

CHAPEL HILL HIGH TIGER FOOTBALL 2020

WE'RE READY FOR SOME FOOTBALL!

2020 has been quite a year so far, from the effects of the Covid-19 pandemic, racial tensions and life interrupted in so many ways. We wanted to let you know that the Chapel Hill Tiger family is here for you and values each of your student athletes greatly! We are hopeful for a great fall season of football and look forward to seeing the team together again soon! We've put together some information for the season ahead knowing there will be some changes but ready to welcome the Class of 2024 as they begin their high school journey, and ready for a final season for Class of 2021!

Let's go Tigers!

We know that Covid-19 has changed so many parts of your student athletes' daily lives. Football will no doubt be impacted as well from practices to games. We want to you know the CHHS athletic staff and coaches are committed to the safety of the team!

A FEW EXAMPLES OF CHANGES FOR SAFETY

Facilities Cleaning: Cleaning schedules for all used areas must be created; All equipment and high-touch areas sanitized before and after use; Hand sanitizer must be plentiful and available; Any exposed foam on equipment must be covered; Showers should be done at home; Wash hands for at least 20 seconds after cleaning is done.

Limitations on Gatherings: Workouts may be limited in length and number of people.

Pre-Workout Monitoring: All coaches and students must be screened daily for symptoms of COVID-19, including a temperature check. Anyone with a temperature of 100.4 degrees or higher or who reports any symptoms will not be allowed to participate. Responses to questions must be recorded for each person. Students or coaches who have positive symptoms cannot return without a note from a doctor.

Exposure or Positive Test: If a person on the team or staff member on a team tests positives for COVID-19, all who had close contact should: (1) Quarantine until 14 days past last exposure unless a COVID-19 test comes back negative; (2) Check temperature twice daily; (3) If possible, stay away from people who are higher risk.

Returning After Positive Test: To return after a positive test, an athlete or coach must meet all of these criteria: (1) No fever of 72 hours without any fever-reducing medications; (2) Resolution of respiratory symptoms; (3) At least 10 days have passed since symptoms first appeared; (4) A note of clearance from a licensed medical provider.

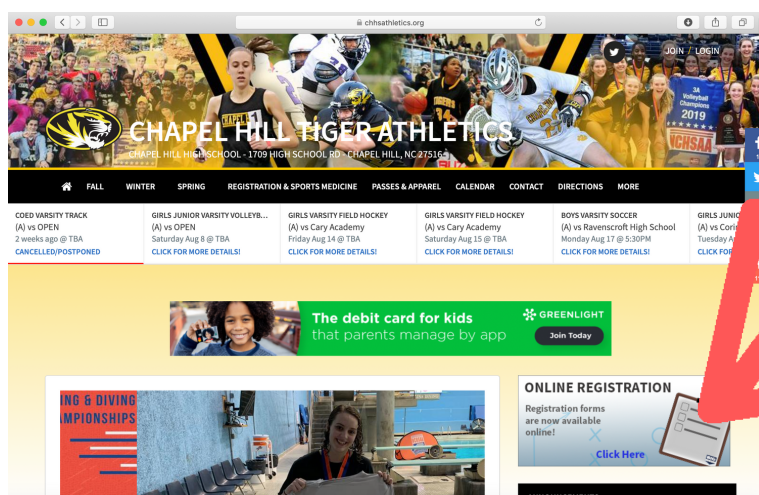

Face Coverings: State, local, or district guidelines for face coverings must be followed.

Hydration: No sharing of water bottles; All students must bring their own water bottle;

Freshmen Parents!

We are excited to have you on board and part of the Chapel Hill Tiger football family!

Your student athlete has a great opportunity to build community before the school year starts and should plan on being at all practices and workouts.

There is a possibility of forming a JV team, depending on numbers and player positions. JV team has games on Thursday night and a limited number of JV players also dress out for Varsity games on Friday nights. All JV players are strongly encouraged to be present at all home Friday Night Lights.

We will be looking for 2 Freshmen parents to represent the Class of 2024 and help with meal coordination and more! Please email amylynnchapelhill@gmail.com if you are interested.

You're our biggest fans!

*Follow, like, and share on social media!
Encourage other families to come out to games and help get other teens interested in joining the team to register and show up!*
