Lady Vikings Eye Winning Season, MVL Playoffs

GLENDALE — Pat Pino is one of the first Glendale Area High School girls basketball coaches in a long while who can wishfully hope for a winning season.

Coming off a 4-11 season, one in which the Lady Vikings ended a 43-game losing skid that dated back to 1978, Pino appears to be turning over a new leaf in the Glendale program despite having just two returning letterwinners.

"Practice has been coming along real well," Pino quipped when contacted last night. "The girls are hustling and seem

to be excited about the upcoming season."

Seniors Lisa Tiesi and Denise Jenkins are the returning letterwinners, both having started last season. Tiesi canned 58 points as a guard, while Jenkins netted 29 points, also as a guard. They are the only two girls on this year's squad with prior varsity experience.

"I really don't think that will be a problem," Pino said, when asked about the other 15 players lack of varsity experience. "Most of the other girls played for our jayvee program last year, and they were 11-4. So I don't think experience is going to be a problem."

But finding an offensive leader might be.

"Offensively, we just don't have any one outstanding player," Pino said. "So we'll let everyone handle the ball and get an equal chance to shoot it. We don't have much height, either, so we'll have to rely on our speed and hope for the best."

But at the same time, Pino is hoping to avoid injuries because as he puts it, "a couple of them could really hurt us."

Pino is also counting heavily on his remaining

GLENDALE HIGH SCHOOL girls basketball returnees are Lisa Tiesi, left, and Denise Jenkins.

five seniors, who should garner much of the playing time this season.

They are — Nancy Gallaher (5-6), Melisa Peacock (5-7), Sheila Gabrielson (5-7), Lisa Troxell (5-6), and Paula Brungo (5-5).

"We'd just like to have a winning season and make the Moshannon Valley League playoffs," said Pino about his team's goals for 1982.

Pino, in his second year, is busy getting the Lady Vikings ready for their first two games — both non-league encounters, the opening being Sept. 2 when the Vikettes host Bellwood-Antis.

"We start off with two real tough games against Bellwood and Tyrone, and I think it will be a good experience for us, that's

why I scheduled those two games first," he said.

He's hoping his team wins the close games this year, as well.

"We lost a lot of close games last year," Pino said. "With a little bit of luck we could have had a .500 season."

And with a little bit of good luck for a change, this year's team could be the first Glendale team in a long time to have a winning campaign.

Fouls Prove Lethal To Vikette Cagers

FLINTON — The Glendale High School cagerettes paid a heavy price for fouling Bellwood-Antis sharpshooter Monica Barry last night.

The Lady Blue Devil junior toed the foul line 14 times and made 13 shots. She hit six free throws in a row in the second quarter when the homestanding Lady Vikings were poised to turn the non-league opener into a runaway.

In the fourth quarter, when the Lady Blue Devils capped a second half comeback that produced a 45-39 victory, Barry converted seven of eight foul shots.

The 1981 Juniata Valley League second-team all-star added four field goals for a game-high 21 points.

Her performance was crucial, for Lisa Tiesi and Denise Jenkins spurred a determined Glendale effort with 19 and 11 points, respectively.

Coach Pat Pino's Lady Vikings opened a 25-17 halftime lead with an 18-point outburst — 12 by Tiesi — in the second quarter, but they managed only four points in the third period, allowing the visitors to get close.

Paced by Barry, Bellwood-Antis outscored Glendale 17-10 in the final eight minutes, moving in front midway through the quarter.

The Lady Viking jayvees, led by Beth Ann Tiesi's 12 points, won 26-17.

Glendale will host Tyrone Tuesday in another non-league scrap.

TAHS Girls Dunk Glendale, 54-39

Tyrone Area High's girls basketball team, seemingly, hasn't lost a beat as it heads into the new season with only three seniors on the squad after an outstanding 19-7 campaign last Fall.

Head coach Kitty Johnston's 1982 contingent did a 54-39 number on Glendale's Vikettes last night off the shores of Lake Glendale at Glendale High School to record its second win in as many starts as talented Barbie Miller provided the punch.

The Eaglettes broke to a 10-2 lead in the opening canto, watched that advantage shaved by a point (24-17) by halftime, and then outscored their hosts in each of the final two periods, pulling away with a 17-10 margin in the backstretch, to seal it.

Enroute they shot a blistering 23-for-35 (66-percent) from the floor and were 'extremely aggressive' Johnston praised.

