted Glendale with 11 points. Phil Ricketts added eight points and six rebounds. Kyle Dague had a good evening on the boards, swiping eight caroms.

Despite the setback, Terza was happy with his team's effort. The Vikings rallied from 9-2 down in the first quarter and a 29-21 deficit in the third quarter.

"We came out, tried to play zone and they stuck a few jumpers in our eye," said Terza. "We switched to man, and I was very pleased with our defensive effort after that. We chipped away and were eventually able to tie the game.

"The guys did a super job tonight. They never gave up. I haven't felt as pleased as I do now since our opening game

with Philipsburg-Osceola. If you look at how we played Mo Valley in the tip-off tournament and how we played tonight, we're definitely improving. That's what we want to do."

Mo Valley won the junior varsity contest 51-41. Tom Wulderk led the Knights with 15 points. Jon Swistock added 12. Martin Lybek and Shawn Krestar tallied 13 and 12 points respectively for the Vikings.

Mo Valley travels to West Branch Monday. Glendale visits Penns Valley Wednesday.

OT thriller: West Branch ekes past Glendale in MVL tilt

By Michael Love
Sports Writer

FLINTON - After 32 minutes of basketball Tuesday evening, nothing was settled.

The West Branch and Glendale boys' basketball teams battled back-and-forth through regulation. As time expired at the end of the fourth, the Warriors and Vikings were knotted at 41.

In the overtime period, it became a game of foul shooting. West Branch outlasted Glendale from the free throw line and came away with a 47-46 win.

With the win, their second in as many nights on the road, the Warriors improved to 5-11. West Branch also upped its Moshannon Valley League mark to 3-2.

The Vikings fell to 1-14 with the loss, 0-5 in league play.

"This is a really good win for us," said West Branch head coach Randy Strickland. "We had to deal with back-to-back nights on the road. I told the kids that it doesn't get any tougher than that. It's tough to come up here and play. Glendale plays you tough up here. We ran into a buzzsaw tonight. We were very fortunate to pull this game out."

"This was as tough a loss as we've had, but I don't think we played well in general," said Viking head coach Tom Terza. "This was probably one of the poorest games we've played all season. We can't expect to win when we played as poorly as we did."

West Branch held an 11-point

lead early in the second quarter, but saw the advantage disappear. Glendale closed the gap in the third and both teams engaged in a see-saw battle for the rest of regulation.

Luke Hertlein led the charge for the Warriors in overtime. Hertlein was 4-of-6 from the foul line in the extra period, canning one of two with nine seconds left to give West Branch the lead, 47-46.

Hertlein grabbed his own rebound after missing his second foul shot. Glendale's Adam Beers quickly forced a jump-ball situation that gave the Vikings possession the ball with four seconds on the clock.

The Warriors pressed the inbounds play and forced Glendale to use a time out. After the time out, West Branch backed off of the press and allowed the Vikings to push the ball up the court.

Justin Baker took the inbounds pass from Brad Harrison and raced up the court. However, his three-point heave as time expired was off the mark, hitting the top of the back board and landing out of play.

"We were able to do a couple things that confused them over the last couple seconds," said Strickland. "I think that they might have ended up with who they didn't want shooting the ball. That helped us because they looked a little disorganized."

"We wanted to try to beat them deep when they were in the full-court man," said Terza. "When we came back out after

the timeout, they slacked off and had just two up. We wanted to push the ball down the court as quickly as we could. I would have like to have gotten a better shot than what we did."

Foul trouble caught up with the Vikings in the overtime period. Brent Matish, Kyle Dague and Brian Dubler all fouled out in overtime.

"Those three guys are our main scorers," said Terza. "Losing them is definitely a big blow offensively. They're our main go-to-guys. We started to get thin towards the end of the game."

West Branch was 6-of-10 from the line in overtime and 14-of-26 for the game. Glendale hit 5-of-8 of eight foul shots in the extra period and 7-of-11 in the contest.

"We knew going into the game that it would be close," said Terza. "It was going to be the little things like foul shooting that would be the difference."

"I think we made it tougher than it had to be," said Strickland. "We took three or four shots when we were up in overtime that we didn't need to take. Glendale was scrapping - they wanted to really win this game. We were giving them every opportunity in the world to win this game."

"I'm really proud of the fact that these kids had to really dig deep to get this win. We made it tough, but when we had to get it, we got it."

Matt Hertlein had a strong game for the Warriors with a game-high 23 points, 17 in the first half, and 13 rebounds.

Luke Hertlein also had a double-double, his second in as many games, scoring 11 points and grabbing nine rebounds.

Bennett Krippstadt added 10 points and seven rebounds. Scott Mathews had five big rebounds in the fourth quarter and overtime.

"Matt had 17 of our 27 points at halftime," said Strickland. "He played well in the first half, but got a little frustrated in the second half and picked up a couple cheap fouls. Both Hertleins played strong. When it was crunch time, Scott came up with a couple nice defensive stops and Bennett was strong at the end also."

