*Approaching season 2 (basketball, wrestling, swimming, cheer, dance) start Dec. 28
OSAA is scheduled to make a decision about the status of season 2 the first week of December.

- Academic eligibility: Students must have passed 4 classes in trimester 1 and be on track to graduate.
- Registration: The district is moving to a new platform that will be linked to our new webpage. Watch for dates and deadlines.
- Sports physicals: Physicals will need to be updated prior to participation.

With the constantly changing status of athletics please note that once we are cleared to play the timeline between clearance and play may be short.