Miller, the school's all-time scoring leader, topped the 20-point mark for the second time this season with 26 points, while Wendy Beals added 12 and Jennifer Burley 11.

The Eaglettes visit Williamsburg tomorrow night on the second leg of a three-game road swing.

Lady Vikes Tighten 'D'

AMESVILLE — Glendale had allowed nearly 100 points in its first two games, but the Lady Vikings reversed that statistic against rival Moshannon Valley last night as they rolled up a 45-27 victory over the Black Damsels in a Moshannon Valley Scholastic Girls Basketball League game.

Lisa Tiesi took scoring honors with 18 points for the Lady Vikings, who also got 16 from Denise Jenkins.

"We played good defense and put a lot of pressure on the ball," coach Pat Pino said. "Denise and Lisa picked off a lot of passes in the second quarter and scored on a lot of fast breaks."

The Lady Vikings built up a comfortable 20-9 cushion at halftime, and they just kept pouring on in the second half by scoring 25 points.

"We controlled the boards the whole game," Pino said. "We didn't give them very many second or third shots. We played four full quarters for a change, and that made all the difference in the world."

Pino played all 10 girls who dressed for the game, because as he put it, "we had things pretty much in hand after the third quarter."

Claudia Montoro led the Black Damsels in scoring with 10 points. Coach Frank Belella's team shot a dismal 3-for-14 from the foul line.

The Lady Vikings also won the jayvee game 20-15, as Beth Tiesi contributed nine points. Betsy Garman added seven for the winners.

Glendale will return to MVL action Tuesday when it hosts Curwensville. Mo Valley will travel to Philipsburg-Osceola on Wednesday.

September 14, 1982: Curwensville 33 at Glendale 35

FLINTON — Glendale opened up its Moshannon Valley League season with a narrow 35-33 win over Curwensville last night as Lisa Tiesi fronted the Lady Vikings' attack with 17 points.

"Our biggest lead was five points with about four minutes to go in the last quarter," winning coach Pat Pino noted. "It must have been 90 degrees in the gym and both teams were sluggish."

But Pino doesn't mind the heat as long as his team wins the close games.

"It's nice to win those close ones," admitted Pino. "That's the first time in years we've won two consecutive games."

Denise Jenkins also added 10 points for the Lady Vikings.

Pino said his team took advantage of a lot of easy hoops.

"Our shooting was off," he said.

"Most of our points came on layups. They out rebounded us in the first half, but in the second half we started getting some rebounds of our own."

Wendy Bloom led the Golden Tide with 13 points, and most of her shots came from long range.

The Tide held an 8-6 lead after on quarter, but the lady Vikings battled back with 10 second quarter points to take a 16-14 lead at the intermission.

The Tide also outscored the hosts 5-4 in the third stanza, but the Lady Vikings used a 15-14 edged in the last eight minutes to solidify the victory.

The Vikings will travel to Clearfield to play Clearfield St. Francis in a league game tomorrow, while Curwensville will host Elk County Christian in a non-league game at Patton Hall.

Glendale also captured th jayvee game 21-16. Beth Tiesi led the Lady Vikings with nine markers.

Lady Vikings Nip Fillies for 3-0 MVL Log

By **RON MUSSELMAN**
Progress Sports Writer

Lisa Tiesi and Denise Jenkins are the main reasons the Glendale High School girls have regained some long-lost respectability on the hardwood this season.

Tiesi, a 5-4 senior point-guard, made a crucial steal with 40 seconds left in last night's Moshannon Valley League game with Clearfield St. Francis to give the Lady Vikings a 37-36 victory at Glynn Hall.

Coach Pat Pino's Lady Vikings remained in first place with their third straight league win. They suffered two non-league setbacks to open the season.

The Fillies battled back from a 25-21 halftime deficit to tie the contest at the 2:47 mark of the fourth quarter when Cynthia Belin connected on a 15-foot jumper from the top of the key.

The Lady Vikings then tried to freeze the ball for the last two minutes, but when Fillie center Katie Livergood blocked Jenkins' shot with a little over a minute to go, the Fillies had the ball and the lead. All the Fillies had to do was hold the ball and run the last 50 seconds off the clock. Easier said than done, though.

Following a timeout, Livergood inbounded the ball to Belin, who quickly had it stripped by Tiesi on a marvelous defensive play. Tiesi picked the ball up at midcourt and proceeded to drive in for the easy layup, which proved to be game-winner.