"When we missed those foul shots at the end, Bennett, Scott and those guys got on the boards and scrapped in there. It was a big win - bottom line."

Matish fronted the Viking offensive attack with 19 points. It was his sixth double-figure game in his first eight games. Matish missed the first seven games due to a fractured ankle.

"Brent's our go-to-guy in there," said Terza. "Even when he doesn't score, he's doing something else to help us out. His hands would have been on the ball at the very end had he still been in there. He's still not at 100 percent, so that says a lot."

Brian Dubler reached double digits for Glendale with 10 points. Phil Ricketts added nine rebounds. Dague finished with eight rebounds to go along with nine points.

Emotional Golden Tide knock off Vikings, 77-60

By Michael Love
Sports Writer

CURWENSVILLE - Wednesday's boys' basketball game between Curwensville and Glendale could be likened to a boxing match.

No, there were no punches thrown or anything like that.

The Golden Tide jumped ahead with a flurry at the start, but saw the Vikings rally. Curwensville gained an advantage again only to see Glendale scrap and claw its way back.

Toward the end of the game, the Tide delivered one final 1-2 punch that put the Vikings to the mat. That 1-2 punch came in the form of Adam Donahue and Erik Anderson.

Donahue and Anderson combined for 25 of Curwensville's 28 fourth quarter points as the Tide pulled away in the final stanza for 77-60 win.

The Tide, who improved to 7-10 overall and 4-2 in Moshannon Valley League play, took the court with heavy hearts. The grandfather of Curwensville junior Elliott Wagner passed away earlier in the day.

"We wanted to really win this one tonight," said Curwensville head coach Steve Kovall. "Elliott and his grandfather were really close. Elliott didn't know about it until after the game. He ended up playing a pretty nice game. Had a couple threes that sparked us in the second half. We dedicated both the JV and varsity wins in memory and in honor of Mr. Wagner."

Curwensville held a 49-41 lead at the start of the fourth and made it a 10-point advantage on a Stu Michaels' jumper. Glendale's Brad Harrison canned a three-pointer and Phil Ricketts hit one-of-two from the line to cut the Tide advantage to five, 51-45, with 6:37 left to play.

That is as close as the Vikings would get the rest of the way.

Curwensville went on a 2-8 run over the next five minutes to salt the game away. Donahue hit three of his six three-pointers and tallied 13 of his

game-high 24 points in the fourth. Anderson added 11 points in the final stanza, finishing the game with 20.

"Anderson stepped up and did a great job in the fourth quarter," said Kovall. "He only missed one foul shot for the game (6-of-7) and was perfect in the fourth. Last game, he was 2-of-9 from the line. Adam was strong for us from outside in the fourth."

Curwensville raced out to a 19-6 lead after the first quarter. Glendale hurt themselves with eight first quarter turnovers. Donahue and Anderson paced the Tide with eight and seven points respectively in the first.

The Vikings rallied in the second behind nine points from Nathan Garman. Glendale outscored Curwensville 24-13 in the second to cut the Tide advantage to 32-30 at the break.

"I think this game can be compared to the season in general," said Glendale head coach Tom Terza. "At times, we showed some really positive things, but we're also really inconsistent. It seems like every game we come out, it takes us the first quarter to warm up. We then start doing some things right in the second quarter."

"They got the ball inside a few times and that hurt us," said Kovall. "We were more worried about their outside shooters and keeping (Brent) Matish from penetrating. We more or less gave them the inside pass. We didn't want them to kill us from the three-point line. They have some nice outside shooters."

The third quarter started like it had in the first for Curwensville. The Tide used a 15-2 run to begin the third. Chuck Records tallied six points during the run, ending the game with 10.

"I was really pleased with Chuck Records tonight," said Kovall. "I've been telling him that he's got to penetrate and shoot a little bit. He's starting to do those kind of things."

Glendale started to mount another comeback over the final three minutes of the third, outscoring Curwensville 9-2.

"I told the guys at the end of the third quarter that I wish we could have played straight through and not taken a halftime break," said Terza, "because we were playing well at the end of the first half."

Michaels also hit double digits for the Tide with 14 points. In addition to his 20 points, Anderson added nine rebounds, just missing a double-double.

The Vikings placed three players in double figures led by Ricketts with 15. Garman and Matish added 13 and 12 points respectively. Ricketts hauled in eight rebounds. Kyle Dague pulled down seven caroms.

GAME NOTES: Curwensville committed 19 turnovers in the game to 18 for Glendale ... Matish aggravated a foot injury early in the first quarter, but was back in the lineup shortly thereafter. Matish missed the first seven games of the season with a foot fracture suffered on the second day of preseason practice ... The Tide held a 32-23 edge in rebounds ... Led by 23 points from Kyle Clark, Curwensville won the junior varsity game 50-43. D.R. Howell added 12 points for the Tide. Martin Lybek tallied 12 and Adam Beers added 11 for the Vikings ... Glendale travels to Moshannon Valley Friday. Curwensville returns to action Monday at Mo Valley.
