Page 10-12 - Calendar

Please note that we will have a practice every day (that there is not a game) from 4 to 6 pm. There will be no weekend practices. All practices are MANDATORY. Team photos will be on August 24th, at 3:30 pm.

The Hat Trick Club will host a team pizza dinner in the SV High School Café at 6 pm on Friday, August 26th. All players are asked to attend after practice.

Please remember that there is the Parents Meeting with the Athletic Director on Wednesday, August 17th at 7 pm being held in the high school gym. Following that meeting, our team parents meeting will be held, the location will be announced during the 7 pm meeting (it will be in the high school). At this time I will be able to clarify any questions that you have as well as discuss the upcoming year for Schuylkill Valley Soccer.

Sincerely,

AJ Cronrath
Varsity Head Soccer Coach

Code of Conduct

Games

All players will be required to wear a black shirt and red tie to school for game days. Please do not purchase anything that is expensive. If you need help in where to get a shirt and tie, please ask me or other parents.

As the head coach (in turn for the kids wearing a tie) I will wear a tie during the game. I would like to promote more team unity, on and off the field, as well as promote awareness of our games. I find this to be a good way to reach that goal.

As players exit the bus, they will have matching tops, whether that be the uniform top, or the jacket, I would like all player to at least look the same from the waist up. Seniors and Captains will decide how the team will look prior to leaving the bus. **DO NOT** wear street clothes coming off the bus. You will not play in the game if you are not in uniform prior to walking off the bus.

Practices

All scheduled practices are mandatory. If you miss a practice without a valid explanation you will not be eligible to play in the next game. A valid explanation will be determined by the coach.

Any missed practices during pre season will result in loss of playing time during scrimmages/games.

Please note: Not having your paperwork/physical completed by the first day of practice is not a valid excuse for missing practice.

If you do have a valid explanation and know you need to miss a practice please let the coaching staff know as soon as possible. Communication between coaches, players and parents is essential.

Being late to practices without a valid explanation or not being ready to practice on time may result in loss of playing time in the next game, or being ineligible to start the game. Again, if you know ahead of time that you're going to be late to a practice and have a valid explanation communicate with the coaching staff to alleviate any problems.

Players are expected to be ready for practice 10 minutes before the actual start time so as not to hold up the entire team.

Cell phones are not to be turned on during practices.

I would ask the parents please wait to pick up your son in the parking lot area.

Conduct

Smoking, alcohol usage, or the use of drugs, may result in game suspensions or dismissal from the team at the coaches' discretion.

Profanity will not be tolerated and will be dealt with accordingly. Disrespect towards referees will not be tolerated. A player who receives a yellow card for dissent towards a referee will be dealt with as follows:

- 1st offense - loss of playing time
- 2nd - miss half a game
- 3rd - miss entire game
- 4th - 2 games or dismissal from the team (at the discretion of the coach)

Furthermore, Schuylkill Valley School District maintains a Student/Athletic Code, which will be adhered to.

Please remember, your actions reflect on your teammates, coaches and school. Act in a responsible manner at all times. Good sportsmanship is essential.

Bench

Benches should be clear of all trash following practices or home and away games.

During both JV and Varsity matches players should support their teammates. This means no food on the bench, cell phones or inappropriate behavior.

Academics

School and academics come first. All rules with regards to eligibility will be strictly enforced. Players will not only sit out the allotted time the school decides but an additional 3 game suspension will be added on. In addition, negative behavior within the school setting will not be tolerated. All players will conduct themselves appropriately.

Conflicts

Per the Schuylkill Valley athletic handbook parents must make an appointment with the coach to discuss issues with regards to their son's participation on the team. Games and practices are not an appropriate time for these discussions.

Please sign and return this page to the SVHS Head Coach

I agree to comply with the Schuylkill Valley School District Code of Conduct and information in Parent Packet document:

STUDENT ATHLETIC/ACTIVITY CODE

The athletic/activity program, while an important and integral part of the total school program, is a privilege for Schuylkill Valley students. Through voluntary participation the student gives time, energy and loyalty to the program. He/she also accepts the training rules, regulations and responsibilities which are unique to an athletic/activity program. In order to contribute to the welfare of the group, the student must willingly assume these obligations. The role demands that the individual participant make sacrifices not required of others.