The Fillies, however, had one final chance to pull out a win, but when Livergood's inbound pass from underneath the basket was intercepted by Jenkins with eight seconds remaining, it sewed up the game for the visitors.

Pino was elated with Tiesi's crucial steal.

"She's just so quick," an excited Pino said. "She made a real nice play, and as a result, she got the easy two points."

Losing coach John Lazor never expected his team to surrender the ball so fast.

"We told the kids to spread it out," he said, when asked about his strategy in the final 40 seconds. "We thought they would go man-to-man, and if they did, then we had a play set. But they really surprised us when they came out in that 1-2-2 defense."

The visitors relied mostly on the strength of Tiesi to build up their four-point lead at the half. Tiesi, the second leading scorer in Progressland with a 17.1 average, connected on three field goals and sank seven of 10 charity tosses for 13 points at the intermission.

"She has been shooting over 60 percent from the foul line this season," Pino pointed out. "I'll take that anytime."

Jenkins, who is the Vikings' second leading scorer with 10 points per game, was held in check the first quarter, but managed to sink three long outside jumpers in the second stanza.

"In three of our five games so far," Pino said, "either Denise or Lisa have been hot from the outside and that has really been the key to our offense."

The Lady Vikings grabbed a quick 27-21 lead to start the third quarter when Melissa Peacock hit a jumper from the corner. But Kathleen Fitzmaurice and Belin stole consecutive passes and converted them into easy layups to move the Fillies back to within two points.

The winners built up another six-point margin early in the fourth quarter, but it didn't last very long. Two Chris Pallo free throws and an outside jumper by Maria DeMatteo cut the deficit to two.

Pallo, who tallied 11 points, added another free throw with three minutes to go, and then Belin, who led the losers with 12 points, followed shortly thereafter with her jumper that gave the Fillies the lead for the first time since early in the first quarter.

Glendale, which scored just four points in the final quarter, got the game's most important field goal from Tiesi to clinch the victory. It wasn't a good offensive second half for the Lady Vikings, who were out-scored 15-12, but Pino was glad to escape with the narrow victory.

"I'll take a win anyway we can get it," Pino mused afterwards. "I think the girls are getting confidence in themselves now. This is our third win in a row and I can't remember the last time that happened."

It was long before Tiesi and Jenkins arrived on the scene.

The Lady Vikings will return to MVL action Tuesday when they host DuBois Central in an important scrap, while St. Francis, 1-2 in the league and 2-3 overall, will entertain Clearfield in a non-league

contest tomorrow night. That game will start at 7:30 and there will be no jayvee game. The St. Francis jayvees will resume their schedule next week.

GLENDALÉ—Trailing by nine points midway through the third quarter, the DuBois Central Lady Cardinals came from behind in the closing minutes to defeat Glendale 39-35.

As a result of game the DuBois Central record stands at 3-1 in Moshannon Valley League play and Glendale suffering its first league loss, also is at 3-1.

Glendale moved in front 27-18 in the third quarter, but could not hold the big lead when Joan Fitzpatrick and Anna Gaffney each scored field goals and then Julie Good pushed in

a layup to cut the lead to three points entering the fourth quarter.

Late in the game DuBois Central finally moved in front 34-33 on a baseline drive by Stephanie Woika who was the high scorer in the game with 26 points.

But, a corner jumper by Paula Brungo of Glendale put her team back in front 35-34. Woika responded with two clutch foul shots with 27 second left to put Central back on top 36-35.

Glendale attempted to work for the final shot, but hustling Gretchen Gordon picked off a pass with

13 seconds left and Glendale was forced to foul Good.

Good made the first foul shot and Woika rebounded the second and "stung" a five footer for the final tally.

Coach Doug Vanderhorst called the win a "team effort" in coming back from the deficit.

Vanderhorst said the girls executed well down the stretch and at the foul line where they were nine of 14 and five of six with less than a minute to go.

The game was marked by cold shooting and numerous turnovers by both teams in the first and third quarters, but then heated up for the exciting finish which Vanderhorst called "a team morale booster."

The Lady Cardinals journey to Bradford Central tomorrow night.

FLINTON — Glendale upped its Moshannon Valley Girls Basketball League record to 5-2 and evened its season mark at 5-5 last night with a 23-15 decision over Moshannon Valley.

