WELCOME TO THE 2020 ATHLETIC HALL OF FAME CEREMONY

Our athletic program plays an important role in the overall education and experience at St. Paul VI Catholic High School. We see our sports teams as an extension of the school's mission; to develop student-athletes spiritually, intellectually, physically, and socially.

We strive to run a college-preparatory athletic program so that our student-athletes, who are able to combine the right amount of ability and desire, can compete at the next level as a result of their Paul VI athletic experience. Our mission extends beyond the playing fields. PVI students develop the life skills needed to transition to college, careers, and become productive members of society, all grounded in the teachings of St. Francis deSales and Gospel values.

Our Hall of Fame members and inductees exemplify what Paul VI is all about and inspire our students to do the same. Your accomplishments, stories, and the legacy you have left for our future Panthers are a gift to our PVI community. Thank you for your commitment to your sport, your teams, and St. Paul VI Catholic High School.

Congratulations to our new inductees. It is an honor to welcome you into the Paul VI Athletic Hall of Fame.