In addition to all student behavioral policies, rules, regulations and codes of the Schuylkill Valley School District, athletic/activity participants are also governed by this Student Athletic/Activity Code. The rules and regulations in this code shall apply to any violations on and off school premises.

1. A student found to be selling, providing, in possession of, consuming or using any quantity of alcohol, narcotics, inhalants or tobacco, whether on or off school property, is in violation of this code. Violation will result in a temporary suspension from the current athletic team and/or activity, dismissal from the current athletic team and/or activity with loss of all awards earned during the current season, or removal from all further athletic/activity programs for up to one year.
2. Any legal infraction or conduct/action by a student that is in violation of the law will result in a temporary suspension from the current athletic team and/or activity, dismissal from the current athletic team and/or activity with loss of all awards earned during the current season, or removal from all further athletic/activity programs for up to one year.
3. A display of unsportsmanlike conduct toward an opponent, official, coach, guest or district personnel, or use of profanity during a practice, contest or activity will result in a temporary suspension from the current athletic team and/or activity, dismissal from the current athletic team and/or activity with loss of all awards earned during the current season, or removal from all further athletic/activity programs for up to one year.
4. Violations of the Schuylkill Valley student conduct policy, which require administrative action may be carried over to the athletic program. Any student who receives in-school suspension or out-of-school suspension will not be permitted to take part in any practice or game the day of the suspension.
5. The rules and regulations in this code shall apply to any violation, on or off school premises, during the period of participation in any athletic or non-athletic extra-curricular activity.
6. Before any suspension or dismissal, provided for under these rules shall take effect, the student shall be verbally advised by the coach, advisor or administrator of the alleged violation. The student will have the opportunity to explain or justify his/her actions.

7. A student must be in the high school by **9:00** AM in order to participate in an athletic or non-athletic extra-curricular practice, contest, performance or activity held on that day. Any exception must be approved by the athletic director or high school principal. Examples of exceptions would include college visitations, doctor's appointments (with doctor's note), funerals, etc.

8. An athlete may not quit one sport and participate in another sport after the season has begun without the mutual consent of both coaches. An athlete may not quit one sport and begin organized pre-season preparation for the next season's sport without the mutual consent of both coaches.

9. If an athlete does not participate in his/her physical education class or fails to change for physical education class, that athlete will not be permitted to take part in any practice or game that day.

10. Students participating in athletic or non-athletic extra-curricular activities are expected to exhibit habits of dress and personal grooming representative of a Schuylkill Valley team or organization. Appropriate and reasonable standards will be established by the coach or advisor of each team or activity and communicated to all participants of the team, club, program or activity. Failure to comply with these standards will disqualify a student from participation until the standards are met.

11. Any student who is academically ineligible will not be permitted to practice, attend or participate in any athletic or non-athletic extra-curricular activity unless the student attends study hall from 2:45 – 3:45 pm that day. Attendance at study hall will allow the student to attend his/her own team's in-season practice, game (may not play due to PIAA rules), or out-of-season work-out one hour late. The student **must** present the coach or advisor with a pass from the study hall teacher. Standards for academic eligibility are defined in the Schuylkill Valley School District's Academic Eligibility Policy.

Note - If a student attends a practice, game or work-out during their period of ineligibility without first attending the study hall, he/she will be subject to disciplinary action up to and including removal from the athletic team, club or musical activity.

12. Additional rules and regulations may be established by the coach or advisor of each sport, club, activity or extra-curricular program and must be approved by the athletic director and/or principal prior to their implementation. Any additional rules and regulations should be in writing and distributed to all students participating in the effected programs.

Dear Friend of S.V. High School Boys Soccer:

As we move forward with the ninth year of support, the Hat Trick Club of Schuylkill Valley High School Soccer would like to reintroduce ourselves to the surrounding community. The purpose of our non-profit organization is to help raise awareness and funding for activities and projects associated with a growing and successful high school soccer program. The formal season program includes schedules, team rosters, team pictures, individual profiles of the senior players and coaches, as well as general advertisements and encouraging messages from our sponsors.

These programs are available at each of our home games, and will be viewed by many of our player's families, friends, relatives, and opponents, as well as the general spectators and administrators who enjoy coming out to watch the games.

We are requesting that you consider advertising in our program with either a personal or a business advertisement. We have the following size ads available, and would ask that you provide us with the exact size ad that you would like placed in the designated space as follows:

Respectfully,

Hat Trick Club Members