The Black Damsels drop to 1-6 in the MVL and 1-8 overall.

"We changed our defensive strategy tonight," said Moshannon Valley coach Frank Belella. "They beat us by 18 before, so we made some defensive adjustments. The girls hustled and scrapped every minute, but we couldn't get anything to fall on offense."

Glendale, however, managed to sink 10 field goals in 57 attempts for 17 percent (but only three of 12 free throws), while Mo Valley hit on only four of 27 for 15 percent.

"We were out-rebounded again," Belella noted. "That's been the story all year."

The Vikettes pulled down 28 caroms, led by Sheila Gabrielson's nine, while the Damsels grabbed 16, with Lisa Ricciotti hauling in eight.

No one in the game reached double figures, but Glendale's Sheila Gabrielson and Lisa Tiesi made it half way there with five points each.

Paula Brungo and Nancy Gallaher and Betsy Garman balanced the Vikettes' attack with four points apiece.

Sherry Dugan and Polly Reese led the Damsels with four each.

In the junior varsity struggle, Mo Valley won its seventh straight, knocking off the Vikettes 32-22. Deb Nevling topped the winners with nine, while Beth Tiesi toosed in 12 in a losing cause.

Vikettes Move To Second in MVL...

Glendale Foul Shooting Sinks The Golden Tide

By RON MUSSELMAN
Progress Sports Writer
CURWENSVILLE —
For a good part of the season, foul shooting hasn't been the Glendale girls basketball teams' forte.

But when they needed it most, they got it.

The Lady Vikings clicked on 16 of 23 foul shots last night en route to a 44-25 Moshannon Valley League triumph over Curwensville at Patton Hall to move into sole possession of second place with a 6-2 record.

Coach Pat Pino's squad moved into second by virtue of Harmony's 54-33 trouncing of DuBois Central. Curwensville, meanwhile, fell to fifth place in the league with a 3-5 record.

"We've been shooting free throws for a half-hour before practice every night this week," the fiery Pino said. "We've been pathetic from the line this season, but I guess it finally paid off tonight."

For the first sixteen minutes, though, the Golden Tide hung tough. The Lady Vikings got buckets from four dif-

ferent players in the first quarter to take an 8-4 lead. Wendy Bloom and Tammy Tubbs each had a basket to account for the Tide's first quarter points.

Both teams scored seven points in the second quarter, Bloom collecting five for the losers. Outside of a Lisa Tiesi two-pointer, the Vikings got their other five points from the charity stripe.

"I told the girls at half, 'Don't foul them, they don't miss,'" Tide coach Joni Bartell noted. "They weren't beating us in anything else, but the foul shots."

It was all down hill for the Tide the final sixteen minutes, however.

"We came out fired up in the second half for a change," Pino offered. "We started to move the ball well and look for the open shots."

Bartell was less sympathetic in her observations. "They just blew us out," she responded. "They pushed us too far out on defense, and we couldn't hit from the outside."

The Vikings converted several fast breaks and steals into baskets in the

third quarter as they built up a 27-18 cushion. Tiesi scored six points off the fast break, twice on neatly executed passes from Denise Jenkins.

Jenkins was also hot at the foul line, hitting on six of seven attempts. Tiesi also hit four of five and Melisa Peacock four of six.

"Denises' free throws made the difference," said Pino, whose team finally made it over the 40-point barrier after struggling the past few games.

The winners used a 17-7 advantage in the final quarter in hiking their overall record to 6-5. But most importantly, 6-2 in the league.

"We have never been in this situation before," Pino explained. "Now that we're in second, we have to try and stay there so we can get the home-court advantage in the playoffs."

The Lady Vikings weren't as fortunate in the jayvee game, as the Tide won 19-13. Lori Taylor led the winners with six, while Beth Tiesi scored five for the losers.

Curwensville will host arch-rival Clearfield to-

morrow night before returning to the league next Thursday to host Moshannon Valley. The Lady Vikings will travel to DuBois next Thursday for an important league meeting with the third-place

Lady Cardinals.

FLINTON — Visiting Clearfield St. Francis moved into a second place tie with Glendale in the Moshannon Valley Girls Basketball League by virtue of a narrow 37-36 victory over the Lady Vikings last night.

Both teams are now 6-3, just a half-game ahead of idle DuBois Central (5-3), while Harmony, 7-0, is in first place.

