

Player Commitment

I agree to be a positive member of the Schuylkill Valley volleyball program. I will follow team rules and guidelines. I will behave in a positive manner during practice, games, and in the volleyball setting with and around my teammates, coaches, officials, and fans.

I will conduct myself in a respectful and positive manner as a SV volleyball player. I will recognize my role to be a positive member on and off the volleyball court, whether it be in a starting position, rotating into games, or not playing in games. I recognize that being a supportive team player is an essential and necessary contribution to the team in practices and/or game setting. I will support the team's goals for success on and off the court.

If a player is not contributing in a positive manner during practice, games, and/or tournaments, on or off the court in a volleyball setting, the coaching staff will attempt to influence and establish a positive attitude with the player regarding the well being of her teammates and the team as a whole.

Depending on the severity or continued disrespectful nature of a player, the coaching staff reserves the right to suspend or dismiss the player from the girl's volleyball team. Before any such action would be taken, a meeting will be set up with the player, the player's parents or guardians, the coaching staff and the athletic director.