Glendale, which had beaten the Fillies 36-35 earlier this season in Glynn Hall, had battled back from an eight-point deficit after three quarters to take a 36-35 lead with 27 seconds remaining.

Cynthia Belin promptly took the inbounds pass underneath the Lady Vikings basket and drove the length of the court for a

lay-up with seven seconds left to give the Fillies a one-point lead. When Lisa Tiesi's 40-foot desperation shot at the buzzer rolled around the rim and out, the Fillies earned their ninth decision in 13 outings.

"Glendale put together a tremendous rally in the fourth quarter," said a relieved Fillie coach John Lazor, whose team was outscored 20-13 in the last eight minutes. "They scored eight straight points and took a one point-lead with about 27 seconds to go.

"We didn't have any timeouts left at that point, but the girls were patient," he added. "Cynthia just took the ball the whole way down court by herself and got a nice baseline basket."

After holding a 24-16 lead after three quarters, Lazor said his team got a little tired in the final stanza.

"We just got a little careless in the last quarter, and they started hitting," he said. "We were playing a triangle-and-two, but we got in foul trouble and had to go to a zone. Denise Jenkins hit three shots in a row from the corner to draw them close, so we went back to the triangle defense.

"Their foul shooting was really hurting us in the final quarter," Lazor noted. "Tiesi especially hurt us.

"But Chris Pallo hit four of-five from the foul line and Belin hit five of six to help us."

The Fillies had a 14-4 advantage after one

quarter and a 19-10 lead at the intermission.

"We dominated the whole first half," Lazor said. "We really dominated the first quarter. Kathy Fitzmaurice hit three shots in a row to give us that 10-point lead after one.

"We only had one field goal in the second quarter, but I thought Jennifer Beauseigneur and Cynthia did an excellent job guarding Tiesi and Jenkins," said Lazor, who is in his seventh year at the helm of the Fillies. "Fitzmaurice also filled in and helped out on them."

Belin finished with 13 points, the most memorable two of which came at the end of the game, while Fitzmaurice came off the

bench to net 10. Paula Brungo led the Lady Vikings with nine.

Glendale won the jayvee game 27-12.

The Fillies will be at Bradford Central for a non-league game tomorrow, while Glendale is idle until Thursday, when the Lady Vikings travel to DuBois for an important MVL showdown with DuBois Central.

DUBOIS — Stephanie Woika, the Moshannon Valley League's leading scorer with a 22.3 average after 10 games, almost single-handedly moved DuBois Central into sole possession of second place last night as she scored a school-record 33 points in the Lady Cardinals' 62-51 triumph over Glendale.

Woika — who also broke the school record for points in a season, her 382 erasing Michelle Felix' mark of 368 set two years ago — sank 12 field goals and hit nine of 13 shots from the charity stripe as the Lady Cardinals hiked their MVL record to 7-3. Glendale dropped into fourth place with a 6-4 record, just a half-game behind idle Clearfield St. Francis, which is 6-3.

The Lady Cardinals, 9-6 overall, built up a 15-5 cushion after one quarter and a 27-14 bulge at the half.

The visitors outscored the hosts 15-14 in the third quarter and 22-21 in the final stanza, but the Lady Card's halftime lead was too much to overcome.

The Lady Vikings, 6-7 overall, made a final stretch run in the closing minutes of the fourth quarter, but foul trouble eventually hurt them, as four players fouled out.

Paula Brungo was the Lady Vikings leading scorer with 16 points. Denise Jenkins added 12 and Lisa Tiesi nine.

The Lady Vikings prevailed 26-18 in the preliminary game as Beth Tiesi netted 11 for the winners.

Glendale will travel to Allport for a league game against West Branch Tuesday, while DuBois Central will host Moshannon Valley Thursday.

ALLPORT — For three quarters last night, West Branch Area High School was very close to winning its first Moshannon Valley Girls Basketball League game of the year.

The Lady Warriors (0-11), led visiting Glendale 9-5 after one quarter, 18-9 at intermission and 22-19 after three quarters.

But a 13-6 margin in the final quarter enabled the Lady Vikings to notch their seventh league win in 11 outings, and the 32-28 squeaker moved them to within a half game of second place. They are dueling Clearfield St. Francis and DuBois Central for the runner-up spot and the home floor for the first round of the playoffs.

"I just didn't analyze their defense soon enough," said Warrior coach Stan Solarczyk, who shouldered most of the blame for his team's heart-breaking 14th setback, 11 of which have come against MVL opponents. "I just don't think I substituted freely enough in the second half. And eventually, it wore our kids down. I really thought our kids played well enough to win."

The first half was a good indication of that, as Sue Dininno scored all nine of her points to spearhead the offense and the Warriors played nearly flawless defense. Jamie Rothrock was the losers' leading scorer with 10.

"The kids just played super defense," noted Solarczyk, who's team dropped a 33-28 decision to the Lady Vikings in their first meeting earlier this year. "They covered for each other and they were sliding real well. I thought Debbie Kolesar

played the best defensive game of her career.

"She and Jamie were passing the ball real nice out front and moving the offense well," he added. "Dininno gave us a big lift offensively in the first half."

The Lady Vikings got 14 points from Denise Jenkins and 12 more from Lisa Tiesi, but Jenkins saved most her most important shot until the final three minutes of the game, when she hit a jump shot from the corner to give the visitors the lead for good at 26-24.

"The kids played their hearts out," Solarczyk said. "I could have asked for anything more out of them. The kids really felt bad. This was our last home game and the girls wanted to win it for the seniors."

West Branch took the preliminary game 17-13 behind Elizabeth Bedner's eight points.

Glendale will host unbeaten Harmony tomorrow night in an important MVL confrontation, while West Branch will travel to Moshannon Valley Tuesday for its season finale Tuesday.

WESTOVER — Harmony High School's Christina Lewis produced and directed last night's version of a Broadway hit That Championship Season.

In dramatic fashion, the junior point-guard hauled down 10 rebounds, scored 12 points, added seven assists and had six steals as the Lady Owls rolled to a onesided 46-13 triumph over visiting Glendale in a Moshannon Valley Girls Basketball League Shaughnessy Playoffs semi-final game.

Thanks to Lewis' standout performance, the Lady Owls will host the league championship game at 7:30 tomorrow night against DuBois Central, which pinned a 42-32 loss on Clearfield St. Francis in the other semi-final last night.

Harmony coach Linda Richards tabbed Lewis as the recipient of the Hustle Award, certainly a deserving honor.

"She was very aggressive tonight," Richards said. "She looked for the good shots and she made some brilliant passes. I also thought she played an excellent defensive game. She picked up a lot of loose balls."

Right from the opening tip-off, the Owls erased any doubts as to who was the superior team.

Betsy Garman gave the Lady Vikings an early 2-0 lead on a short jumper, but Lewis answered just 30 seconds later on a fast-break layup to knot the score. dry spell and couldn't buy a bucket. Neither could the visitors.

With 3:50 to go in the first quarter, Lewis connected on a 20-foot jump shot to give the hosts the lead for good. They reeled off four more unanswered baskets in the final three minutes and led 12-2 after one period. They did most of it without their top scorer, Valerie Hutton, who was sidelined with foul problems.

"We used a half-court press in the first quarter and that seemed to give them problems," Richards said. "We wanted to keep them away from the slow-down offense, which they used against us last time."

The half-court press was confusing the Vikes, who were missing Denise Jenkins, their second-leading scorer and top rebounder. Jenkins is in the hospital for surgery on a broken finger she suffered Tuesday night against Northern Cambria.

"We just couldn't get our offense rolling at all," Lady Viking coach Pat Pino noted. "We just couldn't

get into our offense. We were disorganized. We had trouble breaking their press. We looked confused out there all night."

Things got a little better for the visitors in the second quarter, when they were outscored only 8-6 to trail 20-8 at the intermission.

Kim Neff, Progressland's third leading scorer, scored six of her game-high 13 points in the second quarter, while teammate Renee O'Shell added four. Hutton only played two minutes in the second quarter, because she picked up her third foul just a minute into the stanza.

"Sure it concerned me," Richards responded when asked if she was worried when Hutton picked up her third foul and was forced to leave the game. "Even though we had a decent lead at the time, we needed her, because she is one of our best ball players."

"She's also a very good defensive player," Richards offered. "She picks up on a lot of mistakes at the top of the perimeter."

Renee Hartzell replaced Hutton and did an admirable job.

"She and Janet Brothers did a fine job on defense and on the boards," said Richards, whose team outrebounded the Vikes' 41-22. "I thought our whole defense did a commendable job. I was very pleased."

The Lady Owls, 16-1 overall and 13-0 in league play, salted away the victory in the third quarter when they outscored the visitors 18-2. The hosts reeled off 11 consecutive points before Lisa Tiesi, Glendale's leading scorer, scored her team's only bucket of the quarter.

"We had the shots, but instead of driving in for easy ones, we shot from way outside," said Pino, whose team fell to 8-10 overall and 7-6 in the MVL.

Harmony used an 8-3 margin in the final stanza to establish its final margin of victory.

If the Lady Owls play like they did last night, the league championship should be theirs.

November 15, 1982: Glendale 26 vs Purchase Line 49 (Dist. Playoffs)

Poor First Half Dooms Glendale Against Purchase Line

By RON MUSSELMAN
Progress Sports Writer

EBENSBURG — Glendale wore two different faces during its District 6 Class A girls basketball playoff opener last night at Central Cambria High School.

In the first half, the Lady Vikings were outrebounded 19-8, outscored 30-12 and outplayed by a much larger Purchase Line squad, which entered the game with a 17-4 record and had clinched the Indiana County League title a week ago.

In the second half, however, the Lady Vikings played much better basketball, and as a result, dominated the boards 23-12 and held the Lady Red Dragons to six third quarter points.

The first half deficit was just too much to overcome, though, and Glendale eventually came out on the short end of a 49-26 score, thus being eliminated from the D-6 playoff picture.

"We let them push us around in the first half," said Lady Viking coach Pat Pino, whose squad finished with an 8-11 mark. "We were tentative, both offensively and defensively.

"Defensively, we weren't moving and they were penetrating down the middle for the easy ones," he said. "Our defense kept getting picked off and they wouldn't fight through the picks. We just kept getting banged around."

The reason the Lady Vikes' were tentative is because the Lady Red Dragons had two six-footers underneath — the sister duo of Cory and Livy Fyock. Out front, they had sharp-shooting point-guard Connie Bence, who took scoring honors with 20.

Between the three, they accounted for 11 of the hosts' 17 first quarter points, many of them coming on second efforts. The Fyocks' did most of their damage inside, while Bence pulled up for the short jumpers.

The threesome continually hurt Glendale the first half.

"The big girls helped us quite a bit in the first half," said Lady Dragon coach Janet Kostryk, whose team will face Claysburg-Kimmel tomorrow night in the tourney's second round. "That was our game plan, be patient, stay inside, and work for the high percentage shot."

Glendale, which was forced into several bad shots, had a dismal shooting first half, except for senior forward Paula Brungo, who was one of the few bright spots.

Pino shouldered some of the blame for his teams' poor shot selection.

"I figured we could get back quickly before the big girls got down," he explained. "I wanted to get the ball down the floor as fast as we could. But I guess we should have stuck with our normal offense, because it forced us to hurry our shots."

Brungo, who paced Glendale with 12 points, scored eight of her teams' 12 first half points. But early in the second quarter she picked up her third foul and was forced to the sidelines.

At that juncture, Purchase Line reeled off 13 of the next 15 points en route to a 30-12 halftime lead.

"When Paula got her third foul, that's when they broke the game wide open," Pino noted.

The second half, minus the final three minutes of the fourth quarter, belonged to Glendale, which held the Fyocks scoreless.

"In the second half, we just come out and banged them around under the boards, like the did us in the first half," Pino said. "And because of that, we were able to rebound them."

The Lady Vikings registered the first six points of the third quarter to narrow the deficit to 32-18.

Lisa Tiesi, who finished with 10, got the visitors rolling by hustling on both ends of the floor. Twice Tiesi drove the length of the court for layups, and the other time she penetrated the lane for an easy two. Brungo sank the other two-pointer from the corner.

The Lady Dragons were held in check until the 3:30 mark of the third stanza, when Cathy Peles banged home a jumper from the top of the key. Purchase Line led 36-20 after three.

On the strength of baskets from Tiesi, Brungo and Lisa Troxell, the visitors moved to within 12 points — 38-26 — with 3:36 remaining.

They couldn't get any closer after that, as the hosts scored 11 unanswered points in the final three minutes.

"The girls didn't quit and I was pleased with that," Pino said. "That was probably the best half of basketball we played all season."

The first half's what really hurt.

In the other Class A opener last night, Ferndale defeated Northern Cambria 62-56.
